CERVICAL CANCER TEST FOR WOMEN

Saranathan College of Engineering organized a voluntary **pap smear test** as a token of respect for women on account of women's day celebration to raise awareness about **cervical cancer** among female staff members.

In conducting this clinical examination, our management took guidance from its respective hospital's management authority. Female staff members above 35 years of age undergone pap smear test for free of cost on March 06, 2021. The screening test was carried out in Shyamala Nursing Home, Cantonment, Trichy and Lalitha Nursing Home, Thillai nagar, Trichy.

All female staff members shared their heartfelt thanks to management for taking an initiative toward a more progressive and healthy society for Women.
