DEPARTMENT OF CIVIL ENGINEERING

Action taken report

Academic year / Semester: 2021-2022 / ODD semester

The student's feedback about the subject handling staff during this semester is attached above. Based on the above, the following faculty members (below 60%) were called for a meeting with the Principal in Google meet platform

| S.No. | Staff Code | Branch / Sem | No. Of Student | Subject Code/Name | Total (Out of 100) |
|-------|---------------|--------------|----------------|--|--------------------|
| 1 | Kesavaraja-ce | CIVIL-A/5 | 38 | CE8005/Air Pollution and Control Engineering | 57.16 |

The teacher was communicated about his feedback and was advised to take more efforts to improve his performance by the Principal. The Principal and senior faculty members suggested some ideas to improve his performance in the upcoming semesters

Minutes of mentor meeting with adopted students

Name of the Mentor: Mr.S.Kannan, Assistant Professor, Civil

The meeting was conducted on 06.08.2021 in Google meet during Lunch break.

The following points were discussed in the meeting:

1. Instructions on Dress Code (Formal Dress, ID), Class Discipline and Mobile Phones were discussed and students were insisted to follow the rules.
2. Internal Assessment Test-1 portion completion status, understanding of the subjects and recommended text books were discussed. It was found that all the Faculty members were completed their portion as per the planner.
3. Students were motivated to participate in Extra and Co-Curricular activities to improve their personality.
4. Inauguration of Civil Engineering Students Association schedule and other details were discussed.
5. All the students were instructed to maintain their Class Notes regularly which will be useful during exam time.

Minutes of mentor meeting with adopted students

Name of the Mentor: Mr.S.Kannan, Assistant Professor, Civil

The meeting was conducted on 21.12.2021 in Google meet during Lunch break.

The following points were discussed in the meeting:

1. Students requested to arrange more Industrial Visits.
2. All the students were instructed to write Class Notes then and there which will be useful during exam time.
3. Faculty members motivated the students to involve in Extra and Co-curricular activities.
4. Students were insisted to undergo In-Plant Training during even semester holidays.
5. Class Coordinator instructed the students not to avail leave without any genuine reasons.
6. Students requested to provide important questions for all the subjects before the Internal exams.

Minutes of mentor meeting with adopted students

Name of the Mentor: Ms. S.Kannan, Assistant Professor, Civil

The meeting was conducted on 06.04.2022 in Google meet during Lunch break.

The following points were discussed in the meeting:

1. Students requested to arrange Guest Lectures from Industry Experts periodically to gain more practical knowledge.
2. All the students were instructed to write Class Notes then and there which will be useful during exam time.
3. Students requested more tutorial hours for analytical subjects.
4. Faculty members motivated the students to involve in Extra and Co-curricular activities.
5. Students were instructed to strictly not use the mobile phones in the college premises.
6. Students requested for revision classes before each IA Tests.
7. Students requested to give more time for Project works.

ACTION TAKEN BY FOR THE MINUTES OF CCM - III year Civil

HoD discussed with the Class Coordinators about the minutes of the CCM. The following actions were taken.

- NPTEL Video Lectures were shown to students through online.
- Based on University Exam Results, Slow learners were identified and motivated to practice more problems in tough subjects.
- Various lecture videos by experts were shown to students through google class room which will enrich the students knowledge apart from class room listening.

ACTION TAKEN BY FOR THE MINUTES OF CCM - IV year Civil

- HoD discussed the minutes of CCM with the Faculties and Students in google meet platform.
- Dress Code should be followed strictly. Insisted students to attend all classes and should prepare well for IA. Industrial visit request cannot be considered in this semester due to pandemic. Students were insisted to be ready for offline mode exam.
- Motivated the students in participating in various webinar and workshop conducted in online mode

ACTION TAKEN BY FOR THE MINUTES OF CCM - III year Civil

HoD discussed with the Class Coordinators about the minutes of the CCM. The following actions were taken.

- NPTEL Video Lectures were shown to students through online.
- Based on IA test Results, Slow learners were identified and motivated to practice more problems in tough subjects. Problematic subject staff are insisted to make students to practice more problems during class hours .
- Various lecture videos by experts were shown to students through google class room which will enrich the students knowledge apart from class room listening.

Procedure for Calculation of Attainment of POs and PSOs:

1. CO-Attainment University Calculation:

It is calculated based on the target assigned for respective subject. For Example if Target is 60, then total grades above 60% is added.

2. CO Target value is obtained by multiplying Target CO and total CO and divided by 100.

3. No. of students scored above CO's target value is taken as CO-Attainment Internal.

CO-PO Attainment for subject Maintenance, Repair and Rehabilitation of Structures

Expected CO - PO/PSO Attainment Level

| Course | PO1 | PO2 | PO3 | PO4 | PO5 | PO6 | PO7 | PO8 | PO9 | PO10 | PO11 | PO12 | PSO1 | PSO2 | PSO3 |

Report of a Guest Lecture on the topic

**“Design Concept of Renovation in Existing
Commercial Building using Steel
Strengthening”
[18-12-2021]**

A Guest Lecture was organized by the Department of Civil Engineering, Saranathan College of Engineering on the topic **“Design Concept of Renovation in Existing Commercial Building using Steel Strengthening”**. The session was started at 10.00 p.m. on 18th December 2021 in Civil Seminar Hall (JS 105). Around 56 members participated in the session. The programme started with welcome address by Prof. K. Sathya Prabha Assistant Professor, Department of Civil Engineering followed by the felicitation address by the Head of the Civil Department Dr. A. Belin Jude. Introduction of chief guest was given by Ms. S. Charulatha and B. Abishek, final year students. Then the session was handled by the guest:

**Er. Mohammed Meeran M.E. (Structures) & M.B.A. (Project Management),
Independent Structural Consultant,
Renovation of commercial building,
Qatar.**

The guest shared in his presentation, the experience he gained in Renovation work of a multi storey commercial building carried out at Qatar and explained the erection process of steel jacket plates & reinforcement for strengthening the existing R.C.C. elements. Also he elucidated the process of testing, Analysis and providing bolt and welded connections for connection of existing RCC elements with steel plates. He also explained about topics which includes Beam-column

connections, Robot Structural Analysis Professional software, chemical bolt fixing and through bolt fixing with excellent images. On seeing the images shared the students gained more knowledge about the techniques that can be adopted in Rehabilitation of existing structures. He also shared his experiences about problems faced between Architect team, mechanical team and electrical team during this project, which would be helpful for the students in future. Discussion session was arranged by the department between guest and students for their queries, clarification of their doubts regarding the repairing techniques adopted. Then the session ended with vote of thanks by the Prof.S. Kannan, Assistant Professor, Department of Civil Engineering.

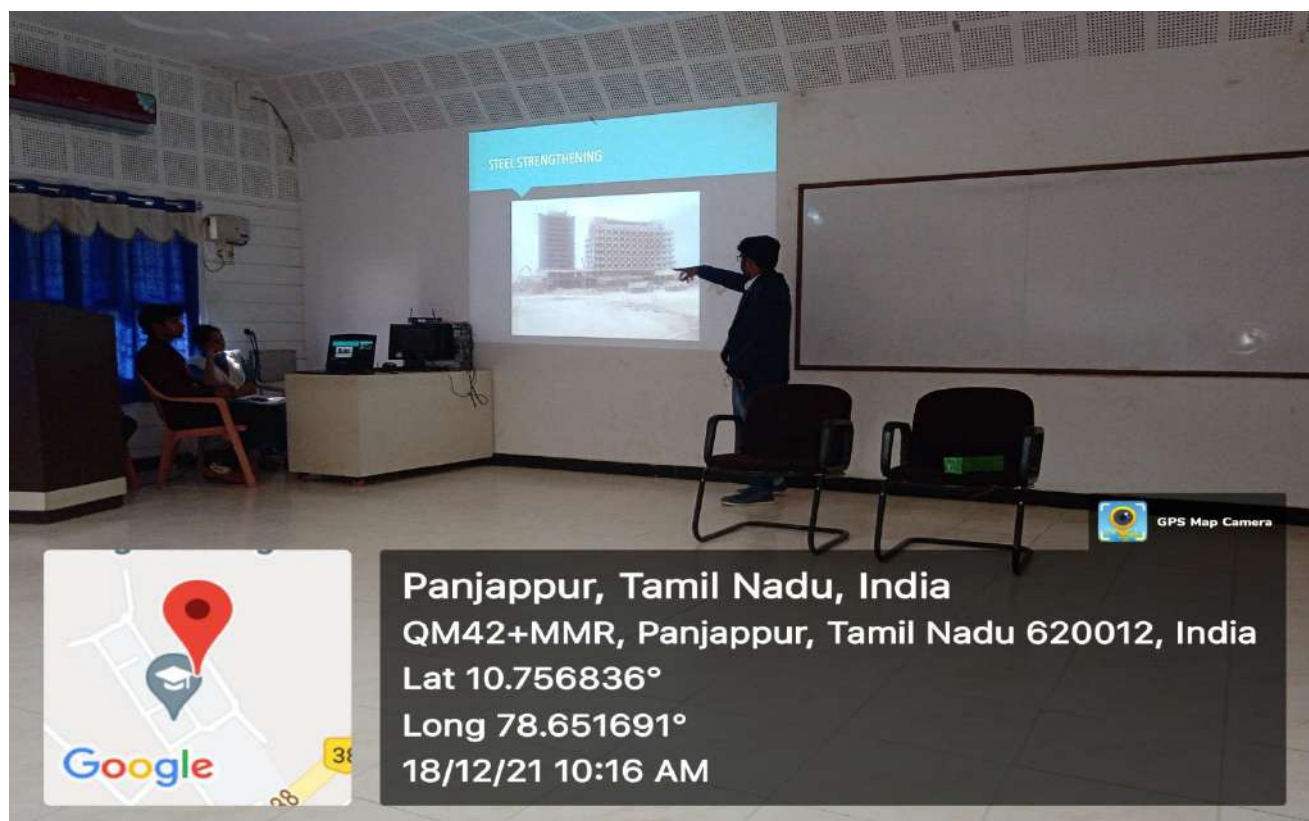

Welcome Address by Mrs. Sathya Prabha, Assistant Professor, Civil Engineering

Felicitation by the Head of the Department, Civil Engineering.

Honoring the Guest

Renovated Existing Commercial Building using Steel Strengthening

M36 Bolt Connections in Beam- Column Elements

Steel Strengthening Work at existing footing

Participants

Analyse the loads using Robot Structural Analysis Professional software

Vote of Thanks by Mr. S. Kannan , Assistant Professor, Civil Engineering

First Class Committee Meeting Report for II CSE ASection

The first-Class Committee Meeting for II CSE A Section was held on 30th October at 12.45 pm with the following Staff Members and Student representatives and points discussed in the session are mentioned below.

| S. No | Subject Code | Subject Title | Staff Name | Staff Signature |
|-------|--------------|--------------------------------------|---------------------------|-----------------|
| 1 | CS8351 | DIGITAL PRINCIPLES AND SYSTEM DESIGN | Mr.A.T.Barani Vijayakumar | |
| 2 | CS8391 | DATA STRUCTURES | Dr.R.Thillaikarasi | |
| 3 | CS8392 | OBJECT ORIENTED PROGRAMMING | Mr.K.S.Chandrasekaran | |
| 4 | EC8395 | COMMUNICATION ENGINEERING | Ms.R.Vaishnavi | |
| 5 | MA8351 | DISCRETE MATHEMATICS | Dr.N.Subashini | |

The following points were discussed by the HOD:

Instruct to maintain attendance and to ensure maximum percentage.

Discussed about class arrangements and usage of projector for PowerPoint presentation.

Got feedback from Students regarding individual subjects.

Feedback given by the students:

They need additional time for practicing lab sessions.

Discrete Mathematics:

Concepts are clearly explained. Satisfied with his teaching method.

Object Oriented Programming:

Extra Information beyond the subject is given which is really helpful to develop our knowledge. More Practice Programs were given in the class.

The Vision and Mission (Department and College), PEOs and PSOs of the department are disseminated to the Students in every Class Committee Meeting.

Digital Principles and System Design:

Need more practice to draw Circuit diagrams in laboratory.

Communication Engineering:

Subject is handled well by the staff. They find it difficult to complete the exam within given time.

Data Structures:

Subject is handled well by the staff but more problems can be given for practice.

Student Members:

| S.No. | Batch No. | Student Name | Signature |

Action Taken Report - Committee Meeting for the II CSE A

30.10.2021

The Following points were discussed during first class committee meeting held on 30.10.2021.

1. During Internal Examination 100% attendance should be maintain by all the students to ensure this faculty members are instructed to monitor student presence on every test.
2. Students requested for extra practice problems in Mathematics.
3. Class timing is changed to 6 hours per day for each sessions and will be scheduled to take one hour + Time table is prepared with 6 periods per day.
4. Students are to be allotted extra lab hours for practicing lab sessions.
5. All faculty members should upload their materials in Google Classroom within a week.
6. Extra hour is provided for students to practices problems.
7. Staffs are requested to maintain 95 percent of pass percentage in individual subjects.

Circular Regarding -First Class Committee Meeting for the Academic Year (2021 – 2022 ODD Sem)

The first class committee meeting for IV Year CSE-‘B’ was held on 10th November at 12.35 P.M. in CSE Seminar Hall. Staff members and student representatives are requested to attend the class committee meeting and give their valuable suggestions.

Staff Members:

| S.No | Subject Code | Subject Title | Staff Name |
|------|--------------|---|----------------------------|
| 1. | CS8792 | Cryptography and Network Security | Ms. S. Ranjani |
| 2. | CS8791 | Cloud Computing | Dr.R.Senthamil Selvi |
| 3. | IT8075 | Software Project Management | Ms. K.Gomathi |
| 4. | CS8083 | Multi-Core Architecture and Programming | Ms.R.Hema |
| 5. | OBM752 | Hospital Management | Dr.P.L. Rajarajeswari |
| 6. | MG8591 | Principles of Management | Mr. J. Navaneetha Krishnan |
| 7 | CS8080 | Information Retrieval Techniques | Dr.T.Sathis Kumar |

Student Members:

| S.No. | Batch No. | Student Name |

First Class Committee Meeting Report for IV - CSE - 'B' Section

The first Class Committee Meeting for IV - CSE - 'B' Section was held on **10th November at 12.35 pm** with the following staff members and student representatives assembled in CSE Seminar Hall and points discussed in the session are mentioned below.

| S. No | Subject Code | Subject Title | Staff Name | Staff Signature |
|-------|--------------|---|----------------------------|-----------------|
| 1. | CS8792 | Cryptography and Network Security | Ms. S. Ranjani | |
| 2. | CS8791 | Cloud Computing | Dr. R.Senthamil Selvi | |
| 3. | IT8075 | Software Project Management | Ms. K. Gomathi | |
| 4. | CS8083 | Multi-Core Architecture and Programming | Ms. R. Hema | |
| 5. | OBM752 | Hospital Management | Dr. P. L. Rajarajeswari | |
| 6. | MG8591 | Principles of Management | Mr. J. Navaneetha Krishnan | |
| 7. | CS8080 | Information Retrieval Techniques | Dr. T. Sathis Kumar | |

The following points were discussed by the HoD:

Insisted students to maintain at least 75% of attendance to appear for university examination

Discussed about classroom arrangements and usage of projector for PowerPoint presentation.

Received feedback from Students regarding individual subjects

Motivated students to participate in Intra Departmental Technical Event conducted by IQAC Cell

Feedback given by the students:

They need additional time for hands-on practice for lab sessions

The Vision and Mission (Department and College), PEOs and PSOs of the department are disseminated to the Students in every Class Committee Meeting.

Cryptography and Network Security

Concepts are clearly explained. Need additional problems for better understanding. Quiz is really useful.

Cloud Computing

Way of delivering the content is with clarity. Notes are useful and understandable. Some more case studies could be discussed for better understanding

Software Project Management

Concepts are clearly understood and notes are really useful.

Multicore Architecture and Programming

Subject is handled well by the staff. Analogies are relevant which enable the ease of understand the concepts

Hospital Management

Subject is handled well by the staff. They find it difficult to complete the exam within given time.

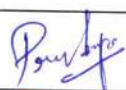

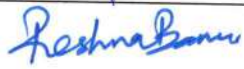

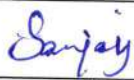

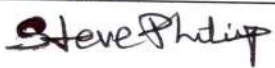

Principles of Management

Subject is handled well by the staff and case studies are needed for better understanding

Information Retrieval Techniques

Real time examples are required. Extra hours needed for clear understanding

Student Members:

| S.No. | Batch No. | Student Name | Student Signatures |
|-------|-----------|-----------------|--|
| 01 | 211062 | Pradeepa J. |  |
| 02 | 211071 | Reshma Banu L. |  |
| 03 | 211076 | Sanjay S.P. |  |
| 04 | 211096 | Steve Philip S. |  |
| 05 | 211117 | Yazhini R. |  |

Action Taken Report - First Class Committee Meeting for the IV CSE – ‘B’

10.11.2021

As points discussed during first class committee meeting which was held on 10.11.2021 through offline, the following actions were taken to resolve the students grievances.

1. Class timing is changed to 6 hours per day and will be scheduled to take 1 hour for each session and Time table is prepared with 6 periods per day.
2. Students are given extra lab hours for practicing lab sessions.
3. The faculty members have uploaded the study materials and question banks in Google Classroom.
4. During Internal Examination, 100% attendance should be maintain by all the students. To ensure this, faculty members are instructed to monitor student presence on every test.
5. Case Studies and real time problems were given for students' practice as per their request
6. Staff are requested to maintain at least 95 percent as pass percentage in each individual subjects.

Action Taken Report

SEMESTER : 2021-2022 ODD

ACADEMIC YEAR: 2021-2022

Students submit their feedback on a scale of 100 percent which is used to assess the performance of the Faculty. On 26-11-2021 at 12.50pm in the Principal's cabin, the Principal conducted a meeting for faculty members regarding the student feedback report. He praised those who scored above the 75 percent mark and advised those who scored below the mark [highlighted in the accompanying report] to work harder in the future.

Explanation from the Faculty

| staffcode | Explanation |
|--------------|---|
| Barani-cse | I will surely improve my performance in the next semester and will meet the expectations and standards set. |
| Priyanga-cse | I will make it a point to work hard and prove myself by leaps and bounds. |

Action Taken Report

SEMESTER : 2021-2022 EVEN

ACADEMIC YEAR: 2021-2022

Students submit their feedback on a scale of 100 percent which is used to assess the performance of the Faculty. On 06-06-2022 at 5.10pm in the Principal's cabin, the Principal conducted a meeting for faculty members regarding the student feedback report. He praised those who scored above the 75 percent mark and advised those who scored below the mark [highlighted in the accompanying report] to work harder in the future.

Explanation from the Faculty

| staffcode | Explanation |
|----------------|---|
| Shapnarani-Cse | I will surely improve my performance in the next semester and will meet the expectations and standards set. |
| Vidivelli-cse | I will make it a point to work hard and prove myself by leaps and bounds. |
| Gomathi-cse | I make sure that I meet the needs and requirements of the students in a full fledged manner. |
| Boobala-cse | I will implement the suggestions given the HOD and the principal and strive to improve the feedback score in future lectures. |

PROGRAM ADVISORY COMMITTEE MEETING

AGENDA

VENUE: CSE SEMINAR HALL

DATE: 07.07.2021

- 10.00 AM TO 10.05 AM : Welcome address by HOD
- 10.05 AM TO 10.10 AM : Presidential address by Principal
- 10.10 AM TO 10.20 AM : Introduction of PAC members by program co-ordinator
- 10.20 AM TO 10.50 AM : Discussion of CO-PO and CO-PSO attainment 2017-2021 batch
- 10.50 AM TO 12.30 PM : Action plan to be taken for the forthcoming batches to attain POs and
PSOs through value additions and getting approval
- 12.30 PM TO 12.40 PM : Vote of thanks by program co-ordinator

Minutes of the PAC meeting

Program Advisory committee meeting with all stakeholders to discuss about the CO-PO and CO-PSO attainment of 2017-2021 batch of CSE graduates held on 07.07.2021 Wednesday at 10.00 am in the CSE seminar hall.

The following PAC members were present:

| S.No | Type of stakeholder | Stakeholder | Name and Designation |
|------|-----------------------|---------------------------|--|
| 1. | Internal Stakeholders | Management Representative | Dr.D.Valavan– Principal |
| 2. | | Faculty | 1.Dr. S. A. Sahaaya Arul Mary Professor & Head-CSE 2.All Faculty members |
| 3. | | Supporting staff | Mr.S.Arif CSG-CSE |
| 4. | | Students | 1.Mr.Y.Basheer Ahamed-IV year A sec 2.Mr.S.P.Sanjay-IV year B sec |
| 5. | External Stakeholders | Industry | Ms. Devi M.S Patent Attorney , K&S Partners , Hyderabad. |
| 6. | | Research Organisation | Dr.M.Veeramanikandan,Aegis, Bangalore. |
| 7. | | Alumni | Mr. Karthikeyan M.N Senior Developer, SAP Labs, Bangalore. |

DEPARTMENT OF COMPUTER SCIENCE ENGINEERING

- HOD/CSE delivered the welcome address. She also briefed about the progress of the department towards the achievement of vision, mission, PEOs, POs, PSOs.
- Principal delivered the presidential address to the stakeholders and publicized the vision and mission of the institution.
- Program co-ordinator (PC) Dr. PL. Rajarajeswari, Associate professor/CSE introduced the committee members of the program advisory committee (PAC) of the CSE program and publicized the vision, mission, PEOs, POs, PSOs of the CSE program.
- CO-PO attainment discussed with the PAC members and gathered the action taken for the improvement of CO-PO attainment for the forthcoming batch students.
- The following views were gathered together from the stakeholders regarding the action plans to be taken for the forthcoming batch students to attain POs and PSOs through value additions.
- Expert from industry and research organisation specified the expectation of industries from the graduates and the opportunities available for the engineers in various industries.
- Alumni talked about the placement training and companies visiting the campus for the recruitment.
- Eminent academician appreciated the teaching methodologies practiced by the CSE department and recommended to conduct value added programs to increase the employability of the students.
- Student representatives requested to arrange industrial visit to enhance their technical skills.
- Parents suggested on arranging more campus interviews to enhance the students' career.
- The members of PAC suggested and approved to take any one of the following measures to strengthen the CO-PO and CO-PSO attainment for the forthcoming batches of the CSE program.
 - Conduction of value added course
 - Conduction of project presentation contest
 - Conduction of mini project
 - Content beyond syllabus in theory and practical courses

06.01.2022

Submitted to the Principal:

The Program Advisory Committee (PAC) meeting has been conducted on 07.07.2021 to strengthen the CO-PO and CO-PSO attainment. Based on the suggestions given by the committee, the following programmes were organised by the department.

1. Events conducted during 2021-2022

| S.No | Name of the Program | Duration |
|------|---------------------|----------|
| 1) | AI & ML | 3 months |
| 2) | Django | 3 months |
| 3) | Data Structures | 3 months |
| 4) | MERN | 3 months |
| 5) | Javascript | 3 months |
| 6) | React-Native | 3 months |

2. Content beyond the syllabus in theory and practical courses have been added.

3. The recent trends and technological improvements in the fields related to the corresponding courses are explained to the students by the faculty members.

SARANATHAN COLLEGE OF ENGINEERING, TRICHY-12
DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

Faculty Feedback Report of ECE Department
Academic Year 2021-2022
EVEN Semester

25-05-2022

Members: HOD/ECE, Faculty Members of ECE

Venue : Microwave Lab

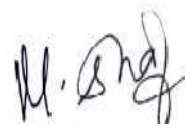

Time : 11.00 P.M – 12.00 P.M

The meeting was convened by the HOD with the faculty Members.

The following points were discussed in the meeting.

Staff members were advised to prepare well, have clarity in the concepts by referring standard books, discussing with the subject experts in our department, interact with the students, provide related additional input to the students.

| S.NO | NAME | YEAR/SEC | SUBJECT NAME | PERCENTAGE |
|------|------------------|----------|---|------------|
| 1 | Mr.K.Malaisamy | ECE-A/6 | EC8691-Microprocessor and Microcontroller | 65.35 |
| 2 | Ms.S.Kiruthiga | ECE-A/6 | EC8652-Wireless Communication | 76.02 |
| 3 | Dr.S.A.Arunmozhi | ECE-B/4 | EC8491-Communication Theory | 78.02 |

Faculty Feedback Report of ECE Department
Academic Year 2021-2022
Odd Semester

26-11-2021

Members: HOD/ECE, Faculty Members of ECE

Venue : Microwave Lab

Time : 12.00 P.M – 1.00 P.M

The meeting was convened by the HOD with the faculty Members.

The following points were discussed in the meeting.

Staff Members were motivated to be impartial towards students, provide additional information related to the subject and to have steady pace in syllabus coverage.

| S.NO | NAME | YEAR/SEC | SUBJECT NAME | PERCENTAGE |
|------|----------------|----------|---|------------|
| 1 | Mr.K.Malaisamy | ECE-A/7 | EC8751-Optical Communication | 77.36 |
| 2 | Dr.S.Rajeswari | ECE-A/7 | EC8702-Adhoc and Wireless Sensor Networks | 78.93 |

SARANATHAN COLLEGE OF ENGINEERING

DEPARTMENT OF ECE

CIRCULAR

7.5.22

First class committee meeting for VI semester ECE will be held on 9.5.22 between 12.45 pm and 1.15 pm at Microprocessor lab. The committee members are requested to attend the meeting.

AGENDA

1. Discussion about attendance performance of the students
2. Discussion about the performance of the students in IA test I
3. Discussion about the availability of books in library
4. Any Other issues of concern for the students.

CLASS COMMITTEE MEMBERS

STAFF MEMBERS

1. Dr. M.Santhi
2. Dr. C.Vennila
3. Dr. M. Padmaa
4. Dr. P.ShanmugaPriya
5. Dr. M.Barithabegum

Dear Sir/Madam,

Sub: Invitation to attend Program Advisory committee (online) meeting-Reg.

Greetings from Saranathan College of Engineering – Department of ECE !!!

We are in the process of collecting the views/suggestions/feedback for CO-PO and CO-PSO attainment of 2017-2021 batch of ECE program.

In order to enhance the knowledge of young budding Engineers to meet the competitive world requirements, the program of Electronics and communication Engineering is pleased to invite you to attend Program Advisory Committee (PAC) meeting to discuss about the CO-PO and CO-PSO attainment of 2017-2021 batch of ECE graduates and actions to be taken for the forthcoming batches to attain POs and PSOs.

The PAC meeting is scheduled on

Date & Day : 31/12/2021 & Friday

Time : 10:00 PM

Venue : ECE Seminar Hall – Online mode

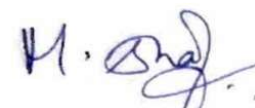

In this connection, we request you to accept our invitation to attend PAC meeting and contribute your valuable views and suggestions.

We are looking forward for your presence at our institution and kindly acknowledge your presence and travel plan to Dr.V.Mohan, Associate Professor/ECE over mobile phone number 9994338212.

Thanking you,

23/12/2021

Following are the views congregated from the stake holders regarding the actions to be taken for the forthcoming academic year to attain POs and PSOs through VACs.

SARANATHAN COLLEGE OF ENGINEERING

(Approved by AICTE, New Delhi, Affiliated to Anna University, Chennai-25)

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

(Accredited by NAAC with A+ grade and six eligible departments are accredited by NBA)

The members of PAC suggested and approved to take the following measures to strengthen the POs and PSOs attainment for the forth coming academic year of ECE program.

- Hands on training in recent technologies and tools such as CST Microwave studio and ADS for the design of Antennas and Microwave, RF circuits could be conducted to enhance the knowledge of students in recent technologies and motivate them to work in the core areas of their specialization.
- Value Added Courses (VACs) on Programming using Verilog could be organized to fill the curriculum gaps.
- Software and Hardware design contests with mini project exhibitions could be planned for the enhancement of self-learning ability of the students.
- Guest lectures could be organized to create importance of various budding technologies and its scope in future.

The above staffs were called for a meeting with HOD at his cabin. They were communicated about their feedback score and were advised to take some measures to improve their performance. They were insisted to do students counselling in a friendly way and were asked to give the real time applications about their subject so as to make the students to be more interactive with utmost interest in the class. Also added that, they should be a little bit louder while teaching and to be well prepared for the classes. Head of Department insisted all faculty to treat all students equally and to interact with all students frequently so as to create enthusiasm in the subject. He instructed all to complete the syllabus in a steady pace. The staff members were also accepted the suggestions given by HOD and assured to do the same.

Minutes of Class committee meeting

Class: III EEE – A sec

Time:12.30 PM to 1.00 PM

Venue: Electrical Computing Lab

First class committee meeting for III EEE – A section was conducted on 10/11/2021.

The minutes of the class committee meeting is recorded below.

- 1) The Internal Assessment test-1 &2 result analysis were discussed for all the subjects.
- 2) The syllabus completion of theory papers was discussed.
- 3) It is ensured from students that text book / materials are available for the IA Test-3 and Semester Exams.
- 4) It is insisted that students should not use mobile phone during study hours. They should have Books/Xerox materials&class notes for preparation.
- 5) IAT-1 result analysis was discussed for all the subjects and student members replied that due to lack of preparation not able to score good marks. Students were advised to prepare well and score high marks in IA Tests-2 to gain their internal marks.
- 6) The students requested to have a revision class for laboratory subjects.
- 7) The students felt comfortable in their subjects and class room facilities.
- 8) All the Faculty members are also satisfied about the class discipline.

| S.No | Subject Name | Remarks |
|------|--|--|

Minutes of Class committee meeting

Class: II EEE

Time: 12.35 PM to 1.30 PM

Venue: Electrical Computing lab

Firstclass committee meeting for II EEE class was conducted on 28/04/2022.

The minutes of the class committee meeting is recorded below.

- 1) IAT-1 result analysis was discussed for all the subjects and the class pass percentage is 14%
- 2) Students were motivated to score high marks to gain their internal marks and therefore to improve the result in the forthcoming exams.
- 3) The students felt comfortable in their subjects and class room facilities.
- 4) It is insisted that students to keep their class room and laboratory clean.
- 5) Students are advised to maintain discipline and interactive in theory classes.
- 6) Still some of the students are coming late after tea break and lunch hour. It is intimated to HOD sir and corrective action is taken and they will be monitored by the class coordinator.
- 7) Students are insisted to avoid absenteeism for their regular classes and also to adhere the class timings after the break interval.

CIRCULAR

Dear Sir / Madam,

The sixth meeting of the Program Advisory Committee (PAC) of Department of EEE, Saranathan College of Engineering, Trichy is scheduled on 28th May 2021, at 10 AM in EEE Seminar hall. The agenda of the meeting is detailed herewith. You are therefore requested to kindly make it convenient to attend the meeting.

Agenda for PAC meeting

1. Compliance status and confirmation of the minutes of 4th program advisory committee Meeting
2. Review CO, PO, and PSO assessment and recommend actions based upon the findings.
3. The safety measures to be taken as the academic institution.
4. How grow institution academically through online mode.
5. Need of change in teaching methodology.
6. Preparing students as industry ready engineers.
7. Identifying the gap in curriculum addressing industry needs and ways to bridge the same.
8. Recommendation of equipment, supplies or the development of simulated work environments
9. Review of existing equipment, facilities, resources and its utilization.
10. Review of courses of study and standards of proficiency in the areas which are essential to march in a successful career path.
11. To review the status of research projects sponsored by Government or Non-Government Agencies
12. To review the status of internal resource generation.
13. To review the alumni engagements and enhancement of alumni interaction.
14. Any other item with the permission of the Chair.

Thanks & Regards,

Dr. C. Krishnakumar,

HoD/EEE

MINUTES OF THE 5th PAC MEETING

Date: 28th May 2021

Time: 10.00 AM

Venue: EEE Seminar Hall-KS Block, SCE

Facilitator: Dr. C. Krishnakumar, HoD/EEE

List of PAC Members

| S.No. | Type of stakeholder | Stakeholder | Name and Designation |
|-------|----------------------|---------------------------|---|
| 1 | Internal stakeholder | Management Representative | Dr.D.Valavan, Principal. |
| 2 | | Faculty | 1. Dr.C.Krishnakumar, Professor & HoD/EEE, 2. All Faculty Members. |
| 3 | | Supporting Staff | Mr.T.Sesu Selvaraj, Laboratory Assistant. |
| 4 | | Students | 1. Ms . S. Chandrika II EEE 2. Mr S Karthikeyan II EEE |
| 5 | External stakeholder | Industry | Er.R.Murali, Managing Director, Madras Switch Gears Private Limited, 1/40, Post Office Building, M.K.Garden, Dhanam Nagar Rd, Sabari Nagar, Mugalivakkam, Chennai, Tamil Nadu – 600125. |
| 6 | | Research Organization | Er.V.Kaviraj, Assistant Manager, Research & Development, Brakes India Private Limited, Padi, Chennai – 600050. |
| 7 | | Alumni | 1. Er.A.G.Balaji Ponnambalam, Systems Engineer, Infosys, Bangalore. 2. Er.R.Shantha Devi, Hardware Project Engineer E-con Systems India Pvt Ltd., Chennai. |
| 8 | | Professional Bodies | Dr.S.Venkatanarayanan, IEEE Senior member, Professor/EEE, K.L.N. College of Engineering, Pottapalayam, Sivagangai Tamil Nadu - 630612. |
| 9 | | Parents | 1. Mr. K. Sadiq Basha No 56 Samaspiran Street, Trichy- 7803. 2. Mr. Muruganadam R No. 17 a, Micheal Pillai Street, Palakarai, Trichy-62001. |
| 10 | | Eminent Academician | Dr.M.Premalatha, Assistant Professor, Energy and Environment (CEESAT) NIT Trichy, Tamil Nadu - 620015. |

Dr. C.Krishnakumar HoD/EEE welcomed the PAC Members for the sixth meeting and greeted, and shared his happiness in achieving NBA accreditation for the Department of EEE for next three years. He thanked the members of the PAC for their support. Further, he recollected the POs, PSOs, PEOs of the department and also elaborately mentioned the progress attained by the department.

Dr. D.Valavan, Principal, greeted the members PAC and shared his happiness in achieving A+ grade in the recent NAAC assessment by scoring 3.27 points on a scale of 4. A three-member peer team including a chairman, member secretary and a member for qualitative assessment visited the college on April 8-9, 2021. The assessment of the peer team constitutes 30% of the total assessment process of NAAC. Rest of the 70% depends on the 110-page detailed self-study report submitted by the institution followed by peer team visit for qualitative assessment. While the institution is evaluated on seven major parameters, SCE secured well in terms of curricular aspects besides infrastructure and learning resources. The whole accreditation process was challenging considering the high standards of the assessment process. We are satisfied with the outcome even though we believe that we are capable of getting an even higher score. The NAAC accreditation will help the institution to get autonomous status besides research grants from various central agencies. He also said the college already has NBA accreditation for six undergraduate branches of engineering out of total seven. We are planning to open two more branches next year, he added.

1. The minutes of the Fifth meeting of PAC were confirmed.

Minutes of the discussion on the agenda items of the sixth meeting of the PAC are:

2. **Review CO- PO - PSO assessment and recommend actions based upon the findings.**
 - The CO, PO and PSO attainment for the 2014-2018 batch graduates were projected with the process of evaluating the CO, PO, and PSO attainment.
 - Since the student's mind is getting diverted due to excess usage of electronic gadgets and social media, it was recommended to change the teaching methodology to enhance the level of learning and hence the target of CO, PO, and PSO can be achieved.

3. **The safety measures to be taken as the academic institution.**

Er.R.Murali, (Industry Expert, Managing Director, Madras Switch Gears Private Limited,) exposed his view on the outbreak of Covid 19- suppression in all fields. All the students and faculty members are requested take safety measures as per the directions of the health department of the government. The first preference is given to the lives, take necessary medication if required and stay safe.

possible ways and means to use ICT teaching tools available. The institute can spare some amount in purchase of licence if required.

5. Need of change in teaching methodology.

The teachers has to change the mode of teaching, the traditional chalk and talk method miserably fails due to the covid situation, hence all the teaching fraternity should learn new ICT teaching methodology and convey the technical knowledge as much as possible to the students. The faculty members are advised to attend few FDP/Workshop to get knowledge on the possible ICT tools so that they can reach studeents easily.

6. Preparing students as industry ready engineers.

Er.R.Murali, (Industry Expert, Managing Director, Madras Switch Gears Private Limited,) proposed that the faculty members must understand the job market to nurture the students as industry ready. He also said that the specialized trainings given to the faculty members may also help them to understand the need of industries. He asked the department to offer some carrier guidance sessions to make the students aware of job market.

7. Identifying the gap in curriculum addressing industry needs and ways to bridge the same

- Er.A.G.Balaji Ponnambalam, (Alumni) Systems Engineer, Infosys, Bangalore expressed that the curriculum covers only the basics of the engineering, so he suggested to conduct an eye opening session on the latest technological advancements in all the subjects.
- Further, Ms S. Chandrika II EEE, Internal stakeholder, requested the department to organize some eye opening events such as workshops, seminars, and hands on training or talks by experts from industry.
- Mr. S Karthikeyan II EEE, Internal stakeholder, asked to include a doubt clearing session for every course apart from the tutorial classes which are mainly focusing on problem solving only.

8. Recommendation of equipment, supplies or the development of simulated work environments

- The PAC requested to provide a spacious library in which all available study material must be displayed with a proper/specific label in the department library for clear visibility and also suggested to provide some seating arrangements to the students to take notes.
-

9. Review existing equipment, facilities, resources and its utilization.

- Members of PAC happily recollected the protection switch gear lab utilized for experimental learning for the protection switch gear course for all final year students and asked to continue this experimental learning. Further the PAC asked to conduct switch gear training sessions for nearby institutions at reasonable fee so that it can generate some revenue. The PAC also insisted to apply for Modernization and Removal of Obsolescence (MODROBS) to upgrade the laboratories to advanced research activities.

10. Review courses of study and standards of proficiency in areas which are essential to becoming successfully employed in a career path.

- Er.R.Murali, Managing Director, Madras Switch Gears Private Limited, suggested to offer some important professional courses in addition to the regular technical courses. He added further to conduct professional workshops to develop the skills required to improve employability. He also suggested to start a dedicated career guidance cell in the department to strengthen and enhance placement training sessions.

11. To review the status of Research Projects sponsored by Government / Non-Government Agencies and suggest steps for enhancement of grants.

- Research Organization member of PAC, Er.V.Kaviraj, Assistant Manager, Research & Development, Brakes India Private Limited, Chennai insisted the faculty who have completed their Doctoral degree to apply for guideship and to approach the funding agencies which may be either Government or Non-Government Agencies for funded research and grants for STTP, FDP, Workshop etc.
- Further he added, to increase faculty research publication numbers at least one per semester.

12. To review the status of Internal Resource Generation.

- PAC recommended the Department of Electrical and Electronics Engineering may make necessary arrangements to conduct faculty development programmes (FDP) and Short Term Training Programmes (STTP). It is also suggested that the department may offer consultancy services, like, energy auditing, testing commissioning, etc.. The planning and route map to flourish towards 'Corporate Trainings' and 'Consultancy services' are to be prepared and submitted to the PAC for consideration in its next meetings.

13. To review the Alumni Engagements and enhancement of alumni interaction.

- The report to be submitted to the PAC members for approval to conduct the alumni meeting and suggestions on the same. It is shared that the alumni meeting may help to

debate and discussion over the existing problems in the department and to reach the possible solutions to eradicate the identified.

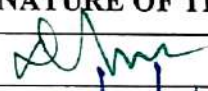

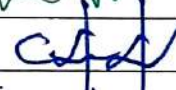

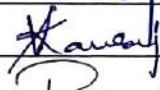

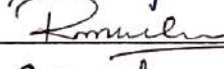

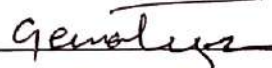

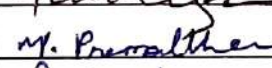

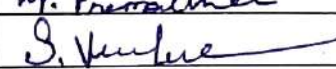

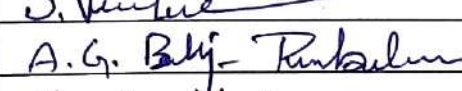

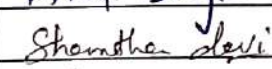

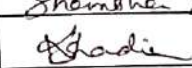

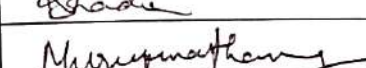

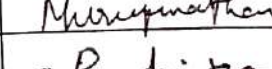

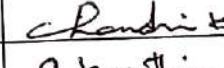

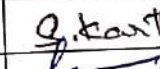

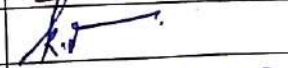

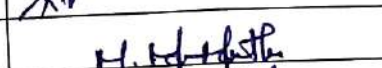

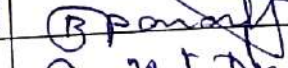

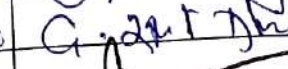

As there was no other item placed before the Chair. The meeting ended with a vote of Thanks.

 Dr.C Krishnakumar

FEED BACK ANALYSIS/ACTION TAKEN REPORT

For the Academic Year 2021-2022:

The institution collects the feedback students, faculty, alumni and others. Once the feedback is analyzed and valuable suggestions given were considered and necessary actions was executed and notified below.

1. Improvement in Add on courses content by including hands-on experience on instruments.
2. Periodical release of Department e-magazine.
3. All final year projects are done in our college campus.
4. Extra care/guidance for slow learners

Minutes of Program Advisory Committee Meeting

SUB: Minutes of Program Advisory Committee (PAC) meeting- review of attainment of Program Educational Objectives, Program Outcomes and Program specific Outcomes through projects

The Program Advisory Committee was held on 23-08-2021 at 10.00A.M in Virtual Instrumentation Lab of our Department

| Stakeholder | Designation | Sign |
|---------------------|---|------|
| Dr.D.Vallavan | Principal | |
| Dr.S.M.Girirajkumar | Head-Department of Instrumentation and Control Engineering | |
| Dr.S.M.Girirajkumar | Training and Placement Head of the College | |
| Dr.M.Shanmugavalli | Professor-Department of Instrumentation and Control Engineering | |
| Mr. P. Thirumurugan | Program Coordinator, Assistant Professor, Department of Instrumentation and Control Engineering | |
| Mr.J.Visweswaran | Country Manager - Academic Programs, ARK Infosolutions Pvt Ltd | |
| Ms.P.N.Vasantha | 2015-Passed out, Vice President-Business Administration, FluxGen Engineering Technologies | |

The following points were discussed

1. HoD, welcomed the members of the committee who had assembled for. reviewing the attainment of program educational objectives, Program specific outcomes and Program Outcome for the department.
2. The attainment for the batch 2020-2021 and 2021-2022 was analyzed in detail. After reviewing, the committee suggested the following points to be implemented for improving the performance of the students through various activities
3. It is also inferred that overall attainment can still be developed through projects and paper presentations.

SARANATHAN COLLEGE OF ENGINEERING
DEPARTMENT OF INSTRUMENTATION AND CONTROL ENGINEERING
TIRUCHIRAPALLI - 620 012.

Date: 23-08-2021

4. Dr.S.M.Girirajkumar told that Motivational counseling may be given to average students so that their interest towards Project can be increased and hence their performance
5. Ms.Vasantha shared her point that Faculty Should help the students to know how to present papers for a inter college competitions and motivating them to participate in project events
6. Mr.J.Visweswaran also insisted that project based learning will give practical exposure to the students and clear understanding of basics.
7. HOD accepted and explained the members about the co-curricular activities in the department in the form of mini projects, workshops, project expo, guest lectures.
8. Dr.M.Shanmugavalli also shared that students are motivated to do research and make projects based upon the need for the society so that students can understand and know real time application based projects
9. HOD also shared Lab facilities have been utilized by students for their project work and intimated that MyRio Kit module can be taken and used by students for the project work
10. Slow learners adopted should be given and counseling frequently for doing project works
11. Dr.S.M.Girirajkumar also explained that students Progression and their results should be intimated to parents and their feedback can be got regarding the same.
12. Members also discussed about the conversion of projects to papers in referred journals, conferences and participation in competitions and project expos.
13. Principal also insisted that Students are also provided with lot of awareness with government Funding agencies like TNSCST,DST,etc and motivating them to apply for all funding agencies.
14. HOD, thanked the members of the committee who had assembled for giving their views and suggestions for the improvement of students project

The following points were discussed in the meeting:

Performance in University exams and IA tests.

- Dr. V.Punitha motivated the students to work hard and score better grades in the coming semester exams.
- Students were asked to attend physical mode classes sincerely.
- Students were asked to prepare well for the IA tests.
- Students were also asked to prepare MCQ questions in all the subjects.

Issues regarding subjects:

1. They felt comfortable and had no issues in other subjects.
2. Almost 70% of 4 units had been covered in all the subjects.

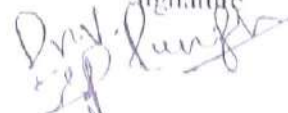

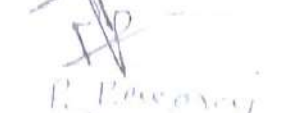

General Issues

1. The students were advised to have 90% attendance in online classes. They were asked to be regular, sincere & more attentive in all the classes.
2. The students were asked to take the IA tests seriously from home and perform well.
3. The students were motivated to participate in online technical events.

The meeting came to an end at 3.30p.m

Student Representatives:

214010 – Gokul

214040 - Sakthivel

214052 – Vaishnavi

214050 – Thagasin.M

214021 – Karthik

214007 – Dhinusree

Agenda:

- Performance in University exams and IA tests.
- Issues regarding Subjects
- Attendance, Discipline, health and hygiene
- Co Curricular activities

All are asked to attend the meeting without fail.

A. J. J. J.

Minutes of the II Class Committee Meeting for IV Year held on 5.10.2021

Time : 2.30 p.m

The following points were discussed in the meeting:

Performance in University exams and IA tests.

- Dr. V. Punitha, motivated the students to work hard and score better grades in the coming semester exams.
- Students were asked to attend online class and physical mode classes sincerely.
- Students were asked to prepare well for the IA tests.
- Students were also asked to prepare MCQ questions in all the subjects.

Issues regarding subjects:

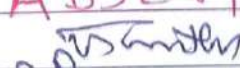

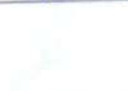

1. They felt comfortable and had no issues in other subjects.
2. Almost 70% of 4 units had been covered in all the subjects

General Issues

1. The students were advised to have 90% attendance in online classes . They were asked to be regular, sincere & more attentive in all the classes.
2. The students were asked to take the IA tests seriously from home and perform well.
3. The students were motivated to participate online technical events.

The meeting came to an end at 3.30p.m

Faculty Feedback Report (SEP/NOV 2021) based Counselling Report

08.11.2021

IV year: Feedbacks of all the four staff members are good. They scored above 80%. They are encouraged to give their best to the students.

III year: Mr. P. Anand has improved his feedback score from 75% to 88% and he is highly appreciated for that. Feedbacks of all other staff members are good (above 85%) and they are appreciated for their effort.

II year: In fourth semester, 2 subjects are handled by IT department staff members. Both of them have received good feedback (above 90%) and they are appreciated for their effort.

I year: Ms. J. Sangeethapriya received good feedback and scored above 88%.

Ms. A. Sheelavathi, Mr. P. Anand, Ms. Padmapriya and Mr. V. Senthilbalaji are handling subjects for allied departments. They are consistently receiving good feedback (above 80%). They are appreciated for their efforts. All the staff members are encouraged to give their best to the students to improve their skills.

Faculty Feedback Report (April /MAY) based Counselling Report

02.06.2021

III year: Feedbacks for all the staff members are satisfactory. Ms. J. Sangeethapriya and Mr. V. Manoj Kumar have scored above 85% and they are appreciated for their effort. Ms.A.Sheelavathi, Ms.M.Padmapriya and Mr. R. Rengaraj have got a feedback above 80% and they are appreciated for their effort. Mr. P. Anand and Ms. N. Bhavani have received a feedback score of 76%. They are advised to make the class lively with interesting real-time examples.

II year: In fourth semester, feedback score of all the three staff members are good and they scored above 88%. Ms. M. Padmapriya and Ms. J. Sangeethapriya are appreciated for their good feedback score of 94% and 92% respectively.

I year: Mr. P.Anand has got 62% of feedback score. He is advised to be friendly with students and motivate the students to show interest in coding.

Feedback of Ms. A. Sheelavathi who is handling Data Structures for ICE department is also good and she is motivated to continue her effort. Feedback of Ms. N. Bhavani who is handling Data Structures Design for AIDS department is satisfactory. All the staff members are appreciated for their effort in improving the students' skill.

AGENDA OF THE MEETING:

1. Welcome Address by HoD/IT
2. Presidential Address by Principal, SCE
3. Introduction of PAC members by HoD/IT
4. Minutes of previous meeting
5. Vision, Mission, PEOs dissemination
6. Discussion of CO-PO & CO-PSO attainment during the previous year
7. Review of previous and current academic activities
 - ❖ Discussion of Regulation 2021 curriculum and syllabus
 - ❖ Identification of curricular gaps and content beyond syllabus
 - ❖ Action plan to be taken to attain PO PSO and to fill the curricular gaps through value additions and getting approved.
8. General Discussion
9. Next meeting - Tentative date, time, venue intimation
10. Vote of Thanks

SARANATHAN COLLEGE OF ENGINEERING
TIRUCHIRAPALLI - 620 012.
DEPARTMENT OF INFORMATION TECHNOLOGY

- ❖ The meeting started at 10.00 a.m.
- ❖ HOD/IT greeted the members present and delivered the welcome address..
- ❖ Principal publicized the Vision and Mission of the Institution to the stakeholders.
- ❖ HOD/IT introduced the PAC members and publicized the Vision, Mission of the department and PEOs, POs & PSOs of the IT program...
- ❖ The curriculum and syllabus of Regulation 2021 was discussed. The importance of value added courses and open electives in the syllabus were highlighted.
- ❖ The CO-PO and CO-PSO attainment for the year 20-21 were projected to the PAC members.
- ❖ The strengthened attainment level of various subjects was presented.

Attainment of POs and PSOs for CS8491- Computer Architecture:

| Course Code | PO1 | PO2 | PO3 | PO4 | PO5 | PO6 | PO7 | PO8 | PO9 | PO10 | PO11 | PO12 | PSO1 | PSO2 |
|-----------------------------|------|------|------|-----|-----|-----|-----|-----|-----|------|------|------|------|------|
| C211 | 3.00 | 2.00 | 3.00 | - | - | - | - | - | - | - | - | - | 2.00 | 2.00 |
| Attainment 2019-2020 | 2.00 | 1.33 | 2.00 | | | - | - | - | - | - | | | 1.33 | 1.33 |
| Attainment 2020-2021 | 2.17 | 1.44 | 2.17 | - | - | - | - | - | - | - | - | - | 1.44 | 1.44 |

- ❖ The Internal Assessment Question Paper Pattern, QP setting according to blooms Taxonomy, Questions mapping with a corresponding Course Outcome and procedure for calculation of CO-PO/PSO were finalized.
- ❖ The following views were congregated from the stakeholders regarding the action plan for the forth coming batches for the attainment of POs & PSOs through value additions.
 - Dr.S.M.Giriraj Kumar gave a brief summary about the training (Technical & Soft skills) for the students to be conducted for the students by the T&P department.

SARANATHAN COLLEGE OF ENGINEERING

TIRUCHIRAPALLI - 620 012.
DEPARTMENT OF INFORMATION TECHNOLOGY

- Mr.Manikandan insisted that the students should have strong foundation in the fundamental concepts of core subjects. He also briefed about the latest trends in IT Industry
 - Mr. Vinoth specified the expectations of the Industries and the opportunities available for the Engineers in Corporate. He also suggested that the students may be given hands on training on IOT and AI and motivate them to implement projects on the same.
 - Dr.Sheba Kezia Malarchelvi emphasized the need for research committee and advised to categorize the faculty based on expertise. She also encouraged to submit proposals to various funding agencies and suggested to establish Center of Excellence laboratory in collaboration with various industries.
 - Dr.Renugadevi also encouraged applying financial grant to various professional chapters for conduct of co-curricular activities such as Seminar/workshop/conferences. She also suggested the usage of ICT Tools in the classrooms to enhance the students learning and briefed about various learning methods.
 - Alumni Ms. Suvitha praised the college for bringing top companies for placement. She suggested that internships can be arranged for both III & final year students to create awareness about Industry expectations. She also recommended to conduct value added programs to increase the employability of the students in Industry.
 - Parents Mr.Muthukumar and Mrs.Geetha Kumari cherished the development of the Institution and suggested on arranging more campus to enhance the students' career.
 - The faculty members were asked to motivate the students to participate on all national technical contests like Smart India Hackathon.
 - HOD/IT briefed the details of internships and other activities by the students during the year 20-21.
- ❖ The curriculum gaps and the plan of actions for the academic year 21-22 were suggested and approved by the PAC members to strengthen the attainment of CO- PO.& CO-PSO for the forth coming batches of IT program.

DEPARTMENT OF INFORMATION TECHNOLOGY

Co Curricular Activities (CCA) plan for the Academic Year 2020-2021

Proposed Guidelines for the charting the co-curricular activities (CCA)

- 1. All the activities shall be focused on addressing the below :**
 - Impart strong foundation in basics
 - Enhance application of academic learning's to solve real time engineering problems
- 2. There shall be three categories**
 - Contest during the course of semester
 - Workshops / Guest Lectures during the course of semester
 - Workshops during the vacation
- 3. There shall be maximum of three activity in the form of contest per semester**
 - All these activity shall not be mandatory for the students; rather students shall participate based on their interest.
 - One contest shall be relevant to the curriculum of the current semester
 - Two contest shall be relevant to the curriculum of previous semesters
 - The contest shall be formulated in such a way that the students will be able to apply the learning's of their curriculum in solving the problem statements, so that they shall establish a relation between what they read
 - The contest shall be a analytical problem solving contest/coding contest/debugging contest/ Technical Quiz/ Paper Presentation/ Mini project contest.
 - Each contest should be well defined and shall have a detailed methodology in conducting as well as evaluating procedure
- 4. There shall be one or max of two activity in the form of workshops during the course of the semester, which shall be absolutely relevant to the subjects of the current semester, that will help strengthen the understanding of the subject**
 - All the workshops should be formulated in such a way that predominant duration of the workshop, the students work by him/herself based on some minimum instructions received from the faculty
- 5. Special / Guest Lectures may be organized for the students to gain knowledge on latest trends in the IT field.**
- 6. Activities during the vacation shall be decided based on feasibility.**

SARANATHAN COLLEGE OF ENGINEERING
TIRUCHIRAPALLI - 620 012.
DEPARTMENT OF INFORMATION TECHNOLOGY

List of curriculum Gaps identified

| Curriculum Gaps Identified | Students will be able to |
|---|---|
| Fundamentals of Python Programming are available in first semester. Application of OOPS, DBMS and Data structure concepts in Python are not available. | Strengthen their coding skills and Participate in contests /mini projects using latest technologies |
| Lack of exposure to the modern tools. 1.Graphics & Multimedia is specified in syllabus for theory. Multimedia tools are not specified. 2.Software Testing Tools are not specified in the syllabus. 3. Practical courses for Big Data Analytics is not given in the curriculum. | Work with all kind of modern tools |
| Inadequate practical exposure to latest technologies such as IOT, Soft Computing, Virtual Reality | Improve their knowledge in latest trends and understand the expectations of Industries. |
| Lack of exposure to hardware technologies | Have a better understanding of computer architecture |

Plan for activities for the Academic year 2021-22:

| S.No | Activity | Methodology | Consequence |
|------|--|-------------------|---------------------------|
| 1 | Certification courses with Inlusto Ltd and NPTEL courses | Training and Test | Application of Learning's |

SARANATHAN COLLEGE OF ENGINEERING
TIRUCHIRAPALLI - 620 012.
DEPARTMENT OF INFORMATION TECHNOLOGY

| | | | |
|---|---|-------------------------|--|
| 2 | Introduction to Latest Trends in IT - Machine Learning, Deep Learning, IoT, Cyber Security, Virtual Reality | Guest Lecture & Webinar | Application of Learning's |
| 3 | Practical sessions on Latest Tools | Workshop | Exposure to modern Tools |
| 4 | Hands on Training on IOT & AI | Workshop | Exposure to IOT & Machine Learning |
| 5 | Hardware assembly and OS installation | Workshop | Better understanding of hardware components and OS |
| 6 | Coding Contest, Technical Quiz | Contest | Strengthen the Coding & Technical skills |
| 7 | Paper Presentation | Contest | Innovation to learn new and latest concepts and improve communication skills |
| 8 | Mini Project Contest | Contest | Application of Learning's |

Date: 04.07.2022

Submitted to the Principal:

The Program Advisory Committee (PAC) meeting for the Academic year 2021-2022 has been conducted on 15.07.2021 to strengthen the CO-PO and CO-PSO attainment. The following Programs were organized by the Department based on the suggestions given by the Committee.

1. Events conducted during 2021-22:

| S.No | Name of the Event | Date |
|------|--|-----------------------------------|
| 1 | Seminar on Dps and its employment opportunities in the Industry | 27.05.2022 (1 day) |
| 2 | Webinar on Advanced Programming in C++ | 30.05.2022 to 04.06.2022 (6 days) |
| 3 | Webinar on Higher Education opportunities in Abroad | 25.04.2022 (1 day) |
| 4 | Seminar on Scope in Corporate Careers and successful reflections | 20.11.2021 (1 day) |
| 5 | Seminar on Recent Technologies need in Industry | 20.11.2021 (1 day) |
| 6 | Mini Project event | 18.11.2021 (1 day) |
| 7 | Paper Presentation contest | 12.11.2021 (1 day) |
| 8 | C Programming contest | 25.10.2021 (1 day) |
| 9 | Java Coding Challenge | 22.10.2021 (1 day) |
| 10 | Quiz contest in Python | 14.06.2021 (1 day) |

2. About 10 students registered for NPTEL certification course on various subjects and obtained certificates.

3. Students from II, III & IV year registered for certification courses on various subjects conducted by Inlusto Ltd., and have taken the online test and obtained certificates.

4. The Content beyond syllabus for both Theory and Practical courses has been added. The latest trends and technological improvements in IT related to the corresponding course are explained by the concerned staff member to the students.

Department of Mechanical Engineering

Feed Back Report

Feedback is collected from students based on the following questionnaire and the total score is generated based on weightage given to individual questions

1. Subject Knowledge and Clarity of the Faculty [15.0]
2. Impartiality and Fairness to Students [15.0]
3. Interaction with Students by the faculty [8.0]
4. Valuable/Extra Information given during the Lectures by the faculty [12.0]
5. Enthusiasm for Subject [12.0]
6. Showing Concern and Care for Students [12.0]
7. Punctuality in Evaluation of Exam Papers/ Assignments [4.0]
8. Whether Syllabus for IA Tests/ University Examination Completed steadily [6.0]
9. Ability to Speak Loudly and Clearly [8.0]
10. Does the faculty come prepared for Classes? [8.0]

Score obtained through feedback from students is converted on a scale of 5 and carries significant weightage under Academic execution in the Self Assessment Report (SAR) of a faculty member.

| S.No | Category | Max Marks | Faculty | HOD |
|-------|--------------------------------|-----------|---------|-----|
| 1 | Academic Execution (50 marks) | | | |
| 1.1 | University Results | 25 | | |
| 1.2 | University Class Average Grade | 10 | | |
| 1.3 | Number of S and A grades | 10 | | |
| 1.4 | Students feed back | 5 | | |
| TOTAL | | 50 | | |

Sample feedback analyses taken in semester wise are given below:

Feed Back Report of Mechanical Department during 2021-2022 ODD Semester

| 26 | mrpadmanaban-mech | MECH-B/7 | 49 | OMF751/Lean Six Sigma | 86.31 | Approached Friendly With Students |

Action Taken based on Feedback Report:

- All the faculty members were instructed to provide more remedial classes to the students who need it.
- It was directed to provide them extra study material and notes.
- Teachers have been advised to spend more time on topics deemed to be tough.
- Staff were instructed to follow student friendly approach in teaching process.
- Faculty were advised to keep a track on the pace of syllabus completion.
- Staff were instructed to meet the students and counsel them on timely basis.
- Faculty members were asked to give practical applications whenever possible.

| 33 | ranjith-mech | MECH-B/8 | 24 | IE8693/Production Planning And Control | 88.25 | Evaluated the Papers Properly |

Action Taken based on Feedback Report:

- **Faculty members were asked to make strong preparation on topics to be discussed in the classroom.**
- **Faculty members were asked to be more punctual in correcting and distributing answer scripts.**
- **Staff members were instructed to strictly follow the syllabus plan.**
- **Faculty members were asked to make the classroom sessions more interactive.**
- **Staff members were asked to create enthusiasm among students for learning the subjects.**
- **Staff members were asked to update their subject knowledge regularly.**
- **Staff members were advised to ensure their audibility in the classroom.**
- **Faculty members were asked make justice to each and every topic taught in the classroom.**
- **Importance of fair evaluation of papers was explained to the faculty members.**
- **Staff members were asked to meet the students privately and discuss about their issues.**

Ref No. SCE/MECH/2021-22/ODD SEM/Faculty Feedback –reg

Hod remarks about student's feedback about the Faculty:

This message was personally communicated by the Hod to the faculty members. It was observed that the following faculty Mr. Sriramprasath Assistant professor and Dr. M.R. Ananthapadmanaban Associate professor of mechanical department has obtained students feedback of 79.49% and 79.33% for the subject ME8792/Power Plant Engineering and ME8072/Renewable Sources Of Energy respectively. It is taken the first feedback from the students during 2021-22 ODD Semester.

The discussion was aimed to know if the concerned faculty is having any issues regarding subject or the students. From the feedback given by the students, it was known that the subject has numerous formulas and students found difficult to understand the subject. Hence the faculty was advised to follow activity based teaching and make the students to understand the concept and solve the equation also instructed to give more number of tutorial problems. In addition, he was advised to motivate the students to contacting one-to-one.

Minutes of Meeting

- ❖ Our Principal Dr.D.Valavan, welcomed the members of seventh PAC meeting.
- ❖ A brief speech was given by Dr.N.Baskar, Professor, Department of Mechanical Engineering to felicitate Dr.G.Jayaprakash, Professor & Head, Department of Mechanical Engineering for being unanimously selected as Member of Syllabus Framing Sub-Committee for the second consecutive term.
- ❖ Our HOD briefed the PAC members about various activities carried out in the previous academic year to strengthen CO-PO attainment.
- ❖ Our Program Coordinator emphasized on focus area as well as plan for the AY 2021 -22.
- ❖ Dr.S.Suresh was impressed about number of training programs attended by faculty members and students during lockdown (online mode). He expects to include similar training programs for students in the current academic year also.
- ❖ Dr.I.Balasundar emphasized on the inclusion of a week-long orientation programme for the students, who are on the verge of coming to college physically after a long hiatus due to ravaging COVID-19 pandemic. He further insisted that this programme will prepare the students both physically and mentally for offline classes, to address mutual teething issues and provide a smooth transition from online mode of teaching to physical mode.
- ❖ Mr.M.Vivekanadhan seconded the thoughts of Dr.I.Balasundar and told that the above mentioned orientation programme will also help the faculty imminently and clear their apprehensions about the responsiveness of the students.
- ❖ Mr. Ajitha Prabhu expected that various points discussed in PAEC Meeting have to be conveyed to Syllabus Framing Sub-Committee. The suggestions given by the members of PAEC such as encouraging the students, who have completed their final semester subjects during their VI and VII semesters in fast track mode to do Internships in highly

reputed companies should be institutionalized by Anna University themselves for better prospects.

- ❖ The PAC, as a whole was quite impressed about various initiatives taken by faculty members for imparting academic knowledge to their respective students by various ICT tools during lockdown period.

Action Taken Report on Program Advisory Committee Meeting

09/08/2021

Submitted to The Principal:

Ref: PAC meeting minutes (02/08/2021)

- I. Conduct of Value added courses (VACs)**
We have proposed to conduct following value added courses for this academic year.
Autodesk Inventor series for third year mechanical engineering students.
- II. Conduct of Webinar Presentation**
We have proposed to give opportunities to our students to conduct webinar presentation as a part of their curriculum.
Language laboratory, Design & Fabrication project and Final year project work.
- III. Conduct of Innovative project contest**
We have proposed to conduct innovative project contest for our final and third year students, in order to show case their innovative skills
- IV. Conduct of national/international conference**
We have proposed to conduct an Intra college symposium during this academic year
- V. Content beyond syllabus in theory and practical course**
We have planned to conduct various CBS for theory as well as practical course this academic year
- VI. Conduct of guest lectures**
We have planned to conduct various guest lectures in the following topics this academic year
Welding Technology, GD&T, NDT technology, CFD, etc.

Submitted to Principal for Approval

Sir,

Sub:-Class Committee for I MBA (Batch 2021 – 23) – Reg.

Based on the Class committee held with the I MBA Students today (02.12.2021), I am submitting the following points for your kind perusal and approval.

1. It is also planned to devote one half day's class every week for student driven activities such as quiz, group discussion etc. which will be monitored and moderated by faculty.
2. Assignments in each subject on relevant topics which require lots of research and creativity need to be given to student so that they get involved in learning and develop an enthusiasm for the subject.
3. Student seminars which form part of the curriculum need to be organized for two hours every week wherein students need to make a presentation on topics related to business, ethics, Corporate Social Responsibility etc.

I kindly request you to approve the same

Sincerely,

Feedback Report : MBA Month&Year: 1ST FEEDBACK Academic Year :2021-22ODD

DEPARTMENT OF MANAGEMENT STUDIES

Date: 21-07-2021

Ref No: SCE/MBA/2021-2022/Odd Sem. /Faculty feedback – reg.

Students' feedback about teachers regarding the efficacy of their teaching styles is collected every semester. The various parameters based on which the students assess the faculty are preparation of the faculty for the classes, subject knowledge and clarity of the faculty, impartiality and fairness of the faculty, student-faculty interaction, valuable/extra information given the faculty, enthusiasm for teaching, display of care and concern, punctuality in evaluation of assignments and test papers, steady completion of syllabus, ability to speak loudly and clearly etc. The total composite faculty feedback score is 100 and it is the summation of faculty scores on the specified parameters.

The faculty feedback from students was collected during the ODD Semester 2021-2022.

Based on individual staff feedback reports, it was found that the feedback score of 77.37% obtained by Prof. K. Arun Prasad who handled Principles of Management for final year Computer Science Engineering students was the lowest score.

The message was personally communicated by HOD to Prof. K. Arun Prasad and HOD sought to know if the faculty had faced difficulties in the specific class. The final year Computer Science Engineering students found it difficult to grasp theoretical concepts and the online mode of class for the first few days made it difficult for the faculty to check periodically if the students follow the subject. Ideas for making the classes livelier especially for an audience who are not exposed to theoretical subjects, for engaging the class by posing questions and welcoming student interactions were offered. It was recommended to facilitate inquiry based learning wherein a student-centered approach to teaching paves way for inquisitive learning as opposed to acquisitive learning (learning which is extrinsically motivated – for good grades and so on).

Programme Advisory Committee - Minutes of Meeting

VISION

To mould the college in to a Top class national/international centre of advanced learning, technology and research and enhance national human resource and its power.

Mission

To achieve excellence in business education, by adapting to the needs and challenges of dynamic and globally competitive business environment.

The PAC meeting of MBA Department was held on **08.02.2022** and the following points were discussed.

- 1 Syllabus for Training and Placement classes was discussed.
- 2 More number of campus placements need to be arranged.
- 3 Content beyond the syllabus for each subject was discussed in detail. Innovative teaching methods should be included in regular classes.
- 4 Students should be encouraged to present and publish their projects as paper in international conferences and journals.
- 5 Reputed companies should be identified and officials from those companies may be brought to the department for delivering lectures.
- 6 Students should be asked to enrol in online courses offered by IIT's NPTEL towards augmenting their knowledge. Students need to enrich their profile by upskilling themselves.
- 7 Students should be given opportunity to make power point presentations on topics of relevance to MBA students.

The following are the members who attended the meeting.
