Dear Esteemed Expert Members of SSC for EIE and ICE,

It was pleasure to meet most of you on 2nd June in connection with proposing the Curriculum and verticals for the two UG programs. The deliberations went on very well and we are happy with the outcome. Please find attached the copy of the curriculum finalized on 2nd June for both the programs. I am extremely thankful to Prof D.Manamalli, IE, MIT and Ms Vasumathi, AC who has taken steps in getting every thing typed and arranged in order.

I am sure our team would have started working on preparation of detailed syllabus contents for the core theory and Lab courses and also for the subjects listed in verticals. Please find attached the Expert member incharge for proposing the detailed contents and members to review the content before presenting it in the next SSC meeting.

In this connection, I would like to inform you that we have been asked to finalize the syllabus before 17th to enable for SSC meeting from 20th June onwards. Also the BOS meeting is tentatively planned during the first week of July. Hence, the overall coordinators are requested to work with all the expert member incharges to collect the detailed syllabus on or before 15th June in the template format with COs, CO - PO mappings etc.

The contact details of all the members are given in the attached file. The members who could not attend the June 2nd meeting are also requested to offer your comments.

Thanking you

Pappa
