REPORT ON DE-SILTING OF LAKE

The Honourable District Collector, Tiruchirapalli had convened a meeting on 17-07-19 with the Principals of the Private Educational Institutions on de-silting of lakes nearer to their respective institutions in Trichy District. As a Social Responsibility initiative and on a self Financing basis, Shri.S.Ravindran, Secretary of the Saranathan College of Engineering has immediately accepted and agreed to coordinate with the district administration to carry out de-silting and reactivating the lake(approximately 10 acres) that is behind our college and make it ready to receive and to store more rain water. After getting the approval from the District Administration, the college started to de-silt the lake with pooja on **31-07-19** in the august presence of Mr.Sibi Adhithya Senthil Kumar I.A.S, Sub- Collector, Srirangam, Shri.S.Ravindran, College Secretary and Dr.D Valavan, Principal. Also Heads of different disciplines, NSS Programme Officer of the college, Village Administrative Officer, Village people and college students participated in the function. The work got started on the same day of pooja and was successfully completed on 29-08-19 by de-silting 10 acres of land under the supervision of 32 NSS volunteers for the entire work. The work was completed in record time of 21 days. Now the lake is full of water and this will lead to increase in ground water level and will also serve the need of local residents.
