### **Cognizant to hire 100,000 people to mitigate the impact of elevated attrition**

Cognizant on Thursday said it is looking to hire around 100,000 experienced professionals in 2021 and to train close to 100,000 associates, in order to offset the impact of elevated levels of attrition.

The US-based company that has over two thirds of its employees in India reported attrition of 31% in the second quarter, the highest among IT services companies in the three-month period between April to June. In the previous quarter, Cognizant quarterly annualised attrition at 21%. Voluntary attrition in the second quarter stood at 29%. The company has over 301200 employees
