TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Aarthy Thamizh**, a Computer Science & Business Systems student at Saranathan College of Engineering, Thiruchirappalli - 620012, (2021 - 2024), has completed her Machine Learning & Deep Learning internship at the National Institute of Technology, Tiruchirappalli, from May - July 2023.

She worked on a project titled 'Real Time Emotion Detection' using Machine Learning and Deep Learning algorithms. It aimed to develop a system that could curb the user emotions.

Aarthy proved to be a versatile student. Her sheer perseverance throughout the project, coupled with the desire to learn, comprehend, and work on tasks independently, was commendable. Her performance exceeded my expectations, and she could complete the project well within the envisaged time frame.

Letter of Appointment

Dear **Almasdivan,**

Subsequent to the interviews we had on campus at ***Saranathan College of Engineering*** on ***13th October 2023***, we are pleased to offer you an **Full Time Internship + Full Stack Developer (Full Time) position** at **AUGURAI**, located at Thillai Nagar, Tiruchirappalli with effect from **2/1/2024** on the following terms and conditions.

1. **Accountability:**

You will report directly to the **Chief Executive Officer.**

2. **Internship Duration:**

Internship duration would be approximately **6 months** ***(full time during the last semester)***. You would be absorbed as a full time ***Full Stack Developer*** on successful completion of your final semester courses/projects as well as internship.

3. **Remuneration:**

You will be paid an **annual** renumeration of **Rs. 4,00,000/-** on a cost to company basis for the **full time Full Stack Developer** position. You will also be paid a **stipend** of Rs. **10,000 per month** during your **internship** with us. The remuneration offered to you is absolutely confidential.

4. **Working Hours:**

You will be required to work eight hours a day and forty hours a week for five days a week in any one of the shifts during the day or night. Your duty hours will be fixed from time to time depending upon the exigencies of the business.

5. **Duties:**

Yours will be a full time salaried position with no overtime compensation. You shall perform such duties, observe, and conform to such directions as may be assigned or communicated to you by the Management or such officers who are placed in authority over you. You will also be responsible for control and supervision of the employees working under you if any.

The Management will be within its rights to allot you additional jobs within your department or any other department to which you cannot raise any objection.

6. Address:

You will keep the Management informed of any change in your residential address. In case of your inability to do so, any communication sent at the address available with the Management will be deemed to have been served on you.

7. Benefits:

You will be eligible to avail 20 days of earned leave per year with prior approval from the manager.

8. Notice Period:

Your services may be terminated by either side giving 30 days notice to the other or 30 Days salary in lieu thereof, which shall be prorated for the period of notice being un-served.

9. Service Rules:

You shall abide and be bound by the company's Service Rules, as these Service Rules will form part of this contract of employment. You will also carry out and abide by any instruction, House Rules and Office Orders issued by the Management from time to time. Your appointment and continuation in service is subject to satisfactory verification of your credentials, testimonials, etc., and not having concealed any material information from us or having given false particulars in your application.

10. Non Disclosure Agreement (NDA):

You will not divulge any information regarding intellectual Property, software process, technical know-how, security arrangements, administrative accounts, marketing areas, organization matters pertaining to the company whether confidential or otherwise, patented or non-patented, operational, technical or financial either pertaining to the company, or its customers, vendors, or internal processes, orally, inscribed, recorded, written electronically processed either tapes, disks, chips, floppies or any other form of communication like films, micro films, drawings etc to anyone else, without the prior approval of the company. It is absolutely at the discretion of the company to decide whether any information is divulged under the normal course of business and the employee in any manner cannot challenge the same.

You shall undertake not to discuss, disclose, or expose any information which the company may classify as confidential, including technology, ideas, concepts evolved by the company and such information shall of all kinds in which include, words, scripts, documents., electronically stored data, encrypted information, designs, formulae, source codes, object codes, any intellectual property being developed or developed by the company. The terms and conditions stated in the said undertaking shall be in force even after you cease to be in the employment of the company.

Breach of terms and conditions contained herein shall be considered a breach of the terms and conditions of your employment and as misconduct on your part and may result in termination of your services by the Company, without notice or pay in lieu thereof.

Kindly sign and return to us a copy of this letter before **18/10/2023** as confirmation of your acceptance of this appointment and the terms and conditions of your employment.

We wish you a long and fruitful association with AUGURAI.

3. Stipend

You are eligible for a stipend of **Rs. 15,000/-** (Rupees fifteen thousand) only, per month (consolidated pay) for the duration of your internship. The stipend will be paid to the bank account in your name for the services rendered by you during your internship tenure.

As an Intern, you are not an employee of the Company and therefore you shall not be eligible/entitled to receive any of the employee/statutory benefits including health insurance, vacation leave or sick leave which a regular employee of the Company is entitled to.

Upon successful completion of your Internship and based on your performance during the Internship you may be offered full-time employment with the Company.

4. Governance

You will comply with the prevailing organization policies and procedures that are in effect at all times.

5. Termination

During the Internship period, your internship may be terminated at any time by the Company by giving 7 days' written notice. However, since specialised training is being provided at a cost from the Company's end you shall have no right to terminate the internship without the Company's written approval.

6. Non-compete

You confirm that you have no contractual commitments or other legal obligations that would prohibit you from performing/fulfilling your duties at the Company.

7. Non-solicitation

During your internship at JMAN and for a period of 1(one) year from the termination/completion of your internship, you shall not induce or attempt to influence directly or indirectly, any employee, intern, contractor, client at JMAN to terminate his/her employment or business relationship with JMAN, nor to work for you or any other person or entity.

8. General Provisions:

i. As an intern in the Company, you are required to devote your entire time, attention and effort to the furtherance of the business of the Company and to continually develop your professional skills in the interest of the Company and yourself. You shall not, during your internship with the Company, directly or indirectly engage yourself in or devote any time or attention to any part-time employment or business or position of monetary interest, other than that of the Company and your education.

ii. You confirm that the educational qualifications declared/to be declared by you in the Biodata/application are true and correct. You shall produce the original certificates evidencing your educational qualifications and other such documentary proofs as and when required by the Company.

iii. You will be subject to the Company's policies, rules and regulations for the time being in force and as varied from time to time. A copy of the Rules and Regulations of the Company have been made available to you and you confirm that you have read and understood them.

iii.

iv. You shall not engage in any activity which is detrimental to the interest of the Company.

v. You shall be responsible for the safe custody of all the Company's assets, documents, and the like, which may come into your custody during the Internship Period. On termination/completion of your internship, you confirm that you will return all such documents and assets promptly to the Company.

vi. It is clarified herein that this internship does not constitute any employment and there is no employer-employee relationship between the parties herein.

vii. The Company has a right to initiate appropriate disciplinary actions for any kind of misconduct committed by you. The Board of Directors or their duly authorized representatives shall be responsible for assessing and making any necessary decisions on your work, performance, misconduct, discipline, and conditions of work.

viii. Notwithstanding anything in this letter, during the course of your internship, if you, at any time render yourself incompetent to perform your duties or if you should misconduct yourself or be disobedient, intemperate, irregular in attendance, breach any of the terms of your internship or of any of the stipulations herein contained, the Company shall without prejudice to any of its rights under the terms herein contained, be entitled to terminate your internship forthwith

without notice or payment in lieu of notice and deduct from your stipend or other emoluments, if any, then due to you, the amount of any damage the Company may have sustained.

ix. You understand and confirm that the information acquired by you relating to Company's activities/intellectual property rights, trade secrets, know-how and other financial information are all confidential information of the Company. You are required not to divulge any such information to any third party or use such information for your own personal gain. If the Company comes to know of the violation of the above condition, then the Company reserves the right to initiate appropriate legal action against you for breach of confidentiality. In addition, you are required to sign the attached Non-Disclosure Agreement with the Company, before commencing your Internship with the Company, which Agreement shall be binding on you in terms thereof.

x. You shall at all times maintain the confidentiality of the information and project/tasks covered under this Internship and in particular you shall sign and execute a separate Non-Disclosure Agreement (NDA) with the Company and any other agreement which you will be required to execute as part of your joining.

xi. You confirm that all intellectual property developed by you in terms of this internship shall be owned by the Company and / or their clients and you shall have no rights over the same.

xii. You shall not publish your research/project report or about the Company in any form in mass media and your research / project report is to be treated strictly for academic purpose only.

xiii. You shall not, during the period of your internship at the Company, copy, duplicate, decompile or translate any intellectual property of the Company or its customers without appropriate authorization. You shall not take out any intellectual property belonging to the Company, outside the workplace or Company's premises, without appropriate authorization from your supervisor.

xiv. You shall be obligated to compensate the Company appropriately, in the event you cause any loss or damage to any property/asset that is owned or leased by the Company, during your Internship.

xv. It is expressly understood and agreed by and between us that the Company shall in no way be liable/responsible for any injuries/impairment in health arising during your Internship.

xvi. You will keep us informed of any change in your residential address, your family status or any other personal particulars relevant to your Internship with the Company, as and when the change occurs.

xvii. All the components of your stipend are subject to the Income Tax Rules and the same would be included in the taxable income and taxed as appropriate based on the Income Tax rules existing from time to time. The Company will deduct taxes as appropriate and consistent with Indian Tax Regulations. You will be responsible for your tax liabilities under all-applicable tax laws and regulations.

xviii. This offer letter constitutes the complete understanding between you and the Company regarding the terms of your internship with the Company. This supersedes any and all other agreements, either written or oral, between you and the Company regarding your internship. Any modification of this agreement will be effective only if it is in writing, signed by both parties.

xix. In case of any dispute, the jurisdiction to entertain and try such dispute shall vest exclusively in a court of law in Chennai, amil Nadu.

xx. The terms and conditions of your internship detailed above are strictly confidential and should be treated as privileged information between you and the Company. You are expected to maintain such information appropriately.

Please signify your acceptance of the terms and conditions above by signing and returning to us the duplicate copy of this letter.

As an Intern, you can be assured of our complete support as we work with you to provide you with a memorable learning experience.

We very much look forward to welcoming you to the team!

Dear **Ms.GOKULA VADHANA,**

Based on your application and the subsequent discussions you had with us we are pleased to have you associated with us as a **TECHNICAL TRAINEE** for a period of 6 months from the date of commencement in our organization. During this association you will be paid a stipend as consideration. Your monthly Cost to Company will be **Rs.23000/- (RUPEES TWENTY THREE THOUSAND ONLY)**. The break-up of your stipend is set out in Annexure A.

The internship will be for a period up to 6 months from the date of commencement. Based on your performance during this period and your interest in continuing the internship, your manager may extend the internship period beyond the initial 6 months. On successful completion of your curriculum project, you may be absorbed as an employee of Zoho as **PRODUCT SUPPORT ENGINEER**. Salary will be decided at that time based on your performance.

This offer is subject to the following terms and conditions.

1. During the period of your association with Zoho, you shall keep strictly confidential any and all information that may come to your knowledge. You may share any such information with others, only on a 'need to know' basis.

2. You shall sign a Confidentiality Agreement with Zoho to protect the interests of the Company by maintaining confidentiality of all information, which may be accessible to you in the course of your association.

3. Zoho owns all right and interest to any intellectual property developed by you during the course of your association with the company.

4. As part of Zoho's commitment to comply with legal requirements, Zoho contributes to employee's provident fund on your behalf. You understand that the purpose of this contribution is solely to meet Zoho's legal obligations regarding the employee's provident fund as mandated by the authorities and that the contribution shall not be construed as establishing an employer-employee relationship.

5. Zoho reserves all rights to terminate you at any time during your association period, for any reason whatsoever, including without limitation, misuse of Zoho intellectual property, improper and unauthorized usage of internet Services, adverse finding in background verification report, misconduct and the like.

6. Zoho is under no obligation to recruit you on its roll of employees at the end of your project work. However if your project work and conduct are found to be completely satisfactory, you may be considered for employment, in accordance with Zoho's then current policy.

Employment Offer and Employment Agreement

22nd Feb 2024,

Dear Pooja,

Further to your recent interview, conditional on and subject to no adverse findings arising from any of the employee background verification checks, required to be carried out by the Organization, I am pleased to offer you the following employment with Codeyoung. This offer letter upon written acceptance by you shall be deemed as an Employment Agreement. Your date of joining is **4th March 2024.**

1. BACKGROUND CHECKS AND REFERENCE CHECKS

During the term of your employment, you may also be subject to the same/similar / other background verification checks being repeated at such intervals as may be determined solely by the Company. In the event that there are any adverse findings that arise during the course of or as a result of such background verification checks, you may be subject to disciplinary proceedings up to and including but not limited to termination of your employment.
For the purpose of obtaining your present employer's reference, you agree that your written acceptance will constitute your permission to write for reference checks.

2. Probation/ Training

You will be on probation for a period of 2 months during which your performance shall be reviewed by the Company. The stipend during the probation is INR 20000/month (Twenty Thousand per month) In case of unsatisfactory performance your probation may be ended or extended subject to additional conditions. Upon successful completion of probation period without any extension and by meeting the expected targets you shall be deemed to have been confirmed in the services of the Company unless otherwise communicated to you in writing by Company.

Codeyoung

JOB TITLE: International Sales Specialist

As a term of your employment from time to time you may be required to undertake such other duties as may be commensurate with the business needs in the Company.

3. COMPENSATION

Your remuneration shall be as per Annexure titled "Compensation"

Salary is subject to Income Tax and other statutory deductions and will be paid into a bank account indicated by you.

You will receive a monthly pay statement detailing gross pay and deductions. Any subsequent changes to your salary will be highlighted on that statement.

Periodically your performance will be reviewed. If a performance award (bonus) is applicable, it will usually be paid subject to your performance appraisal, ratings and company performance and other such criteria at payout intervals determined by the Company.

In the event of an Income tax liability or any other tax liability or any statutory char ges arising as a result of your employment with the Company , these will be borne by yourselves and Company shall in no event be liable for payment of these taxes or any other charges of this nature for the period of your employment or after cessation of your employment with Company.

4. SALARY REVISIONS

The Company may undertake periodic review of salaries, and will notify of any amendments, which are to be applied. Such reviews will take due consideration of, amongst other things, inflationary, deflationary, market and other economic pressures impacting the company and the staff.

5. DEDUCTIONS FROM PAY

When your employment ends, if the number of annual leaves you have taken exceed your entitlement, an appropriate deduction will be made from your full and final payout. Any leave balance outstanding in your name may be encashed subject to the Leave encashment Policy applicable. If you are summarily dismissed, or you leave the Company without giving due notice under your contract of employment, your entitlement to holiday pay ends with the date of termination.

Codeyoung

6. HOURS OF WORK

Your usual working hours shall be 10pm to 7am, however in interest of business such hours may be extended. Work days are from Tuesday to Sunday, with Monday being a week off. The timings and work days are subject to change based on the management's decision.

7.ADDITIONAL HOURS

Subject to your role qualifying for overtime under applicable statutory provisions, if occasions arise when you may be required to work additional hours beyond normal hours.

8.PLACE OF WORK AND MOBILITY

Your usual location of work will be **Bangalore**. However, you may be required from time to time to work at or from any office or location of the Company or within different companies affiliated to Codeyoung. A change of your place of residence may be required fromtime to time and you may be transferred from one city to another for business needs of the Company. In case of transfer, your transfer shall be subject to Relocation Policy.

9. RETIREMENT

Normal retirement in the company is at age 58. Your employment will terminate automatically at the end of the month in which your 58th birthday occurs, unless you are otherwise advised by individual notice. You may also be retired earlier if found to be medically unfit or suffer any other incapacity that may impact the effective performance of your services.

10. RULES AND REGULATIONS

Codeyoung is a business based on integrity and mutual trust. In order to maintain and safeguard the trust and confidence of customers and the public certain ethical principles and standards of conduct have to be maintained.

In addition to any requirement under the Code of Conduct , you are also required as a condition of continued employment to disclose to Codeyoung immediately and without any delay, any instance of you being arrested or charged or convicted of any criminal offence(s) and or
being declared bankrupt during the course of your employment. Failure to disclose such information may result in disciplinary proceedings up to and including but not limited to termination of employment .

Codeyoung

Other specific rules and regulations will be notified by the Company from time to time. Policies, Code of Conduct, rules and regulations may be amended from time to time. You are required to keep yourself updated of such changes

11. CONFIDENTIALITY

As a condition of employment, you are required to sign and return the Non-Disclosure Agreement in Annexure that pledges confidentiality on all business matters appertaining to the Codeyoung, its subsidiaries, the company, and its customers. Under the Company's policies, you have a responsibility to ensure that all personal data, confidential information you process or possess,is kept protected . Unauthorized disclosure of personal data of any one, yourself, your colleagues, vendors or customers is a material breach and may result in disciplinary action including but not limited to termination of employment and other actions as may be necessary under the applicable laws governing data protection. Therefore, you must ensure that you do the following in addition to all other guidance regarding data protection you may receive from the Company from time to time:

- Do not disclose personal data without authority

- Do not access information or systems not directly relevant to each task
- Do not treat personal data carelessly
- lock all printouts away when not in use
- Do not disclose your computer password to any unauthorized person.

Under the Company's policies, it is important that the Company's internal, restricted or highly restricted personal records are maintained as accurately as possible. Hence, you must notify the Company in writing of any change in your personal circumstances, such as your address, marital status, birth of children, attainment of professional qualifications, and so forth.

15.TERMINATION OF YOUR EMPLOYMENT BY THE COMPANY

Post confirmation, except where your employment is terminated on the grounds of misconduct, poor work performance, breach of employment terms or policies, breach of laws, you are entitled to a prior notice of termination of **1 month** from the Company, or pay in lieu of notice period.

In the event of misconduct, poor work performance, breach of policies, Code of Conduct, involvement in any criminal activity of sexual harassment incident or similar such reasons, the notice period of one month shall not apply and services may require to be terminated at shorter notice.

Notice of Termination may be handed to you personally, by email or sent to your last recorded address. The Company reserves the right to ask that you no longer work at your office location for the duration of your notice period in case circumstances so require. During the notice period it is mandatory to deliver at least 80% of your target for successful relieving. The company reserves all the rights to withhold your relieving documents and full and final settlement in case of unsatisfactory or poor work performance, breach of policies, misconduct, or any other disciplinary issues during the notice period.

16. TERMINATION OF EMPLOYMENT BY YOU

During probation, you are required to give the company at least one calendar months' notice in writing. Post confirmation, you are required to give the company a minimum of **2 months'** notice in writing. Where notice period as per terms of employment is not served, pay in lieu of notice period would be reduced from the final settlement dues to the employee. Upon immediate termination of employment by you, you will have to compensate by paying up to an amount equal to 2 month's salary to the Company in lieu of the notice period.

Employment Offer and Employment Agreement

22nd Feb 2024,

Dear Shruthika S,

Further to your recent interview, conditional on and subject to no adverse findings arising from any of the employee background verification checks, required to be carried out by the Organization, I am pleased to offer you the following employment with Codeyoung. This offer letter upon written acceptance by you shall be deemed as an Employment Agreement. Your date of joining is **4th March 2024.**

1. **BACKGROUND CHECKS AND REFERENCE CHECKS**

During the term of your employment, you may also be subject to the same/similar / other background verification checks being repeated at such intervals as may be determined solely by the Company. In the event that there are any adverse findings that arise during the course of or as a result of such background verification checks, you may be subject to disciplinary proceedings up to and including but not limited to termination of your employment.
For the purpose of obtaining your present employer's reference, you agree that your written acceptance will constitute your permission to write for reference checks.

2. **Probation/ Training**

You will be on probation for a period of 2 months during which your performance shall be reviewed by the Company. The stipend during the probation is INR 20000/month (Twenty Thousand per month) In case of unsatisfactory performance your probation may be ended or extended subject to additional conditions. Upon successful completion of probation period without any extension and by meeting the expected targets you shall be deemed to have been confirmed in the services of the Company unless otherwise communicated to you in writing by Company.

JOB TITLE: International Sales Specialist

As a term of your employment from time to time you may be required to undertake such other duties as may be commensurate with the business needs in the Company.

3. COMPENSATION

Your remuneration shall be as per Annexure titled “Compensation”

Salary is subject to Income Tax and other statutory deductions and will be paid into a bank account indicated by you.

You will receive a monthly pay statement detailing gross pay and deductions. Any subsequent changes to your salary will be highlighted on that statement.

Periodically your performance will be reviewed. If a performance award (bonus) is applicable, it will usually be paid subject to your performance appraisal, ratings and company performance and other such criteria at payout intervals determined by the Company.

In the event of an Income tax liability or any other tax liability or any statutory char ges arising as a result of your employment with the Company , these will be borne by yourselves and Company shall in no event be liable for payment of these taxes or any other charges of this nature for the period of your employment or after cessation of your employment with Company.

4. SALARY REVISIONS

The Company may undertake periodic review of salaries, and will notify of any amendments, which are to be applied. Such reviews will take due consideration of, amongst other things, inflationary, deflationary, market and other economic pressures impacting the company and the staff.

5. DEDUCTIONS FROM PAY

When your employment ends, if the number of annual leaves you have taken exceed your entitlement, an appropriate deduction will be made from your full and final payout. Any leave balance outstanding in your name may be encashed subject to the Leave encashment Policy applicable. If you are summarily dismissed, or you leave the Company without giving due notice under your contract of employment, your entitlement to holiday pay ends with the date of termination.

6. HOURS OF WORK

Your usual working hours shall be 10pm to 7am, however in interest of business such hours may be extended. Work days are from Tuesday to Sunday, with Monday being a week off. The timings and work days are subject to change based on the management's decision.

7.ADDITIONAL HOURS

Subject to your role qualifying for overtime under applicable statutory provisions, if occasions arise when you may be required to work additional hours beyond normal hours.

8.PLACE OF WORK AND MOBILITY

Your usual location of work will be **Bangalore**. However, you may be required from time to time to work at or from any office or location of the Company or within different companies affiliated to Codeyoung. A change of your place of residence may be required fromtime to time and you may be transferred from one city to another for business needs of the Company. In case of transfer, your transfer shall be subject to Relocation Policy.

9. RETIREMENT

Normal retirement in the company is at age 58. Your employment will terminate automatically at the end of the month in which your 58th birthday occurs, unless you are otherwise advised by individual notice. You may also be retired earlier if found to be medically unfit or suffer any other incapacity that may impact the effective performance of your services.

10. RULES AND REGULATIONS

Codeyoung is a business based on integrity and mutual trust. In order to maintain and safeguard the trust and confidence of customers and the public certain ethical principles and standards of conduct have to be maintained.

In addition to any requirement under the Code of Conduct , you are also required as a condition of continued employment to disclose to Codeyoung immediately and without any delay, any instance of you being arrested or charged or convicted of any criminal offence(s) and or
being declared bankrupt during the course of your employment. Failure to disclose such information may result in disciplinary proceedings up to and including but not limited to termination of employment .

Other specific rules and regulations will be notified by the Company from time to time. Policies, Code of Conduct, rules and regulations may be amended from time to time. You are required to keep yourself updated of such changes

11. CONFIDENTIALITY

As a condition of employment, you are required to sign and return the Non-Disclosure Agreement in Annexure that pledges confidentiality on all business matters appertaining to the Codeyoung, its subsidiaries, the company, and its customers. A breach of confidentiality is a material breach and may result in disciplinary proceedings including but not limited to injunction, termination of employment or claims of damages.

12. PROTECTION OF PERSONAL DATA

The Codeyoung adopts industry-standard software for maintenance of employee and customer data and Personal data of employees and customer data. Such data may be processed for human resources administration purposes, including payroll administration, career development, performance and health and safety administration and such business and operational needs. In order to process your personal data, the Company needs your consent. A format of such consent is enclosed with this letter. We request you to read and confirm your consent and return the Consent to us. Access to information systems and your personal data will be protected in accordance with our standard practices.

13. USE OF SOFTWARE AND SYSTEMS ACCESS

You are required to follow policies, rules and procedures laid down by the Company in this letter and those subsequently notified by the Company

14.DATA PROTECTION

Under the Company's policies, you have a responsibility to ensure that all personal data, confidential information you process or possess,is kept protected . Unauthorized disclosure of personal data of any one, yourself, your colleagues, vendors or customers is a material breach and may result in disciplinary action including but not limited to termination of employment and other actions as may be necessary under the applicable laws governing data protection. Therefore, you must ensure that you do the following in addition to all other guidance regarding data protection you may receive from the Company from time to time:

- Do not disclose personal data without authority

- Do not access information or systems not directly relevant to each task
- Do not treat personal data carelessly
- lock all printouts away when not in use
- Do not disclose your computer password to any unauthorized person.

Under the Company's policies, it is important that the Company's internal, restricted or highly restricted personal records are maintained as accurately as possible. Hence, you must notify the Company in writing of any change in your personal circumstances, such as your address, marital status, birth of children, attainment of professional qualifications, and so forth.

15.TERMINATION OF YOUR EMPLOYMENT BY THE COMPANY

Post confirmation, except where your employment is terminated on the grounds of misconduct, poor work performance, breach of employment terms or policies, breach of laws, you are entitled to a prior notice of termination of **1 month** from the Company, or pay in lieu of notice period.

In the event of misconduct, poor work performance, breach of policies, Code of Conduct, involvement in any criminal activity of sexual harassment incident or similar such reasons, the notice period of one month shall not apply and services may require to be terminated at shorter notice.

Notice of Termination may be handed to you personally, by email or sent to your last recorded address. The Company reserves the right to ask that you no longer work at your office location for the duration of your notice period in case circumstances so require. During the notice period it is mandatory to deliver at least 80% of your target for successful relieving. The company reserves all the rights to withhold your relieving documents and full and final settlement in case of unsatisfactory or poor work performance, breach of policies, misconduct, or any other disciplinary issues during the notice period.

16. TERMINATION OF EMPLOYMENT BY YOU

During probation, you are required to give the company at least one calendar months' notice in writing. Post confirmation, you are required to give the company a minimum of **2 months**' notice in writing. Where notice period as per terms of employment is not served, pay in lieu of notice period would be reduced from the final settlement dues to the employee. Upon immediate termination of employment by you, you will have to compensate by paying up to an amount equal to 2 month's salary to the Company in lieu of the notice period.

17. A RETURN OF ASSETS UPON END OF YOUR ENGAGEMENT

You shall immediately return all computers, software, access cards, work deliverables, completed or work in progress and any other Codeyoung provided property upon your end of employment. You shall not make any copies of work products or software or retain any of Codeyoung assets in your possession after your employment with Codeyoung comes to an end. You understand that a breach of this obligation entitles Codeyoung to take civil and criminal actions as applicable for recovery of its assets.

5. Confidentiality:

You are required to maintain total confidentiality as regards the contents of this letter and you should not disclose the same to anybody. As a condition of employment at the Company, you will be expected to sign the Confidentiality and Intellectual Property Agreement which forms part of your contract of employment with the Company. The Company has appointed you based on your background, experience, general skills, and abilities and not because of your knowledge of your current employer's or any previous employer's trade secrets or other company-specific information. In this regard, you should also be extremely careful not to bring to the Company any documents or other materials in tangible form belonging to or acquired from any current or prior employer.

6. Previous Employment:

If you are employed, you are expected to join the Company only after your present employer formally relieves you. You are required to submit the relieving letter from your present employer to the Company. The Company will not be liable for any consequences arising out of any of your previous employment. You hereby agree that you are not subject to any terms or conditions (whether contractual or otherwise) which restrict or may restrict your ability to carry out your duties for the Company or any Group Company

7. Working Days, Holidays and Leave:

Your working hours will be 45 per week Monday through Friday, although you may be required to work at such other times as may be necessary for the proper performance of your duties. Your daily working hours, holidays, and leave shall be as per the Company policy as amended from time to time.

8. Notice of termination:

(i) You will be required to give at least 60 days written notice of termination to the Company. The Company reserves the right to relieve you only at the end of the 60-day notice period. If you are relieved of your duties before the expiration of your notice period the Company will be entitled to recover from you as 'salary in lieu of notice', an amount equivalent to the shortfall in the notice period, and/or to deduct such amount from any amounts which may be payable to you by the Company.

(ii) The Company, at its sole discretion, shall be entitled to terminate your employment by giving you either one month's notice in writing or one month's salary in lieu thereof.

(iii) During any period of notice you may be required by the Company, in its absolute discretion not to contact its employees, customers, or suppliers, not to attend at your place of work at any time and not to perform any duties for the Company or to perform only such duties, specific projects or tasks as are assigned to you expressly by the Company, for such period and at such place or places (including, without limitation, your home) as the Company deems appropriate, provided that you will be entitled to receive full pay and benefits (excluding any bonus or commission payments) during such period. For the avoidance of doubt, you will remain the

Company's employee during any such period and may not carry out any work for any third party.

(iv) The Company reserves the right to terminate your contract without notice or pay in lieu of notice, if, after a reasonable investigation, it has reasonable grounds to believe you are guilty of serious misconduct.

9. Restrictive covenant:

During the term of your employment and for 6 months thereafter, you will not directly or indirectly solicit, deal with, or contact the current or potential customers of the Company or any Group Company.

10. Applicable Law:

Your employment shall be governed by and construed under the laws of India and the courts of Chennai shall have the jurisdiction, to the exclusion of any other Courts that may have jurisdiction, to decide any dispute arising from or in connection with your employment with the Company or any of the terms and conditions of your employment with the Company.

11. Severability:

The various provisions and sub-provisions of this Agreement and its Annexes are severable and if any provision or identifiable part thereof is held to be unenforceable by any court of competent jurisdiction then such unenforceability shall not affect the enforceability of the remaining provisions or identifiable parts thereof in this Agreement or its Annexes.

REPORT ON INDUSTRIAL VISIT

OBJECTIVE OF THE INDUSTRIAL VISIT

This report provides a comprehensive account of the two-day industrial visit undertaken by Electrical and Electronics Engineering department students of Saranathan College of Engineering from 15.03.2024 to 17.03.2024.

The primary objective of this visit was to bridge the gap between theoretical knowledge and practical applications by providing students with firsthand exposure to various industrial settings. This experiential learning opportunity aimed to enhance understanding of real-world challenges, foster critical thinking, and cultivate professional skills essential for future career endeavors and to make students interact with actual industry personals, to make them aware of the industrial procedures required to enter in any company, to experience the working environment in industry and visualize all the important Departments in the Industry, Interaction of students with the peoples of all important departments and to prepare the students for the selection of carrier path in different departments of industry

KAYNES TECHNOLOGY, PRIVATE LTD, MYSORE

DAY-1 INDUSTRIAL VISIT (KAYNES TECHNOLOGY, PRIVATE LTD, MYSORE)

We visited a company in Mysore named "Kaynes Technology" on 15.03.2024 from 10:00am-12:00pm, it's a leading end-to-end and IoT solutions-enabled integrated electronics manufacturer in India. Kaynes has over three decades of experience in providing Conceptual Design, Process Engineering, Integrated Manufacturing and Life Cycle Support for major Industries and other segments. We had a good experience with staffs and workers, and they explained their current projects they are working for and the segments in their Industry and the computer internal devices basically on the motherboard and chipboard lines and soldering of the components and their checking. Both manual and machine based soldering and solder checking was available and the designing was done on software and the machine printing and error detecting of the final product was done and it was displayed to the students.

We spent 2 hours in the company and observed their working manners, project description, mode of working, segments in the industry, current working and production model using to accomplish project and import and export items. The interaction with experienced engineers and technicians at Kaynes provided valuable opportunities for students to ask questions, gain practical insights, and understand the challenges and rewards of a career in electronics manufacturing. The overall experience at Kaynes was highly informative and intellectually stimulating, leaving a lasting impression on the visiting group.

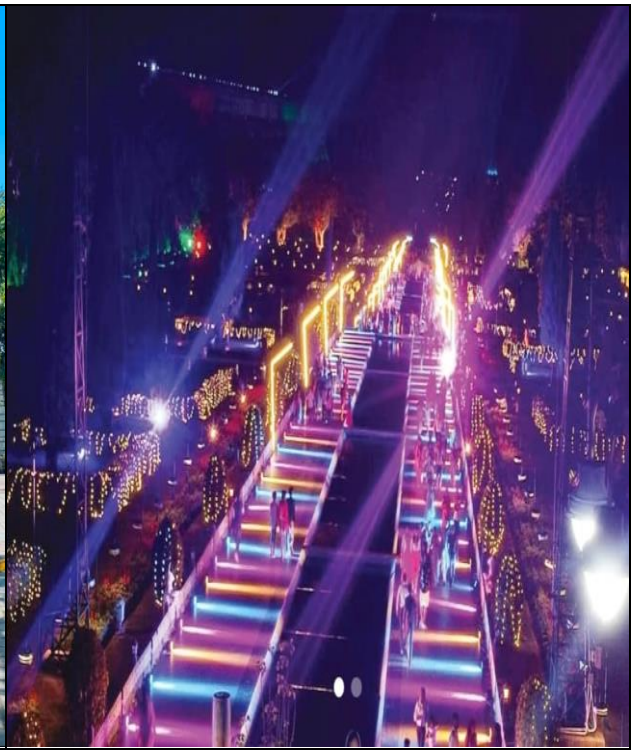
MYSORE ZOO

After a truly satisfying lunch, we explored the renowned Mysore Zoo from 2:00pm to 5:00pm, with a diverse array of wildlife. The zoo, meticulously maintained and thoughtfully designed, offered a unique opportunity to observe various species in their natural habitats.

The visit provided valuable insights into the importance of wildlife conservation and the challenges faced by zoological institutions in maintaining a healthy and enriching environment for the animals. Observing the majestic elephants, graceful tigers, playful primates, and a myriad of avian species fostered an appreciation for biodiversity and the delicate balance of the ecosystem.

BRINDAVAN GARDEN

As the day drew to a close, we visited the enchanting Brindavan Garden between 5:00pm- 8:00pm, a masterpiece of horticultural artistry. The meticulously landscaped gardens, cascading fountains, and impressive Dasara lightings offered a serene and picturesque setting. The highlight of the visit was the mesmerizing musical fountain display, a captivating spectacle of light, color, and sound that left a lasting impression on all.



DAY 2 – WONDERLA AMUSEMENT PARK, BANGALORE

The second day of the visit commenced with an exciting excursion to Wonderla Amusement Park in Bangalore. The park, a sprawling entertainment complex, offered a thrilling array of rides and attractions for all ages.

The group experienced a whirlwind of excitement, enjoying a variety of exhilarating rides, including heart-pounding roller coasters, thrilling water slides, and captivating shows. The park provided a welcome break from academic routines, fostering teamwork, camaraderie, and a sense of adventure among the participants.

CONCLUSIONS

The two-day industrial visit proved to be a highly successful and enriching experience. The visit to Kaynes Technologies provided invaluable insights into the practical aspects of electronics manufacturing, bridging the gap between theoretical knowledge and real-world applications.

The visits to Mysore Zoo and Brindavan Garden fostered an appreciation for biodiversity, environmental conservation, and the importance of preserving natural habitats. The exhilarating experience at Wonderla provided a much-needed break from academic pursuits, fostering teamwork, camaraderie, and a sense of adventure among the participants.

OBJECTIVES:

- To introduce the basic concepts of environment, ecosystems and biodiversity and emphasize on the biodiversity of India and its conservation.
- To impart knowledge on the causes, effects and control or prevention measures of environmental pollution and natural disasters.
- To facilitate the understanding of global and Indian scenario of renewable and nonrenewable resources, causes of their degradation and measures to preserve them.
- To familiarize the concept of sustainable development goals and appreciate the interdependence of economic and social aspects of sustainability, recognize and analyze
- climate changes, concept of carbon credit and the challenges of environmental management.
- To inculcate and embrace sustainability practices and develop a broader understanding on green materials, energy cycles and analyze the role of sustainable urbanization.

UNIT I ENVIRONMENT AND BIODIVERSITY 6

Definition, scope and importance of environment – need for public awareness. Eco-system and Energy flow– ecological succession. Types of biodiversity: genetic, species and ecosystem diversity– values of biodiversity, India as a mega-diversity nation – hot-spots of biodiversity – threats to biodiversity: habitat loss, poaching of wildlife, man-wildlife conflicts – endangered and endemic species of India – conservation of biodiversity: In-situ and ex-situ.

UNIT II ENVIRONMENTAL POLLUTION 6

Causes, Effects and Preventive measures of Water, Soil, Air and Noise Pollutions. Solid, Hazardous and E-Waste management. Case studies on Occupational Health and Safety Management system (OHASMS). Environmental protection, Environmental protection acts.

UNIT III RENEWABLE SOURCES OF ENERGY 6

Energy management and conservation, New Energy Sources: Need of new sources. Different types new energy sources. Applications of- Hydrogen energy, Ocean energy resources, Tidal energy conversion. Concept, origin and power plants of geothermal energy.

UNIT IV SUSTAINABILITY AND MANAGEMENT 6

Development, GDP, Sustainability- concept, needs and challenges-economic, social and aspects of sustainability-from unsustainability to sustainability-millennium development goals, and protocols-Sustainable Development Goals-targets, indicators and intervention areas Climate change- Global, Regional and local environmental issues and possible solutions-case studies. Concept of Carbon Credit, Carbon Footprint. Environmental management in industry-A case study.

UNIT V SUSTAINABILITY PRACTICES 6

Zero waste and R concept, Circular economy, ISO 14000 Series, Material Life cycle assessment, Environmental Impact Assessment. Sustainable habitat: Green buildings, Green materials, Energy efficiency, Sustainable transports. Sustainable energy: Non-conventional Sources, Energy Cycles-carbon cycle, emission and sequestration, Green Engineering: Sustainable urbanization- Socio-economical and technological change.

TOTAL : 30 PERIODS

OUTCOMES:

- To recognize and understand the functions of environment, ecosystems and biodiversity and their conservation.
- To identify the causes, effects of environmental pollution and natural disasters and contribute to the preventive measures in the society.
- To identify and apply the understanding of renewable and non-renewable resources and contribute to the sustainable measures to preserve them for future generations.
- To recognize the different goals of sustainable development and apply them for suitable technological advancement and societal development.
- To demonstrate the knowledge of sustainability practices and identify green materials, energy cycles and the role of sustainable urbanization.
