S.No.	Points Discussed	Response from other members	Target Date	Responsibility
1.	Chairperson welcomed the members of this meeting.			
2.	The IQAC coordinator presented the actions taken against the points discussed in Second Quarterly Meeting 2023-2024.			
3.	Activities during the period ( <b>December 2023 to February 2024</b> )			
	Academic Activities	The principal asked the professors and heads of departments to honestly determine the curriculum gaps that needed to be filled in order to meet industry demands. The members have suggested to plan for suitable remedial measures by considering the IA test performance of the students before the commencement of end semester examinations.	Continuous	All faculty
	Faculty activities	The principal has requested the faculty members to attend and organize faculty development programmes exclusively for the subjects in various verticals of AU regulation 2021.	Continuous	All faculty
	Research and Development	Given the great potential of generative AI, the members of the IQAC have proposed hosting student contests and webinars in the area of real-time AI systems.	Continuous	All faculty
	Student Development	Members have discussed about the fixation of course target and attainment levels. Members have suggested offering students industry supported value-added courses on current trends.	Continuous	All faculty and students
	Placement activities	Company specific training modules have been developed in Neopat portal and the students have been encouraged to make use of the same.	Continuous	T&P Cell
4.	General points discussed	The members have requested the mentors of the students to monitor the students especially the performance of Neopat tests and provide appropriate guidance.	Continuous	Mentors
5.	Concluding remark by IQAC Coordinator IQAC coordinator concluded the meeting saying that the suggestions given by members will be considered and action taken will be reported in the next IQAC meeting. Chairperson thanked all the members.
