The following points were discussed in the meeting.

1. HOD conveyed that HoDs meeting was held with the Principal today morning and various suggestions related to IA test were given by all the departments. Some points were discussed in the meeting based on the feedback comments received from the students during class committee meeting. It has been planned to conduct one subject test per day for IA tests. It has also been suggested that two IA test and one model exam can be conducted. There is no makeup test as students should know the seriousness to pass in the IA test. HOD informed that the final decision regarding this will be disclosed in the next meeting.
