Dear SSC Members of faculty of ICE (ECE Group),

We thank you for the active participation in the Syllabus Sub Committee meeting held on 07.06.2022 to discuss the curriculum of B.E.ECE and B.E. ETE of Regulations 2021. Now we have to work on the detailed syllabus for all the courses. Please find a **google spreadsheet** (link :[https://docs.google.com/spreadsheets/d/1oYi7nq\\_d6R1PH1-A3uE06qwogoMLTQI7/edit?usp=sharing&oid=102998362397844129818&rtpof=true&sd=true](https://docs.google.com/spreadsheets/d/1oYi7nq_d6R1PH1-A3uE06qwogoMLTQI7/edit?usp=sharing&oid=102998362397844129818&rtpof=true&sd=true)) shared, that has a list of PCC (Professional Core courses) and the Verticals. You are requested to identify your choice of subject/s for preparing the syllabi and fill in your name against the subject/s in the **column k**. Also If a subject choice is picked by more than one member (by filling in the name against the subject in the next column l in the spreadsheet), those members can form a **special interest group** for the subject and interact to prepare the syllabi inline with the recommendations **before the proposed next meeting schedule**.

Please note that there is one significant change in the number of credits allotted to the electives in the verticals. We had decided on 4 credit electives, however, since the students have the choice of choosing across verticals of different branches, we need to maintain uniformity in the number of credits allocated across different programs. Hence, the **credit assignment for the verticals** identified under each of the programmes under this group, shall follow the **L T P C pattern [2 0 2 3]**.

The **Programme coordinators** shall review the prepared syllabi and ensure the timely completion of the exercise. The next meetings of the SSC are scheduled on **25th (SATURDAY)** of June 2022 in the **online mode**. The invitation for the next meeting will be sent shortly.

Your kind cooperation in this regard is solicited and highly appreciated.
