Dear Professors,

Infosys, Eco club have planned to do one day-tree Plantation Programme(Maximum 50 Plants) in our college before the end of July 2016(on any working Saturday).

In order to undertake the Programme in a systematic way , we are required to create Eco club in our college as it plays an important role in creating environmental awareness amongst the future generation.

We have a wonderful opportunity to create awareness, build attitudes, and help the students to take up activities.

Interested faculty members in forming the Eco club are requested to contact Ms. M. Padmapriya/IT Dept.

The other details of the tree plantation event will reach you closer to the date.
