

SARANATHAN COLLEGE OF ENGINEERING

Venkateswara Nagar, Panjappur, Tiruchirappalli – 620 012

NATIONAL EDUCATION DAY

A webinar titled “**Recent Realization in Education**” by **Sri.Achutharaman Rangachari**, Founder & CEO, Gredskey, Bangalore was organized on the occasion of **NATIONAL EDUCATION DAY**. This webinar was held on **11-11-2020** at **10 a.m.**

The event started with our college prayer song followed by Thamizhthai Vazhthu.

Dr.S.M.Girirajkumar, HoD/ICE Welcomed the gathering and introduced the chief guest.

The chief guest delivered the lecture on “**Recent Realization in Education**”. He explained about the challenges faced by the faculty in 3 categories: 1) This generation students, 2) Networking and 3) Grab the opportunities and suggested solutions for each of those problem areas

When covering **This generation students** , he suggested that by conducting MCQ tests, inclusion of the students in problem solving, playing videos, etc. one can ensure the students are attentive in the class.

When discussing **Networking**, he suggested to form networking with various people working in their respective domain and arrange for workshops or lectures to broaden knowledge and awareness.

When elaborating on **Grab the opportunities**, he asked the faculty members to cultivate the capability of delivering guest lectures to other colleges, organizing workshops, doing collaborative projects with other institutions thus bringing a favorable brand name to the faculty and in turn to the college.

He also explained about the expectations of the industries such as coding skills and Problem-solving skills – problems that are real life problems He stressed the need for and importance of existence of a vibrant Industry-Institute Collaboration.

The function ended with Dr.M.Santhi, HoD/ECE proposing a Vote of Thanks.
