Dear Students

Greetings! Hope you are doing well. As per our previous mentions and part of the training modules, the next phase of technical training related is scheduled to get started from 2-10-2020.

All the placement willingness registered students are eligible to participate, and we want you to make the best use of the resource put forward.

You will be grouped into three batches (as per previous training for Apti/Verbal) , and make use of the same.

This month we have recruitment for CTS (mailer with details sent) and TCS (will give directions shortly)

This is expected to be followed by other branded companies.

Apart from this, there are many other organizations which look in for coding based technical skills on which there is potential recruitment possibility.

We have planned for you to take up AMCAT test (as a mock) prior to CTS.

Later , you will have two more opportunities with AMCAT test, and this score is very well valid in the Industrial sector to fetch you a placement.

Just one important point my dear student friends, MAKE USE OF THE RESOURCES AND OPPORTUNITIES AHEAD OF YOU, TO MAKE YOUR LIFE BETTER.

WE NEVER WANT YOU TO REPENT IN THE FUTURE. UNDERSTAND AND DO YOUR BEST.

Best wishes for all your endeavours.

Note: Pl ref to the previous package details mentioned for this year's Training willingness students.

Regards,

Dr.S.M.GiriRajkumar

Dear Students,

Greetings! Hope all of you are staying safe and healthy. The department of T&P supposes that you are all set to participate in the placement training that will be commencing from tomorrow. At this juncture, the following points are for your careful consideration.

- The placement related training is given by our internal faculty members during your previous semesters would have laid a strong foundation on Apti/Reasoning /Verbal skills.
- **The outsourced training conducted from tomorrow (9th Sep 2020)** will improve your proficiency to a very good extent, as the trainers, with vast experience, are basically professionals in their respective areas. You can get exposed to certain shortcuts that would help you solve regular problems, you might be familiar with, in a timely manner.
- Unlike yesteryears, **the training will be conducted online**, a culture that you already incorporated from the beginning of this semester.
- **The link for joining the online training will be shared with you on a Telegram group.**
- **You can join the aforementioned Telegram group by following the invitation link sent to you in a different email.**
- **Depending upon the underlying situation, you may be informed to use the same link for the whole day or different links for different sessions of the day.**
- Since it is an online training, **your attendance (in/out times, the duration of your active participation) for all these days will be automatically recorded** in the meeting platform.
- The schedule of the training is as follows:
 - * Forenoon Session: 09:00 am to 12:15 pm with a 15 minutes break in between
 - * Afternoon Session: 02:00 pm to 05:15 pm with a 15 minutes break in between

- **A faculty representative from your respective department will be surprisingly entering the meeting room** to monitor your activities.
- Please avoid having the preconceived notion that the training will be suitable for Infosys participating students since its conducted just before Infosys drive. The training covers the generic aspects of all company drives only and hence, all participants can benefit a lot.
- After a long struggle, the training has become true now. Therefore, all of you are encouraged to make complete use of this training to crack the forthcoming drives.
- For any issues or queries related to the training, you can always reach us through your department's T&P coordinator.

Best Wishes!

Regards,
Dr.S.M.GiriRajkumar

Dear Students,

Greetings! Hope all of you are busily engaging yourselves in the ongoing Sixphrase training. Considering the topic coverage and requirements of yours, it is decided to extend the ongoing training until this weekend.

- "Practice Makes Perfection". Hence, to make you all become perfect, one practice test per day on a daily basis will be given by you until this weekend.

- Thereafter, **from 21st Sep, Monday the regular theory classes will be resumed for all Infosys non-eligible and placement non-willing students.**

- For the **Infosys eligible students, two practice tests per day will be conducted from 21st Sep to 26th Sep (Mon to Sat day)**. One test will be conducted in the FN session and the other test will be conducted in the AN session.

- **Following each of these tests, a discussion session by Sixphrase trainers** will be held for clearing your doubts. The test and discussion schedule will be communicated to you by this weekend.

- The test reports consisting of your scores will be used at the end of every test to let know where you are and what you are weak at.

- Finally, regarding the Infosys registration issues faced by you, we have been negotiating with Infosys. The issues are expected to be sorted out soon.

Best wishes!

Regards,
