31-07-19 -22-08-19 REPORT ON DESILTING OF LAKE – INAUGURATION

The Honourable District Collector, Tiruchirapalli had convened a meeting on 17-07-19 with the Principals of the Private Educational Institutions on desilting of lakes nearer to their respective institutions in Trichy District. As a Social Responsibility initiative and on Self- interest Financing basis, Shri.S.Ravindran, Secretary of the Saranathan College of Engineering has immediately accepted and agreed to coordinate with the district administration to carry out desilting and reactivating the lake(approximately 10 acres) that is behind our college and make it ready to receive and to store more rain water. After getting the approval from the District Administration, the college started to desilt the lake with pooja on 31-07-19 in the august presence of **Mr.Sibi Adhithya Senthil Kumar I.A.S Sub- Collector , Srirangam** , Shri.S. Ravindran, College Secretary and Dr.D Valavan, Principal. Also Heads of different disciplines, NSS Programme Officer of the college, Village Administrative Officer, Village people and NSS volunteers participated in the function. 32 volunteers were involved in desilting the tank for about 21 days at the cost of 8 lakhs

Saranathan College to be honoured by dist administration for desilting tank

Trichy: Saranathan College of engineering here will be honoured by the district administration for bringing to life an irrigation tank behind its campus as it is brimming with water in the recent rains. Spread over 10 acres, this minor irrigation tank was re-silted recently by the college with the help of locals and student volunteers. The college is perhaps the first in the district to be recognised with an appreciation certificate from the district administration and will set an example for others, said district collector S Sivarasa. The college took up desilting works on water bodies in its surrounding area in July this year. The task was taken up as part of corporate social re-

TANKS IN DETAIL

ponsibility activity. College secretary S Ravindran said that 32 NSS volunteers supervised the entire work and completed it 21 days. Saying there are around

500 minor irrigation tanks in the district which need desilting, the collector said that every college in the Trichy district, especially on the outskirts, will have a wa-

ter body in 1.2 km radius. Colleges can come forward to de-silt water bodies under their corporate social responsibility scheme, he said.

150th M.G Birth Anniversary

Our honourable **Prime Minister** Shri. Narendra Modi had insisted the people of the nation to avoid single-use plastic and had requested that in way of celebrating the hundred and fiftieth birth anniversary of the father of our nation, Mahatma Gandhi, a foundation for the revolution against plastic should be laid. Our beloved Secretary, **Shri. S. Ravindran**, who has always strived to make our campus clean and green, had already initiated the fight against plastic, more than a year back, in our college by banning the use of plastic in our premises and issuing cloth bags to all the faculty members so as to reduce the use of plastic both within and outside the campus. In an effort to strengthen and fasten the move towards plastic-free campus, our NSS volunteers will visited all the departments and classrooms on **18.9.2019, 25.9.2019 and 1-10-2019** to collect the plastic items
