REPORT ON TECHNOBONZA-2K23

Venue: RV BLOCK LAB1 to LAB4, CSE Seminar Hall & JS AND BD Conference

Hall. Date: 16th to 18th Oct 2023

1. Background and objective(s) of the event

Computer Science and Engineering Association events, the background and objectives are centered around the unique needs and interests of professionals, students, and enthusiasts in these fields Industry Relevance, Community Building, Educational Initiatives

Main Objectives: Knowledge Sharing and Professional Development Career and Skill Development, Networking and Community Building, Innovation and Research Promotion, Industry-Student Bridge. CodeywoodV2.0 , It's Me AI Hukum and ProjectExpo 2k23 were the events conducted for the II, III and IV year students. Totally 1094 students participated in various events based on their area of interest as given in the following table:

Event No	EventName	Date	Department & Year of the students	No. of Participants	No. of Prize Winners
1	CodeywoodV2.0	16/10/23	II & III	364	6
2	It's Me AI Hukum	17/10/23	II, III & IV	520	6
3	ProjectExpo2k23	18/10/23	II & III	210	32
Total				1094	44

2. Agenda

Intradepartmental Competitions for the year 2023-24 were organized under the aegis of IQAC of the institution to enhance the technical exposure, showcase project ventures and to enrich the communication proficiency of students. CodeywoodV2.0, It's Me AI Hukumand Project Expo 2k23 were the events conducted were conducted by the CSE department from 16th October to 18th October 2023.

3. Event Summary

3.1 IT'SME-AIKA HUKKUM

"It's Me- AI ka Hukkum" held on October 17, 2023 was an AI- themed event, featuring three rounds that brought together students from various departments, including AIDS, AIML, CSBS, CSE, and IT. Initially, over 258 teams of second, third and fourth-year students registered for the event, demonstrating strong interest.

The Kahoot Challenge was the first round, a fast-paced quiz testing their scholastic and practical implementation using Artificial Intelligence. 77 teams were promoted to the next round, where 64 and 13 teams procured through direct selection and wildcard respectively.

Followed by image generation challenge which we termed as "Anonymous challenge" to test their prompting and analytical skills by providing an AI prompted image as stock. Candidates were insisted to generate the closest image to the image being displayed in stock using "LEONARDO AI" image generator. 36 teams were promoted out of which 26 and 13 teams procured through straight selection and wildcard respectively.

Final round consisted of data visualization and "Coding on AI" based game named as "Maze and Code", where primary platforms being Google Collab and Hackerrank with assistance of ChatGPT and BARD. Candidates being exuberantly aspiring and resilient gave the energy for us to hold the event with high octane. Teams with better problem solving skills and audacious analytical thinking on the specific context hailed the event. Not denying the fact other candidates gave concrete rivalry which felt obnoxiously good during evaluation.

Position	Team Name	Team Member 1	Team Member 2	Department and Section	Year
Winner	VP	Vairavan M	Pragadiswar R	CSE-B	III
Runner Up I	Steel Heartz	Goppykrishna M	Hariharan T	CSE-A	III
Runner Up II	Batbyte	Aashifa Parveen A	Karthik Sriram B	AIDS-A	III

3.2 CODEYWOODV2.0

Codeywood-V2.0, held on October 16, 2023, was an exciting coding competition featuring three rounds that brought together students from various departments, including AIDS, AIML, CSBS, CSE, and IT. Initially, over 180 teams of second and third-year students registered for the event, demonstrating strong interest.

The Kahoot Challenge was the first round, a fast-paced quiz testing coding knowledge. 90 teams advanced to the next round, representing various departments. The HackerRank Competition followed, diving deeper into coding abilities and problem-solving skills. 30 teams made it through this challenging round, highlighting the competition's intensity. In the final round, the Online Compiler Challenge, participants had to write and execute real-time code. The top three winning teams, comprising students from different departments, demonstrated exceptional coding skills:

Position	Team Name	Team Member 1	Team Member 2	Department	Year
Winner	Imagine Child works	Sudarsan S	Reneil Joshua S	CSE	III
Runner Up I	The X-Calibers	Roshan Kumar B	Tejasram B	AIDS	III
Runner Up II	Moon Coders	Barath B	Abirami V	CSE	III

These teams emerged as champions, showcasing their coding skills and problem-solving abilities, fostering healthy competition and collaboration in the coding community. Codeywood-V2.0 promises to return with more enthusiasm and new challenges, highlighting the passion and skill of coders among second and third-year students from diverse academic backgrounds.

3.3 PROJECTEXP02K23

“Project expo” held on October 18, 2023 was an project presentation , featuring two rounds that brought together students from various departments, including AIDS, AIML, CSBS, CSE, and IT. Initially, over 67 teams of second-year and third-year students registered for the event, demonstrating strong interest. In the First round, each participant demonstrated their ideas through ppts and judges evaluated them based on idea and implementation throughout the 6 RV-Labs (1- 6). Then the participants were carefully filtered based on the score provided by the judges and Top 25 teams were advanced to the next round. The Second round (Final round) consisted of 25 teams each team was allotted equal time to showcase their projects to the final round panel of judges focusing on various aspects such as Problem identified, existing solution, proposed solution, technology used and their innovating ideas were evaluated. The participating teams showed great enthusiasm towards the event and presented their project in well explained manner. Finally Top 9 teams from the final round were announced as the winners based on their idea, implementation and way of explaining. The winning teams consisted of all the departments which were eligible for the event.

TURING'S GUILD

A STUDENTS INITIATIVE

About us:

“**Turing’s Guild**” – A Student Initiative club is formed to involve IV year CSE students to organize and participate in various club activities to develop their coding skills, Aptitude, Logical Reasoning, Communication skills and enhancing their leadership quality through organizing those events in inter department activities through this club.

VISION OF THE CLUB:

- To give students the skills, confidence and opportunity to grow towards enhancement of code skills.
- To value our thoughts, new ideas and team works.
- We believe in working and learning together.

MISSION OF THE CLUB:

- To create a friendly, fun and supportive environment to develop logical thinking and programming skills together
- To provide students a forum to discuss concerns, engage in learning activities.

OBJECTIVE:

- Help students to develop leadership skills
- Help students to develop in academics and placement

During his presidential address, Mr. Srinivasan.S, Technical Lead at Infosys Ltd in Chennai, emphasized the significance of students establishing ambitious objectives and the importance of programming languages in the industry. Mr. Srinivasan bridged the gap between the students and himself, encouraging students to ask questions when they had doubts. He explained the complete structure of GOLANG standards with a few examples. The workshop was highly constructive for the students.

The staff coordinator, Ms. J. Sangeethapriya, and Mr. R. Rengaraj helped ensure the smooth functioning of the event. Mr. P. Kumarakabilan delivered a vote of thanks and concluded the event.

SCE/IT/2023/Motivation Speech on “Importance of Higher Education in Abroad”

The Department of Information Technology took the initiative to organize a comprehensive meeting dedicated to 64 third-year students. The primary objective was to delve into the transformative aspects of education, particularly emphasizing the role of digital technologies. Drawing inspiration from a session conducted by Manya Technologies, the meeting aimed to equip students with essential knowledge for pursuing higher education abroad.

Adding a warm touch to the session, our esteemed Head of Department, Dr. R. Thillaikarasi Mam, welcomed the Manya Technologies team with an encouraging speech. She highlighted the importance of such collaborative initiatives in broadening our horizons and preparing us for the global challenges in the educational domain. Her insights set the tone for an engaging and informative session.

The session provided a detailed overview of the significance of international exposure in personal and professional development. The expert speaker highlighted key standardized exams such as IELTS, TOEFL, GRE, and GATE, offering valuable insights into their relevance in the university selection process. This information became pivotal for the attendees, aiding them in making informed decisions about their academic journeys.

The engagement fostered a clearer understanding of the global education landscape and the intricacies associated with exams crucial for admissions. The Department of Information Technology played a crucial role in facilitating an environment where students could gain insights into the evolving nature of education and the opportunities that lie ahead. The initiative reflects the department's commitment to providing holistic educational experiences and preparing students for the challenges and opportunities in the ever-changing educational landscape.

ENGINEER'S DAY REPORT 2023

- The "Engineer's Day" was commemorated on September 15, 2023 by the Department of Electrical & Electronics Engineering at Saranathan College of Engineering. A guest lecture titled "Fuzzy Reasoning for Electrical Engineering Technology" was organized by Institution of Engineers India (IEI) students' chapter, EEE Department, Saranathan College of Engineering in view of the 56th Engineers' Day Celebrations.

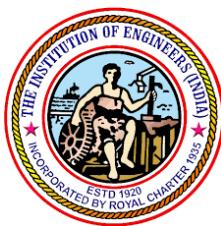

- The function commenced at 3:15pm at the EEE Seminar Hall. A total of 7 professors and 53 students participated in this particular event. The proceedings commenced with a ceremonial college prayer song, which was then followed by the rendition of the Tamizh Thai Vazhthu. The dignitaries expressed their homage to Sir Mokshagundam Visvesvaraya through floral tributes. The video presentation elucidated the rationale for the commemoration of Sir Mokshagundam Visvesvaraya's birthday as "Engineer's Day." Mr. M. Hariharan, the Chairman of the IEI student's branch, extended a warm welcome to the gathering.

- Professor Dr. V. Mohan, delivered the presidential address, emphasizing the importance for students to set ambitious goals and cultivate unwavering self-assurance. He further emphasized the need of individuals recognizing their own strengths through self-assessment prior to embarking on a professional path. The individual engaged in a comprehensive discussion pertaining to fuzzy reasoning within the field of Electrical Engineering Technology, accompanied by a multitude of illustrative instances from real-world scenarios.
- The new office bearers were introduced by the student chairman of IEI. The Vice Chairman of IEI, Ms. N. Sharulatha proposed the vote of thanks. The function concluded with the National Anthem.

Report of All India Workshop on “Artificial Intelligence and Machine Learning Applications in Electrical Engineering”

On September 20th and 21st, 2023, a two-day All India workshop on "Artificial Intelligence and Machine Learning Applications in Electrical Engineering" was organized by the IEI Trichy local center in collaboration with the Department of Electrical and Electronics Engineering at Saranathan College of Engineering. Around 70 students, research scholars and faculty members from various institutions participated in the workshop. The event commenced with the college prayer song, which was followed by the recitation of the Tamil Thai Vazthu.

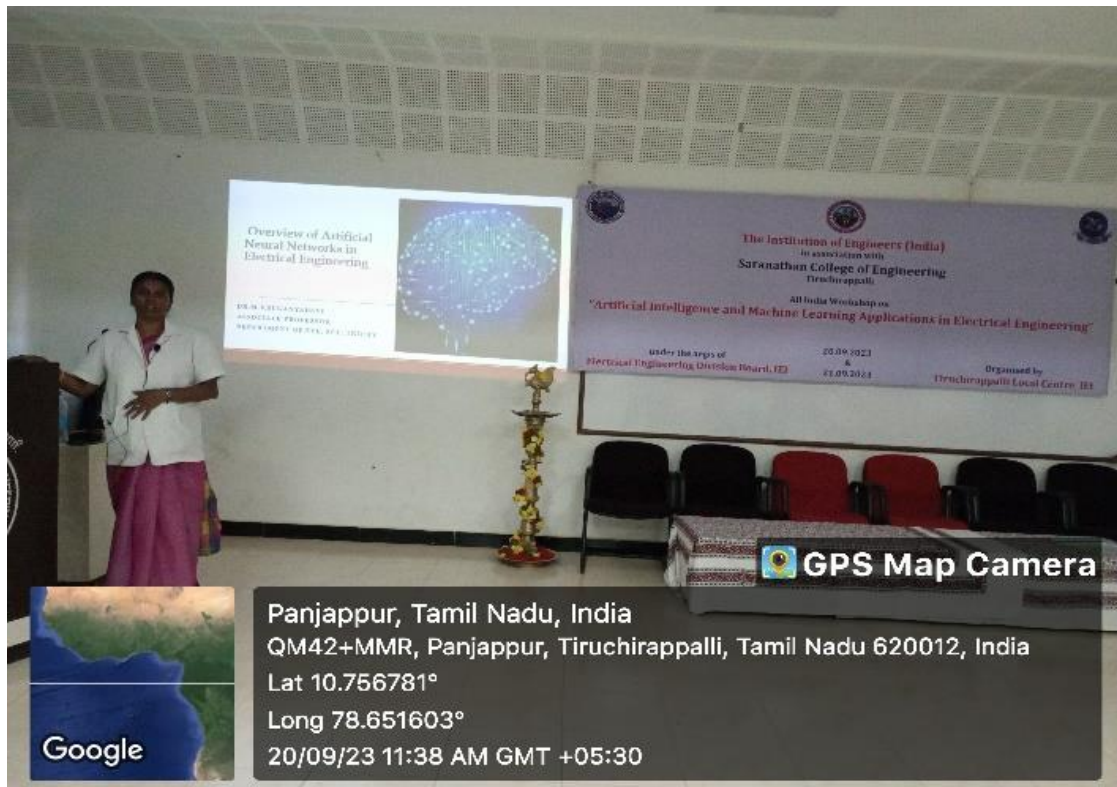

The greeting address was given by Dr. S. Dharmalingam, convenor. The resource persons light the holy lamp (kuthu villaku) to mark the auspicious beginning of the event. Dr. D. Valavan, Principal, Saranathan College who was presiding over the inaugural function was introduced to the audience by Dr Vijay, Assistant Professor Department of Electrical & Electronics Engineering. Dr.D.Valavan,gave the presidential address. Er. M.S. Ramesh, former General Manager, BHEL Tiruchirappalli, the chief guest of the occasion, was introduced by Dr S. Dharmalingam. The chief guest in his keynote address emphasized the significance of "Artificial Intelligence and Machine Learning Applications in Electrical Engineering." Dr. Kevin Ark Kumar, Honorary Secretary of the Institution of Engineers India (IEI), Tamil Nadu Tiruchi Local Centre (TLC) also spoke. Dr.R.Natrajan, Head, R&D and Dr.C.Krishna Kumar, HoD/EEE graced the occasion by their presence.

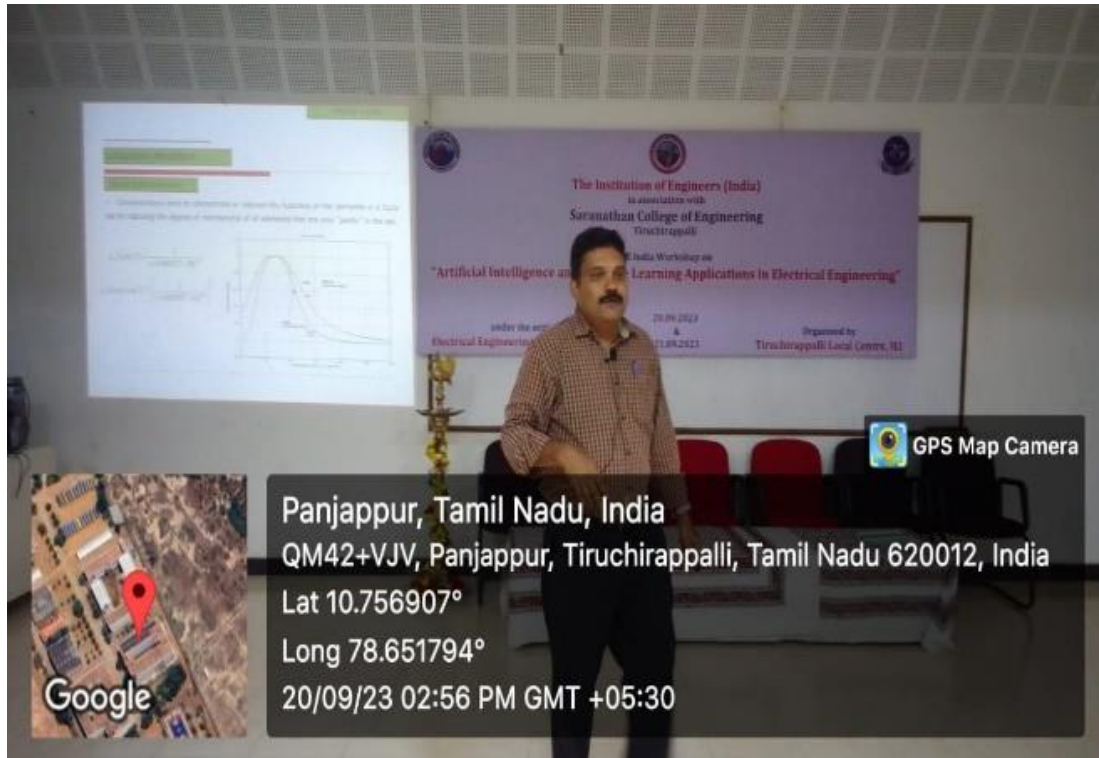

SESSION 1: 20.09.2023 from 11.30 AM – 13.15 PM

- The opening session of the workshop was handled by Dr. M.V. Suganyadevi, Associate Professor in the Department of Electrical and Electronics Engineering at Saranathan College of Engineering in Trichy.
- Her lecture focused on "An Overview of Artificial Neural Networks in the Field of Electrical Engineering."

SESSION 2: 20.09.2023 from 2.00PM – 3.15PM

- The second session of the day was handled by Dr. Sishaj P Simon, Professor, Department of Electrical and Electronics Engineering, National Institute of Technology, Trichy.
- The presentation was on "Utilization of Fuzzy Logic Systems in Engineering."

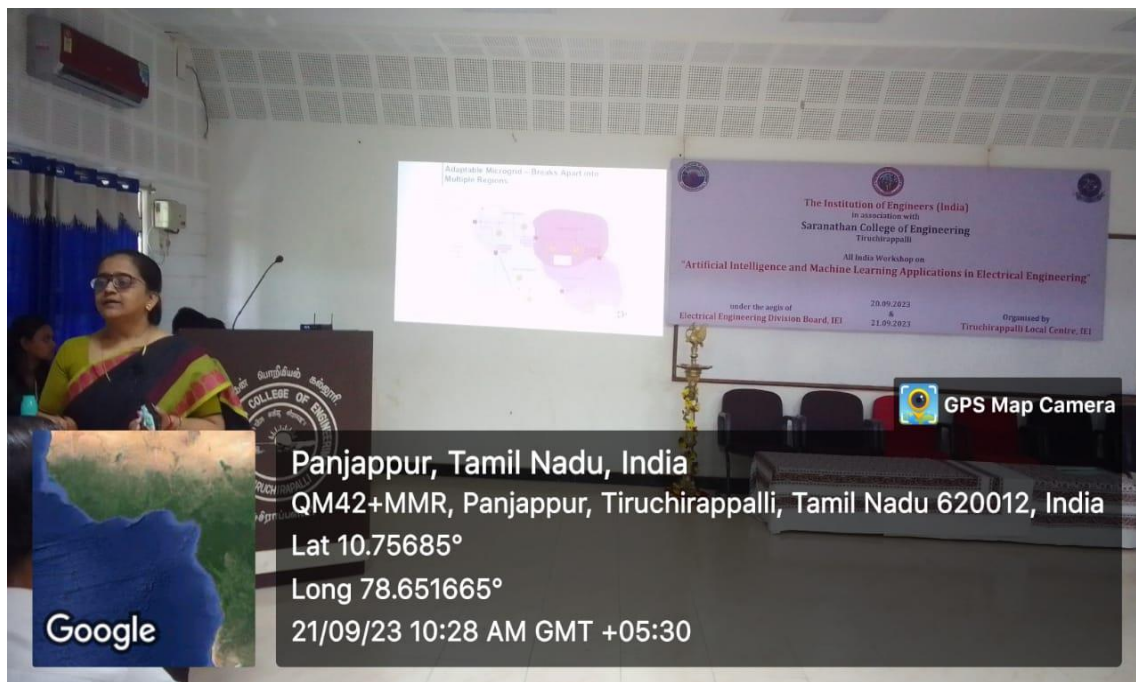

SESSION 3: 20.09.2023 from 3.30PM - 4.45PM

- The session was handled by Dr. S. Moorthi, Associate Professor, Department of Electrical and Electronics Engineering, National Institute of Technology, Tiruchirappalli.
- The session was on the "Signal Processing algorithm and its Techniques."

SESSION 4: 21.09.2023 from 9.45 AM – 11.15 AM

- The session was handled by the expert, Professor M. Venkata Kirthiga from NIT Trichy.
- She delivered a talk on "Applications of Expert Systems in Power Systems and Power Electronics."

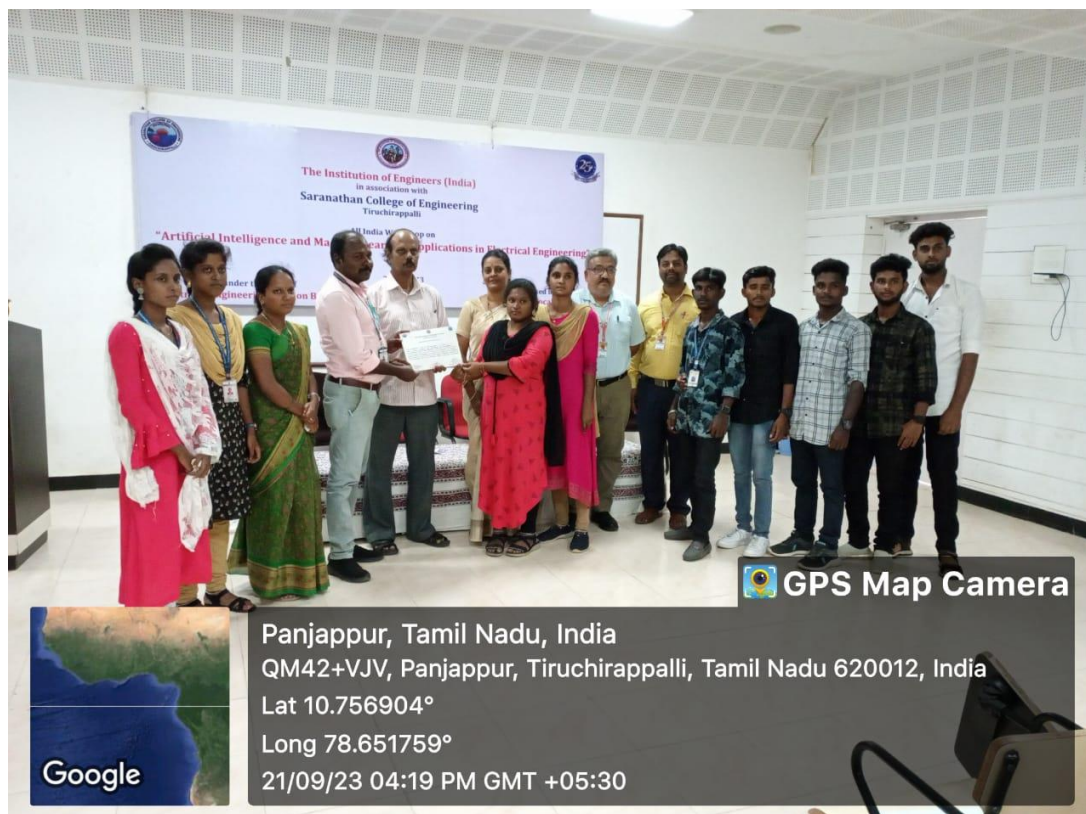

SESSION 5: 21.09.2023 from 11.45 AM – 1.15PM

- It was handled by the resource person Dr S. Ravimaran, HOD/AIDS, Saranathan College of Engineering, Trichy.
- His session centred around the subject matter of “Power System optimization using ML and DL techniques”.

SESSION 6: 21.09.2023 from 2.00PM – 3.15PM

- The session was handled by the resource person Dr K. Geetha, Associate Professor, School of Computing, SASTRA University, Thanjavur.
- She delivered the talk on the subject of “The Next wave of Artificial Intelligence in Electrical Engineering”.

- The event ended with the distribution of certificates and a vote of gratitude delivered by Dr. C. Krishnakumar, Head of the Department of Electrical and Electronics Engineering, Saranathan College of Engineering, Tiruchirappalli.

Report of One-day Workshop on “Solar Power Plant Design Using PVSYST”

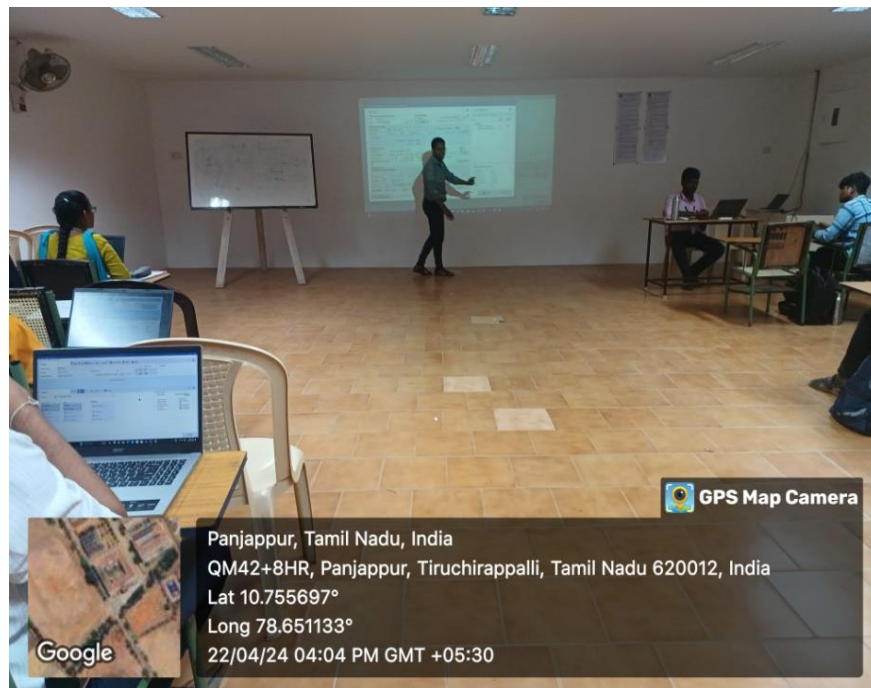

A one day workshop on “Solar Power Plant Design Using PVSYST” was convened by IEI Students’ Chapter of the Department of Electrical and Electronics Engineering, Saranathan College of Engineering on 22nd April 2024. Third year students of EEE participated in the Workshop. Dr.C. Krishnakumar, HoD, EEE Department gave the welcome address and Dr. R. Vijay Assistant Professor, EEE Department, Saranathan College of Engineering introduced the speaker and also highlighted the importance of PVSYST in solar power plant design.

Mr. S. Suriya Kumar delivered the inaugural address and continued the technical session along with his colleague Mr. R. Pradeep. During the session, he explained the design of Solar Power Plant using PVSYST, Selection of PV panel based on their types and sizing of PV panel array.

The afternoon session was exclusively dedicated to the hands-on training in PVSYST software. The students enthusiastically interacted with the resource person during both the sessions and gave the feedback about the session.

At the end of session, the resource person appreciated all the students for their active interaction and feedback. The session was concluded with the vote of thanks by Ms. Sharulatha, Third year EEE.

Headline:

ICETECH – Technical Association of ICE Department organizes a Guest Lecture on the topic ,
“Success Prescription”

Description:

- The Guest Lecture was conducted on 29.08.2023 between 3:15 PM to 4:45 PM in ECE Seminar Hall.
- The Guest speaker was Mr.S.Venkatasubramanian, Associate Professor, Department of Computer Science and Business Systems.
- The MC desk welcomed the gathering with a positive note. Then the Prayer song and Thamizhthaaai vaazhthu was played.
- Mr.Shujath Ali Khan of III year gave a welcome speech.
- Our Head of the Department, Dr.S.M.Girirajkumar welcomed and honored the Guest with a token of gratitude.
- Mr.Fayiq and Ms.Deepthi of III year delivered an overture about the Chief guest.
- The Guest speaker started the session by insisting the importance of happiness and how happiness plays a key role in each of our lives. He then articulated about the Story of Dragonfly and story of a pencil where appearances can be deceptive and only inner beauty matters.
- He shared his past experience and nostalgic moments he had with our college and management.
- He motivated the students to implement four important things like Reading, Writing, Art and Arithmetic to excel in their life
- He then beautifully explained that courage is not absence of fear, it is progress in presence of fear.
- At last he concluded the session by saying a Sanskrit Slogam about what are the the 5 qualities to be possessed by a Student and also showed some motivational videos related to prescription for life.
- It was overall a wonderful session where both the faculty members and students found fascinating.
- The vote of thanks was delivered by Mr.Mukesh of Final Year.

ICETECH – Technical Association of ICE Department organizes a Guest Lecture on the topic ,“
Navigating your Career journey”

Description:

The Department of Instrumentation & Control Engineering hosts activities throughout the semester with the goal of improving students' skills and raising their awareness of new and developing technology. In the 2023-2024 Even semester, the ICETECH, Technical Association of ICE Department organized a Guest lecture in the topic "Navigating your Career journey" on 20.03.2024 at ICE Seminar Hall. The Guest speaker is Mr. A. G. Ahamed Zuhoor, a Notable Alumni of our college, who is currently working as a Design Automation Engineer in Siemens, Bangalore. He has started the lecture with a brief introduction about ICE Engineer's role in Industries. He strongly insisted about how to build a successful career in today's dynamic and constantly changing employment market takes more than simply a strong CV and a few years of experience and its correlation with flexibility, smart thinking, and ongoing personal development.

He discussed about the interfacing of software and hardware in industry through ICE engineer and the importance of technical knowledge towards it. He shared his experience on how to explore the other side of the world by attending competitions and workshops. He also explained about the job market where skills play a major role in deciding the job and how to enhance our skills. He suggested learning software like AutoCAD and LabVIEW. Finally he concluded with the importance of becoming financially independent to achieve our goals. The training session was deemed interesting and instructive by the students unanimously.

“ The Future of Instrumentation Engineering : Industry Outlook and Trends”

Description:

The Department of Instrumentation & Control Engineering organizes events aimed at enhancing student's abilities and increasing their consciousness of emerging technologies. In the 2023-2024 Even semester, the ICETECH, Technical Association of ICE Department organized a Guest lecture in the topic "The Future of Instrumentation Engineering: Industry Outlook and Trends" on 03.06.2024 at ICE Seminar Hall. The Guest speaker is Mr.M.Fahad, a Notable Alumni of our department, who is currently working as a Design Verification Engineer in Wipro, Bangalore. He has started the lecture with a brief introduction about scope of Instrumentation in both Software and hardware Industries. He strongly insisted about how to build a successful Resume for fetching good jobs.

He discussed about VLSI, ChatGPT and processors used in Semiconductor industries. He gave guidance on how to go to different parts of the world by participating through workshops and competitions. He also explained about how to develop skills required for getting core jobs. He also discussed about how to strengthen aptitude skills and to be strong in basics. Finally he concluded with the importance of latest technologies used in Hardware industries. Each and every student thought the training session was both fascinating and educational.

Awareness programmes against Sexual Harassment Redressal Committee conducted during the year 2023-2024

In observance of the **International Day for the Elimination of Violence against Women**, a special awareness program was organized to address mental well-being and stress management. A guest lecture on "**Stress Management**" was conducted on **December 8, 2023** as part of this initiative.

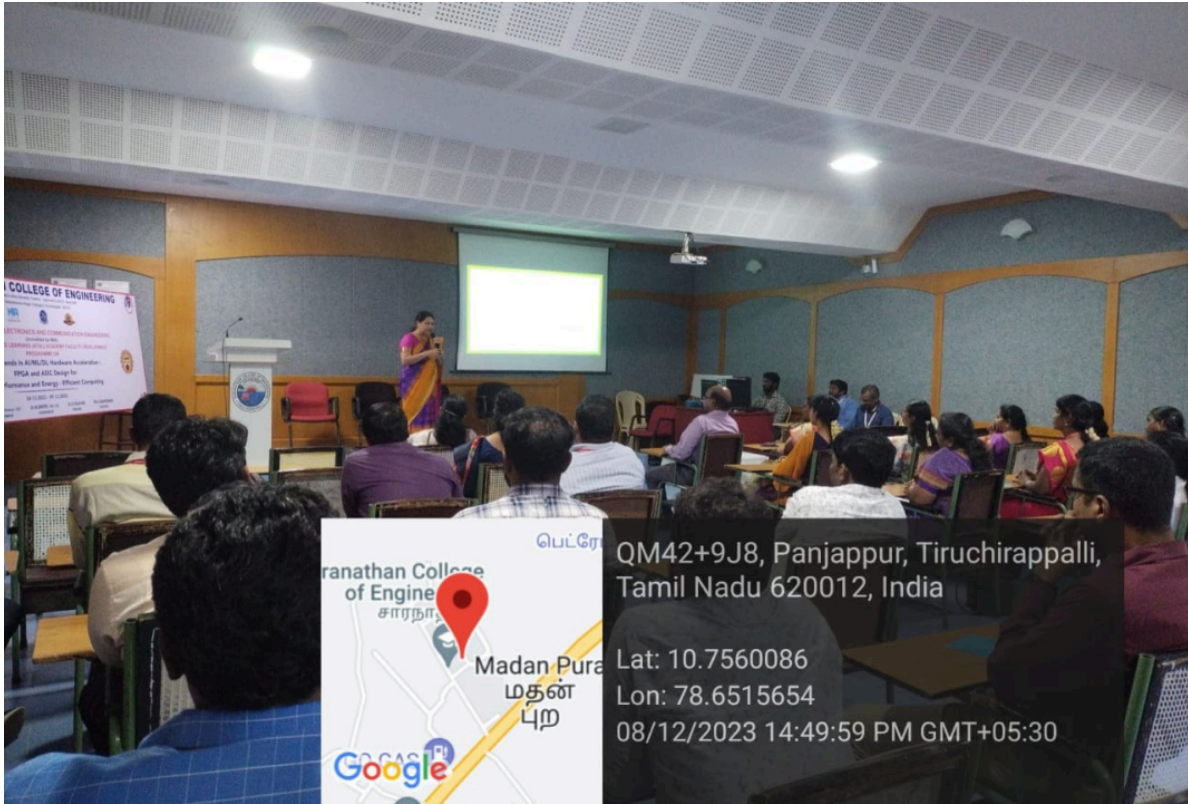

Dr. N. Gayathri, M.D., D.N.B (O&G), **Gynaecologist, Shyamala Nursing Home, Trichy**, was invited as the resource person. She delivered an insightful session on effective techniques for managing stress, particularly for women balancing academic, professional, and personal responsibilities.

The session covered:

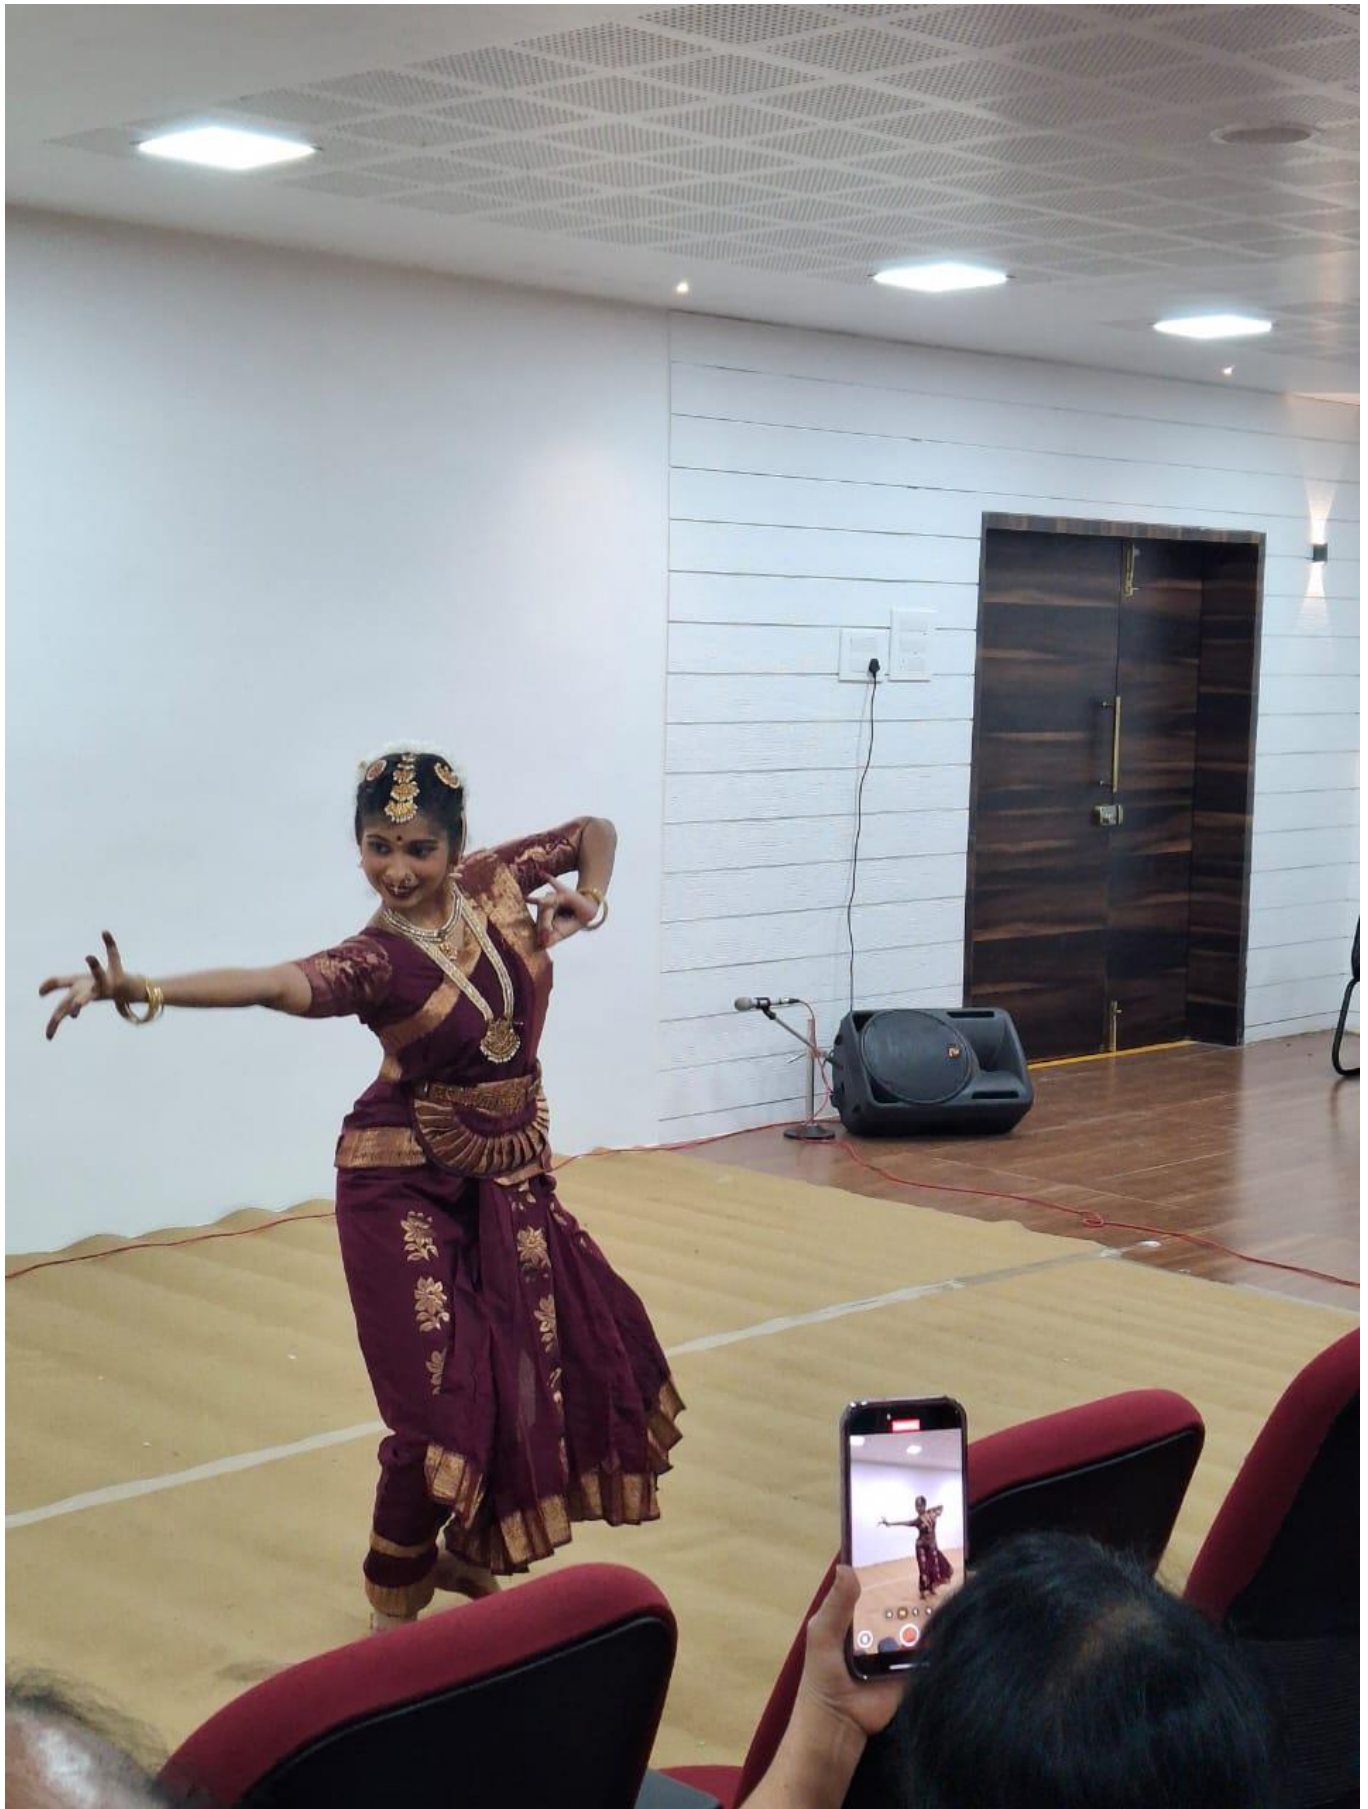

- **Understanding Stress:** Causes and effects of stress on physical and mental health.
- **Coping Mechanisms:** Practical strategies such as mindfulness, relaxation techniques, and time management.
- **Work-Life Balance:** Tips for handling stress in academic and professional life.
- **Q&A Session:** An interactive discussion where faculty raised stress and mental well-being queries.

The event witnessed active participation from the faculty members, who found the session highly beneficial. The program concluded with a vote of thanks, appreciating the speaker's valuable insights and contributions.
