

# SARANATHAN COLLEGE OF ENGINEERING

(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai)  
Venkateswara Nagar, Panjappur, Tiruchirappalli-620012, Tamil Nadu.

## INDEX

### CRITERION: 1.4.1

Institution obtains feedback on the syllabus and its transaction at the institution from the following stakeholders

1)Students 2) Teachers 3) Employers 4) Alumni

2023-2024

S.No.	Department	Page No.
1	Artificial Intelligence and Data Science	1-11
2	Civil Engineering	12-28
3	Computer Science and Business Systems	29-36
4	Computer Science and Engineering	37-76
5	Computer Science and Engineering (AIML)	77-81
6	Electronics and Communication Engineering	82-118
7	Electrical and Electronics Engineering	119-142
8	Instrumentation and Control Engineering	143-158
9	Information Technology	159-169
10	Mechanical Engineering	170-195
11	Master of Business Administration	196-214

# SARANATHAN COLLEGE OF ENGINEERING

(Approved by AICTE, New Delhi, Affiliated to Anna University, Chennai-600025)

## Faculty Feedback on Syllabus

### [1] Personal Information

Name of the Faculty : G.Nithyalakshmi

Designation : AP Department : AI & DS

Course Code and Name : CCS341 - Database Warehousing

Year / Semester / Branch : III yr/ 05/ AI & DS

AU - Regulation : 2021

Academic year / ODD or EVEN : 2023-2024/ ODD

### [2] Choose appropriate option against each question

(Please rate your preference) (Please kindly encircle your choice)

Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) -2; Strongly Agree (SA) – 3;

a) The syllabus is designed to bridge the gap between academics and industry

0                  1                  2                  3

b) The syllabus is designed to bridge the gap between Theory and Practical

0                  1                  2                  3

c) The syllabus can be completed within the prescribed times limits

0                  1                  2                  3

d) The syllabus covers modern & advanced topics

0                  1                  2                  3

e) The objectives of the syllabus is clearly indicated

0                  1                  2                  3

f) The contents are challenging to teach

0                  1                  2                  3

g) The syllabus is designed in a way to improve Employability index

0                  1                  2                  3

### [3] Content Beyond the Syllabus added if any: Yes / No : Yes

If yes, mention the Content beyond the Syllabus added in this course:

Comparing over multiple datasets

## Employer Feedback on Syllabus

### [1] Personal Information

Name of the HR/Team Leader/ Manager : **Er. V. ILANCHEZHIAN, M.E., P.E., F.I.V.,  
M.I.Struc., C. Engg.(I), M.I.E.  
M.Sc., (Real Estate & Valuation)  
I.B.B.I. (Insolvency and Bankruptcy Board of India)**

Name of the Company /Organization : **V.I. CONSTRUCTIONS**  
J.V.R. Apartments, Big Sowrastra Street, Woraiyur,  
Trichy – 3.

Designation of the Employer : **Senior Professional Engineer Chartered Structural  
Engineer, Registered Valuer, Class – I- A Engineer,  
Panel Valuer I.O.B., P.N.B., Canara Bank, Indian  
Bank, Bank of Maharashtra, Syndicate Bank.**

Employer contact Mobile No. (Optional) : ---

Employer contact E - Mail Id . (Optional) : ---

### [2] Choose appropriate option against each question

(Please rate your preference) (Please kindly encircle your choice)

**Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) -2; Strongly Agree (SA) – 3;**

a) The Curriculum is designed to bridge the gap between academics and industry

0                  1                  2                  **3**

b) The Curriculum is designed to bridge the gap between Theory and Practical

0                  1                  2                  **3**

c) The Curriculum is designed for enhancing employability skills

0                  1                  2                  **3**

d) The syllabus covers modern & advanced topics

0                  1                  2                  **3**

e) The Curriculum is effective in developing innovative thinking skills

0                  1                  2                  **3**

f) The Current syllabus is need based

0                  1                  2                  **3**

g) The Curriculum paves a way for the students to become entrepreneurs

0                  1                  2                  **3**

[3] Suggestions for Add-on Courses if any: Nolf yes, mention the Add-on Course detail

## Faculty Feedback on Syllabus

### [1] Personal Information

Name of the Faculty : A. Mohana devi  
 Designation : AP Department : CSBS  
 Course Code and Name : CS3351- DPCO  
 Year / Semester / Branch : ~~II~~ II / III / CSBS  
 AU - Regulation : 2021.  
 Academic year/ ODD or EVEN : ODD.

### [2] Choose appropriate option against each question

(Please rate your preference)(Please kindly encircle your choice)

Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) -2; Strongly Agree (SA) – 3;

- a) The syllabus is designed to bridge the gap between academics and industry  
 0                      1                      2                      3 ✓
- b) The syllabus is designed to bridge the gap between Theory and Practical  
 0                      1                      2 ✓                      3
- c) The syllabus can be completed within the prescribed times limits  
 0                      1                      2 ✓                      3
- d) The syllabus covers modern & advanced topics  
 0                      1 ✓                      2                      3
- e) The objectives of the syllabus is clearly indicated  
 0                      1                      2 ✓                      3
- f) The contents are challenging to teach  
 0                      1                      2 ✓                      3
- g) The syllabus is designed in a way to improve Employability index  
 0                      1                      2                      3 ✓

### [1] Personal Information

Name of the Student : SUDARVIZHI L

Batch No.: 249058

Subject Code and Title : AD3491–FUNDAMENTALS OF DATA SCIENCE AND  
ANALYTICS

Academic Year : 2022-2023 ODD

### Filled Feedback Form – Student

#### (1) Does the faculty come prepared for the classes?

☒ Excellent ☐ VeryGood ☐ Good ☐ VeryFair ☐ Fair

#### (2) Subject Knowledge and Clarity of the Faculty.

☐ Excellent ☒ VeryGood ☐ Good ☐ VeryFair ☐ Fair

#### (3) Impartiality and Fairness to Students?

☐ Excellent ☐ VeryGood ☐ Good ☐ VeryFair ☐ Fair

#### (4) Interaction with Students by the faculty.

☐ Excellent ☐ VeryGood ☐ Good ☐ VeryFair ☐ Fair

#### (5) Valuable/Extra Information given during the Lectures by the faculty.

☐ Excellent ☐ VeryGood ☐ Good ☐ VeryFair ☐ Fair

#### (6) Enthusiasm for Subject?

☐ Excellent ☐ VeryGood ☐ Good ☐ VeryFair ☐ Fair

#### (7) Counselling and being Friendly.

☒ Excellent ☐ VeryGood ☐ Good ☐ VeryFair ☐ Fair

#### (8) Punctuality in Evaluation of Exam Papers/ Assignments?

☒ Excellent ☐ VeryGood ☐ Good ☐ VeryFair ☐ Fair

#### (9) Ability to Ensure Steady Pace Coverage of Syllabus.

☒ Excellent ☐ VeryGood ☐ Good ☐ VeryFair ☐ Fair

#### (10) Ability to Speak Loudly and Clearly.

☒ Excellent ☐ VeryGood ☐ Good ☐ VeryFair ☐ Fair

[2] Do you have any suggestions in this course for quality improvement required in teaching and learning process?

## Employer Feedback on Syllabus

### [1] Personal Information

Name of the HR/Team Leader/ Manager : SELVENDRAN P

Name of the Company /Organization : YADEV INSTRUMENTS AND  
AUTOMATION PVT LTD

Designation of the Employer : AUTOMATION ENGINEER- TRAINEE

Employer contact Mobile No. (Optional) : 9738129285

Employer contact E - Mail Id . (Optional) : admin@yadev.in

### [2] Choose appropriate option against each question

(Please rate your preference) (Please kindly encircle your choice)

Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) -2; Strongly Agree (SA) – 3;

- a) The Curriculum is designed to bridge the gap between academics and industry  
0            1            2            (3)
- b) The Curriculum is designed to bridge the gap between Theory and Practical  
0            1            2            (3)
- c) The Curriculum is designed for enhancing employability skills  
0            1            2            (3)
- d) The syllabus covers modern & advanced topics  
0            1            (2)            3
- e) The Curriculum is effective in developing innovative thinking skills  
0            1            2            (3)
- f) The Current syllabus is need based  
0            1            2            (3)
- g) The Curriculum paves a way for the students to become entrepreneurs  
0            1            (2)            3

### [3] Suggestions for Add-on Courses if any: Yes

If yes, mention the Add-on Course detail

INDUSTRIAL AUTOMATION Like PLC programming, HMI & SCADA development,  
JAVA SCRIPT programming, Internet of things and Industrial internet of things

### ALUMNI SURVEY

This alumni survey is an indirect assessment tool prepared to evaluate the outcomes of Computer Science and Engineering students who have graduated from the B.E. Computer Science and Engineering (CSE) program at Saranathan College of Engineering, Tiruchirappalli.

#### [1] Personal Information

Name of the Graduate : Krishna Kumar . V  
Batch No. : 211043  
Register No. : 813818104045  
Year of Graduation : 2022  
Batch year : 2018 - 2022  
Contact Number : 8122 720312  
Email ID : krishnakumar0312@gmail.com

#### [2] Outcome Achieved after Completing the B.E. CSE

(Please rate your achievement) (Please kindly encircle your choice)

Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) – 2; Strongly Agree (SA) – 3;

a) An ability to apply knowledge of differential and integral calculus, matrices, transforms techniques and Numerical techniques. (PO-1)

0                      1                      2                      ③

b) An ability to identify problems on Electrical Machines, Analog and Digital Circuits. (PO-2)

0                      1                      2                      ③

c) An ability to design system like controller circuits, components or process to meet the industrial needs. (PO-3)

0                      1                      2                      ③

d) An ability to identify, formulate and solve problems of Electrical and Electronics Engineering. (PO-4)

0                      1                      2                      ③

e) An ability to apply the knowledge of the modern electrical engineering tools such as MATLAB / ETAP / PSCAD / PSIM / PSPICE simulator. (PO-5)

0                      1                      2                      ③

f) An ability to apply knowledge to access societal, health, safety and cultural issues relevant to the professional Engineering practice. (PO-6)

0                      1                      2                      ③

g) An ability to demonstrate the knowledge of professional Engineering solutions in societal and environmental context for sustainable development. (PO-7)

0                      1                      ②                      3

h) An ability to apply ethical principles and commend to professional ethics and responsibilities. (PO-8)

0                      1                      ②                      3

i) An ability to function as a team and to co-ordinate the project activities. (PO-9)

0                      1                      ②                      3

j) An ability to communicate effectively among the team members and working environment. (PO-10)

0                      1                      ②                      3

k) An ability to demonstrate the knowledge of Engineering and Management principles to manage projects. (PO-11)

0                      1                      ②                      3

l) An ability to engage in independent and lifelong learning in the context of Electrical and Electronics Engineering and allied areas. (PO-12)

0                      1                      ②                      3

m) An ability to provide solution for Energy Security and Environmental Concern in the area of Renewable Energy to meet out the Country's Energy demand. (PSO-1)

0                      1                      ②                      3

n) An ability to apply the knowledge of academic learning's to solve real life Engineering problems and find solutions for contemporary issues faced by society at large. (PSO-2)

0                      1                      ②                      3

**[3] Education Experience (please kindly encircle your choice)**

**Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) – 2; Strongly Agree (SA) – 3;**

a. Does the Department of CSE satisfy your expectations?

0                      1                      (2)                      3

b. Do you think that the department of CSE prepared you for employment in your core area?

0                      1                      (2)                      3

c. Does the curriculum of CSE satisfy your academic requirements to compete with other graduates of the same program in other institutions?

0                      1                      (2)                      3

d. Are you satisfied with the use of modern engineering tools and engineering codes of practice related CSE during your course of study?

0                      1                      2                      (3)

e. Are you satisfied with the teaching methodology and content delivery of CSE program?

0                      1                      2                      (3)

f. Do you think that the CSE program have given you an exposure to R &D activities?

0                      1                      2                      (3)

g. Are you confident enough that the CSE program has prepared you to practice as a professional Electrical and Electronics Engineer after 3 years from now?

0                      1                      2                      (3)

h. Are you satisfied with the faculty competency?

0                      1                      2                      (3)

i. Do you recommend the CSE program of SCE to others?

0                      1                      2                      (3)

**[4] Future Plan of Action (please kindly tick your choice)**

a. Do you have any current job offer?

☒ YES | ☐ NO

b. Are you going to become an Entrepreneur?

☒ YES | ☐ NO

c. Have you planned for higher studies?

☒ YES | ☐ NO

d. Have you appeared in Competitive Examination?

☒ YES | ☐ NO

If YES, please specify the name of the examination, along with score and rank

e. Have you got any admission for higher studies at abroad or any?

YES | NO

If, YES, please specify the university/college

**[5] Do you have any suggestions for the quality improvement of CSE dept.?**

e. Are you satisfied with the teaching methodology and content delivery of CSE program?

0                      1                      2                      ③

f. Do you think that the CSE program have given you an exposure to R &D activities?

0                      1                      2                      ③

g. Are you confident enough that the CSE program has prepared you to practice as a professional Electrical and Electronics Engineer after 3 years from now?

0                      1                      2                      ③

h. Are you satisfied with the faculty competency?

0                      1                      2                      ③

i. Do you recommend the CSE program of SCE to others?

0                      1                      2                      ③

**[4] Future Plan of Action (please kindly tick your choice)**

a. Do you have any current job offer?

☒ YES | ☐ NO

b. Are you going to become an Entrepreneur?

☒ YES | ☐ NO

c. Have you planned for higher studies?

☒ YES | ☐ NO

d. Have you appeared in Competitive Examination?

☒ YES | ☐ NO

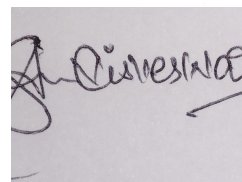

If YES, please specify the name of the examination, along with score and rank

e. Have you got any admission for higher studies at abroad or any?

YES | NO

If, YES, please specify the university/college

**[5] Do you have any suggestions for the quality improvement of CSE dept.?**

## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

(Accredited by NBA)

### ALUMNI SURVEY

This alumni survey is an indirect assessment tool prepared to evaluate the outcomes of Computer Science and Engineering students who have graduated from the B.E. Computer Science and Engineering (CSE) program at Saranathan College of Engineering, Tiruchirappalli.

#### [1] Personal Information

Name of the Graduate : SATHISH KUMAR B  
Batch No. : 221088  
Register No. : 813819104088  
Year of Graduation : 2023  
Batch year : 2019-2023  
Contact Number : 9788920820  
Email ID :

#### [2] Outcome Achieved after Completing the B.E. CSE

(Please rate your achievement) (Please kindly encircle your choice)

Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) – 2; Strongly Agree (SA) – 3;

a) An ability to apply knowledge of differential and integral calculus, matrices, transforms techniques and Numerical techniques. (PO-1)

0      1      2      3

b) An ability to identify problems on Electrical Machines, Analog and Digital Circuits. (PO-2)

0      1      2      3

c) An ability to design system like controller circuits, components or process to meet the industrial needs. (PO-3)

0      1      2      3

d) An ability to identify, formulate and solve problems of Electrical and Electronics Engineering. (PO-4)

0      1      2      3

e) An ability to apply the knowledge of the modern electrical engineering tools such as MATLAB / ETAP / PSCAD / PSIM / PSPICE simulator. (PO-5)

0            1            2            3

f) An ability to apply knowledge to access societal, health, safety and cultural issues relevant to the professional Engineering practice. (PO-6)

0            1            2            3

g) An ability to demonstrate the knowledge of professional Engineering solutions in societal and environmental context for sustainable development. (PO-7)

0            1            2            3

h) An ability to apply ethical principles and commend to professional ethics and responsibilities. (PO-8)

0            1            2            3

i) An ability to function as a team and to co-ordinate the project activities. (PO-9)

0            1            2            3

j) An ability to communicate effectively among the team members and working environment. (PO-10)

0            1            2            3

k) An ability to demonstrate the knowledge of Engineering and Management principles to manage projects. (PO-11)

0            1            2            3

l) An ability to engage in independent and lifelong learning in the context of Electrical and Electronics Engineering and allied areas. (PO-12)

0            1            2            3

m) An ability to provide solution for Energy Security and Environmental Concern in the area of Renewable Energy to meet out the Country's Energy demand. (PSO-1)

0            1            2            3

n) An ability to apply the knowledge of academic learning's to solve real life Engineering problems and find solutions for contemporary issues faced by society at large. (PSO-2)

0            1            2            3

**[3] Education Experience (please kindly encircle your choice)**

**Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) – 2; Strongly Agree (SA) – 3;**

a. Does the Department of CSE satisfy your expectations?

0                      1                      2                      3

b. Do you think that the department of CSE prepared you for employment in your core area?

0                      1                      2                      3

c. Does the curriculum of CSE satisfy your academic requirements to compete with other graduates of the same program in other institutions?

0                      1                      2                      3

d. Are you satisfied with the use of modern engineering tools and engineering codes of practice related CSE during your course of study?

0                      1                      2                      3

e. Are you satisfied with the teaching methodology and content delivery of CSE program?

0                      1                      2                      3

f. Do you think that the CSE program have given you an exposure to R &D activities?

0                      1                      2                      3

g. Are you confident enough that the CSE program has prepared you to practice as a professional Electrical and Electronics Engineer after 3 years from now?

0                      1                      2                      3

h. Are you satisfied with the faculty competency?

0                      1                      2                      3

i. Do you recommend the CSE program of SCE to others?

0                      1                      2                      3

**[4] Future Plan of Action (please kindly tick your choice)**

- a. Do you have any current job offer? YES | NO ☒
- b. Are you going to become an Entrepreneur? YES | NO ☒
- c. Have you planned for higher studies? YES | NO ☒
- d. Have you appeared in Competitive Examination? YES | NO ☒
- If YES, please specify the name of the examination, along with score and rank

#### Important Notifications to Students

- Ragging is an offence, punishable under law. Students are advised not to indulge in this illegal practice.

#### Vision and Mission of the Institution

##### Vision of the Institution

Impart an inclusive engineering education that beyond being a facilitator for a career and rudimentary skills, equips the students to offer ethically & environmentally conscious solutions to societal issues.

##### Mission of the Institution

Develop the Institution into a Model Self Financing College of Engineering and Technology. Deliver Professional Training to our students with state-of-the-art Laboratories and convert them into Technocrats of international repute.

1. Create a nurturing, holistic environment of engineering education to facilitate every student realize their full potential.
2. Strive to make the students strong in basic concepts armed with appropriate skills to enhance one's ability to apply the knowledge and provide solutions to real time issues.
3. Maintain an ambience that facilitates the students to strengthen their ethical value systems.
4. Actively promote R&D and institute-industry interaction.

SEMESTER: ODD

ACADEMIC YEAR: 2023-2024

The Students feedback about the feedback for the subjects handled by them during this semester is attached above. Based on the above, The following faculty members [Below 60%] were called for a meeting with the principal on 25-09-2023 at 5.10pm at the Principal's Chamber.

S.no	staffcode	branch /Sem	No. of Students	Subject	Total Out of 100
1	barani-cse	CSE- A/5	68	Computer Networks	68.08
2	elankathir-cse	ECE B/ 3	58	C Programming and Data Structures	65.01

These teachers were communicated about their feedback and were advised to take more efforts to improve their performance by the Principal. The Principal and Senior Faculty members suggested some ideas to improve their performance in the next semester.

Action Taken Report

SEMESTER: EVEN

ACADEMIC YEAR: 2023-2024

The Students feedback about the feedback for the subjects handled by them during this semester is attached above. Based on the above, The following faculty members [Below 65%] were called for a meeting with the principal on 25-03-2024 at 5.10pm at the Principal's Chamber.

S.no	staffcode	branch /Sem	No. of Students	Subject	Total Out of 100
1	banupriya-cse	CSE(AIML)-A/4	48	Machine Learning	63.37
2	Rajalakshmi7103-cse	CSBS A/4	55	Database Management Systems	57.90
3	barani-cse	CSE A/6	31	Cloud Service Management	55.76

These teachers were communicated about their feedback and were advised to take more efforts to improve their performance by the Principal. The Principal and Senior Faculty members suggested some ideas to improve their performance in the next semester.

## Faculty Feedback on Syllabus

### [1] Personal Information

Name of the Faculty : V. Ranjani  
Designation : AP Department : CSE(AIML)  
Course Code and Name : CD3291 | Data Structures & Algorithms  
Year / Semester / Branch : II / III / CSE(AIML)  
AU - Regulation : 2021  
Academic year / ODD or EVEN : 2023 - 24 (ODD)

### [2] Choose appropriate option against each question

(Please rate your preference) (Please kindly encircle your choice)

Disagree (DA) - 0; Partially Agree (PA) - 1; Agree (A) - 2; Strongly Agree (SA) - 3;

- a) The syllabus is designed to bridge the gap between academics and industry  
0 1 2 ✓ 3
- b) The syllabus is designed to bridge the gap between Theory and Practical  
0 1 2 ✓ 3
- c) The syllabus can be completed within the prescribed times limits  
0 1 2 3 ✓
- d) The syllabus covers modern & advanced topics  
0 1 2 3 ✓
- e) The objectives of the syllabus is clearly indicated  
0 1 2 3 ✓
- f) The contents are challenging to teach  
0 1 2 3 ✓
- g) The syllabus is designed in a way to improve Employability index  
0 1 2 3 ✓

### [3] Content Beyond the Syllabus added if any: Yes / ~~No~~

If yes, mention the Content beyond the Syllabus added in this course

#### [2] Outcome Achieved after Completing the ECE Program

(Please rate your achievement) (Please kindly encircle your choice)

Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) – 2; Strongly Agree (SA) – 3;

a) An ability to apply knowledge of differential and integral calculus, matrices, transforms techniques and Numerical techniques. (PO-1)

0      1      (2)      3

b) An ability to identify problems on Electronic devices, Analog and Digital Electronic Circuits. (PO-2)

0      1      (2)      3

c) An ability to design systems using Linear and non linear circuits, components and processors to meet the industrial needs. (PO3)

0      (1)      2      3

d) An ability to identify, formulate and solve problems of Electronics and Communication Engineering. (PO-4)

0      1      (2)      3

e) An ability to apply the knowledge of the modern engineering tools such as PSPICE /MATLAB / Xilinx/Cadence / NS2/ keil simulator. (PO-5)

0      (1)      2      3

f) An ability to apply knowledge to access societal, health, safety and cultural issues relevant to the professional Engineering practice. (PO-6)

0      1      2      (3)

g) An ability to demonstrate the knowledge of professional Engineering solutions in societal and environmental context for sustainable development. (PO-7)

0      1      2      (3)

h) An ability to apply ethical principles and commend to professional ethics and responsibilities. (PO-8)

0      1      2      (3)

i) An ability to function as a team and to co-ordinate the project activities. (PO-9)

0      1      2      (3)

j) An ability to communicate effectively among the team members and working environment. (PO-10)

0      1      (2)      3

k) An ability to demonstrate the knowledge of Engineering and Management principles to manage projects. (PO-11)

0      1      2      (3)

l) An ability to engage in independent and lifelong learning in the context of Electronics and Communication Engineering and allied areas. (PO-12)

0      1      (2)      3

m) An ability to provide solution for the problems in Consumer Electronics, Medical Electronics and Defense Electronics. (PSO-1)

0      (1)      2      3

n) An ability to Analyze and design modules and systems for real time applications in Communication Engineering. (PSO-2)

0      1      (2)      3

**[3] Education Experience (please kindly encircle your choice)**

**Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) – 2; Strongly Agree (SA) – 3;**

a. Does the Department of ECE satisfy your expectations?

0                      1                      **2**                      3

b. Do you think that the department of ECE prepared you for employment in your core area?

0                      **1**                      2                      3

c. Does the curriculum of ECE satisfy your academic requirements to compete with other graduates of the same program in other institutions?

0                      **1**                      2                      3

d. Are you satisfied with the use of modern engineering tools and engineering codes of practice related ECE during your course of study?

0                      **1**                      2                      3

e. Are you satisfied with the teaching methodology and content delivery of ECE program?

0                      1                      **2**                      3

f. Do you think that the ECE program have given you an exposure to R &D activities?

0                      1                      **2**                      3

g. Are you confident enough that the ECE program has prepared you to practice as a professional Electrical and Electronics Engineer after 3 years from now?

0                      **1**                      2                      3

h. Are you satisfied with the faculty competency?

0                      1                      **2**                      3

i. Do you recommend the ECE program of SCE to others?

0                      1                      2                      **3**

[4] Future Plan of Action (please kindly tick your choice)

a. Do you have any current job offer?

YES | NO

b. Are you going to become an Entrepreneur?

YES | NO

c. Have you planned for higher studies?

YES | NO

d. Have you appeared in Competitive Examination?

YES | NO

If YES, please specify the name of the examination, along with score and rank

e. Have you got any admission for higher studies at abroad or any?

YES | NO

If, YES, please specify the university/college

[5] Do you have any suggestions for the quality improvement of ECE dept.?

Providing Courses about VLSI, IOT, etc.  
can encourage our ECE students to develop a  
career in our domain itself.

# SARANATHAN COLLEGE OF ENGINEERING

(Approved by AICTE, New Delhi, Affiliated to Anna University, Chennai-600025)

## DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

(Accredited by NBA)

### ALUMNI SURVEY

This alumni survey is an indirect assessment tool prepared to evaluate the outcomes of Electronics and Communication Engineering students who have graduated from the Electronics and Communication Engineering (ECE) program at Saranathan College of Engineering, Tiruchirappalli.

#### [1] Personal Information

Name of the Graduate : S. KISHORE KUMAR  
Batch No. : 232036  
Register No. : 813820106035  
Year of Graduation : 2024  
Batch year : 2020-2024  
Contact Number : 7397026780  
Email ID : 1902kishorekumar@gmail.com

#### [2] Outcome Achieved after Completing the ECE Program

(Please rate your achievement) (Please kindly encircle your choice)

Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) – 2; Strongly Agree (SA) – 3;

a) An ability to apply knowledge of differential and integral calculus, matrices, transforms techniques and Numerical techniques. (PO-1)

0      1      2      (3)

b) An ability to identify problems on Electronic devices, Analog and Digital Electronic Circuits. (PO-2)

0      1      (2)      3

c) An ability to design systems using Linear and non linear circuits, components and processors to meet the industrial needs. (PO3)

0      (1)      2      3

d) An ability to identify, formulate and solve problems of Electronics and Communication Engineering. (PO-4)

0      1      (2)      3

e) An ability to apply the knowledge of the modern engineering tools such as PSPICE /MATLAB / Xilinx/Cadence / NS2/ keil simulator. (PO-5)

0            1            ②            3

f) An ability to apply knowledge to access societal, health, safety and cultural issues relevant to the professional Engineering practice. (PO-6)

0            1            2            ③

g) An ability to demonstrate the knowledge of professional Engineering solutions in societal and environmental context for sustainable development. (PO-7)

**[4] Future Plan of Action (please kindly tick your choice)**

a. Do you have any current job offer?

YES | ☒ NO

b. Are you going to become an Entrepreneur?

YES | ☒ NO

c. Have you planned for higher studies?

YES | ☒ NO

d. Have you appeared in Competitive Examination?

YES | ☒ NO

If YES, please specify the name of the examination, along with score and rank

e. Have you got any admission for higher studies at abroad or any?

YES | ☒ NO

If, YES, please specify the university/college

**[5] Do you have any suggestions for the quality improvement of ECE dept.?**

A very few staffs only care for the students well beingness and education. If all the others tend to do the same, then our dept. might do well in training our students with discipline & education.

HOD/ECE

**SARANATHAN COLLEGE OF ENGINEERING, TRICHY-12**  
**DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING**

**Faculty Feedback Report of ECE Department**  
**Academic Year 2023-2024**  
**ODD Semester**

20-09-2023

**Members: HOD/ECE, Faculty Members of ECE**

**Venue :Microwave Lab**

**Time :11.00P.M-12.00P.M**

The meeting was convened by the HOD with the faculty Members.

The following points were discussed in the meeting.

Staff members were advised to prepare well, have clarity in the concepts by referring standard books, discussing with the subject experts in our department, interact with the students, provide related additional input to the students.

S.NO	NAME	SEM/SEC	SUBJECTNAME	PERCENTAGE
1	Mr.A.Kesavan	ECE-A/7	EC8751/Optical Communication	60.55
2	Ms.B.Divya	ECE-A/7	EC8791/Embedded And Real Time Systems	66.87
3	Dr.K.Malaisamy	ECE-A/7	EC8701/Antennas And Microwave Engineering	60.23
		ECE-B/7	EC8751/Optical Communication	67.74
4.	Dr.M.Baritha Begum	ECE-A/3	EC3353/Electronic Devices And Circuits	69.31

Odd Semester

30-11-2023

Members: HOD/ECE, FacultyMembers of ECE

Venue :Microwave Lab

Time :12.00P.M–1.00P.M

The meeting was convened by the HOD with the faculty Members.

The following points were discussed in the meeting.

Staff Members were motivated to prepare well, have clarity in the concepts by referring standard books, to be impartial towards students, provide additional information related to the subject and to have steady pace in syllabus coverage.

S.NO	NAME	YEAR/SEC	SUBJECTNAME	PERCENTAGE
1	Mr.A.Kesavan	ECE-A/7	EC8751/Optical Communication	63.51

**DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING**

**Faculty Feedback Report of ECE Department**  
**Academic Year 2023-2024**  
**EVEN Semester**

17-04-2024

**Members: HOD/ECE, FacultyMembers of ECE**

**Venue :Microwave Lab**

**Time :12.00P.M-1.00P.M**

The meeting was convened by the HOD with the faculty Members.

The following points were discussed in the meeting.

Staff Members were motivated to prepare well, have clarity in the concepts by referring standard books, to be impartial towards students, provide additional information related to the subject and to have steady pace in syllabus coverage.

S.NO	NAME	YEAR/SEC	SUBJECTNAME	PERCENTAGE
1	Mr.A.Kesavan	EEE-A/7	EE3402/Linear Integrated Circuits	66.08
2.	Ms.P.Sivagamasundhari	VI/CSE-A	CS3691/Embedded Systems And IoT	65.07

## ALUMNI SURVEY

This alumni survey is an indirect assessment tool prepared to evaluate the outcomes of Electrical and Electronics Engineering students who have graduated from the Electrical and Electronics Engineering (EEE) program at Saranathan College of Engineering, Tiruchirappalli.

### [1] Personal Information

Name of the Graduate : Jacob malin. I  
Batch No. : 233072  
Register No. : 813820105301  
Year of Graduation : APRIL 2024  
Batch year : 2020-2024  
Contact Number : 9788523034  
Email ID : jacobmalin718@gmail.com

### [2] Outcome Achieved after Completing the EEE Program

(Please rate your achievement) (Please kindly encircle your choice)

Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) – 2; Strongly Agree (SA) – 3;

a) An ability to apply knowledge of differential and integral calculus, matrices, transforms techniques and Numerical techniques. (PO-1)

0                      1                      2                      3 ✓

b) An ability to identify problems on Electrical Machines, Analog and Digital Circuits. (PO-2)

0                      1                      2                      3 ✓

c) An ability to design system like controller circuits, components or process to meet the industrial needs. (PO-3)

0                      1                      2 ✓                      3

d) An ability to identify, formulate and solve problems of Electrical and Electronics Engineering. (PO-4)

0                      1                      2                      3 ✓

e) An ability to apply the knowledge of the modern electrical engineering tools such as MATLAB / ETAP / PSCAD / PSIM / PSPICE simulator. (PO-5)

0 1 2 ✓ 3

f) An ability to apply knowledge to access societal, health, safety and cultural issues relevant to the professional Engineering practice. (PO-6)

0 1 2 3 ✓

g) An ability to demonstrate the knowledge of professional Engineering solutions in societal and environmental context for sustainable development. (PO-7)

0 1 2 ✓ 3

h) An ability to apply ethical principles and commend to professional ethics and responsibilities. (PO-8)

0 1 2 3 ✓

i) An ability to function as a team and to co-ordinate the project activities. (PO-9)

0 1 2 3 ✓

j) An ability to communicate effectively among the team members and working environment. (PO-10)

0 1 2 ✓ 3

k) An ability to demonstrate the knowledge of Engineering and Management principles to manage projects. (PO-11)

0 1 2 3 ✓

l) An ability to engage in independent and lifelong learning in the context of Electrical and Electronics Engineering and allied areas. (PO-12)

0 1 2 ✓ 3

m) An ability to provide solution for Energy Security and Environmental Concern in the area of Renewable Energy to meet out the Country's Energy demand. (PSO-1)

0 1 2 3 ✓

n) An ability to apply the knowledge of academic learning's to solve real life Engineering problems and find solutions for contemporary issues faced by society at large. (PSO-2)

0 1 2 ✓ 3

**[3] Education Experience (please kindly encircle your choice)**

**Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) – 2; Strongly Agree (SA) – 3;**

a. Does the Department of EEE satisfy your expectations?

0                  1                  2                  3 ✓

b. Do you think that the department of EEE prepared you for employment in your core area?

0                  1                  2                  3 ✓

c. Does the curriculum of EEE satisfy your academic requirements to compete with other graduates of the same program in other institutions?

0                  1                  2                  3 ✓

d. Are you satisfied with the use of modern engineering tools and engineering codes of practice related EEE during your course of study?

0                  1                  2                  3 ✓

e. Are you satisfied with the teaching methodology and content delivery of EEE program?

0                  1                  2                  3 ✓

f. Do you think that the EEE program have given you an exposure to R &D activities?

0                  1                  2                  3 ✓

g. Are you confident enough that the EEE program has prepared you to practice as a professional Electrical and Electronics Engineer after 3 years from now?

0                  1                  2                  3 ✓

h. Are you satisfied with the faculty competency?

0                  1                  2                  3 ✓

i. Do you recommend the EEE program of SCE to others?

0                  1                  2                  3 ✓

**[4] Future Plan of Action (please kindly tick your choice)**

- a. Do you have any current job offer? YES | NO ✓
- b. Are you going to become an Entrepreneur? YES | NO ✓
- c. Have you planned for higher studies? YES | NO ✓
- d. Have you appeared in Competitive Examination? YES | NO ✓
- If YES, please specify the name of the examination, along with score and rank

- e. Have you got any admission for higher studies at abroad or any? YES | NO ✓
- If, YES, please specify the university/college

**[5] Do you have any suggestions for the quality improvement of EEE dept.?**

## DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

(Accredited by NBA)

### ALUMNI SURVEY

This alumni survey is an indirect assessment tool prepared to evaluate the outcomes of Electrical and Electronics Engineering students who have graduated from the Electrical and Electronics Engineering (EEE) program at Saranathan College of Engineering, Tiruchirappalli.

#### [1] Personal Information

Name of the Graduate : Logeshwaran. G.R.

Batch No. : 233034

Register No. : 813820105034

Year of Graduation : 2024

Batch year : 2020 - 2024

Contact Number : 8072134608

Email ID : logesho107@gmail.com

#### [2] Outcome Achieved after Completing the EEE Program

(Please rate your achievement) (Please kindly encircle your choice)

Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) – 2; Strongly Agree (SA) – 3;

a) An ability to apply knowledge of differential and integral calculus, matrices, transforms techniques and Numerical techniques. (PO-1)

0      1      2      3✓

b) An ability to identify problems on Electrical Machines, Analog and Digital Circuits. (PO-2)

0      1      2      3✓

c) An ability to design system like controller circuits, components or process to meet the industrial needs. (PO-3)

0      1      2      3✓

d) An ability to identify, formulate and solve problems of Electrical and Electronics Engineering. (PO-4)

0      1      2      3✓

e) An ability to apply the knowledge of the modern electrical engineering tools such as MATLAB / ETAP / PSCAD / PSIM / PSPICE simulator. (PO-5)

0 1 2 3 ✓

f) An ability to apply knowledge to access societal, health, safety and cultural issues relevant to the professional Engineering practice. (PO-6)

0 1 2 ✓ 3

g) An ability to demonstrate the knowledge of professional Engineering solutions in societal and environmental context for sustainable development. (PO-7)

0 1 2 ✓ 3

h) An ability to apply ethical principles and commend to professional ethics and responsibilities. (PO-8)

0 1 2 3 ✓

i) An ability to function as a team and to co-ordinate the project activities. (PO-9)

0 1 2 3 ✓

j) An ability to communicate effectively among the team members and working environment. (PO-10)

0 1 2 3 ✓

k) An ability to demonstrate the knowledge of Engineering and Management principles to manage projects. (PO-11)

0 1 2 ✓ 3

l) An ability to engage in independent and lifelong learning in the context of Electrical and Electronics Engineering and allied areas. (PO-12)

0 1 2 3 ✓

m) An ability to provide solution for Energy Security and Environmental Concern in the area of Renewable Energy to meet out the Country's Energy demand. (PSO-1)

0 1 2 ✓ 3

n) An ability to apply the knowledge of academic learning's to solve real life Engineering problems and find solutions for contemporary issues faced by society at large. (PSO-2)

0 1 2 3 ✓

**[3] Education Experience (please kindly encircle your choice)**

**Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) – 2; Strongly Agree (SA) – 3;**

a. Does the Department of EEE satisfy your expectations?

0                      1                      2                      3 ✓

b. Do you think that the department of EEE prepared you for employment in your core area?

0                      1                      2 ✓                      3

c. Does the curriculum of EEE satisfy your academic requirements to compete with other graduates of the same program in other institutions?

0                      1                      2                      3 ✓

d. Are you satisfied with the use of modern engineering tools and engineering codes of practice related EEE during your course of study?

0                      1                      2                      3 ✓

e. Are you satisfied with the teaching methodology and content delivery of EEE program?

0                      1                      2                      3 ✓

f. Do you think that the EEE program have given you an exposure to R &D activities?

0                      1                      2                      3 ✓

g. Are you confident enough that the EEE program has prepared you to practice as a professional Electrical and Electronics Engineer after 3 years from now?

0                      1                      2                      3 ✓

h. Are you satisfied with the faculty competency?

0                      1                      2                      3 ✓

i. Do you recommend the EEE program of SCE to others?

0                      1                      2                      3 ✓

**[4] Future Plan of Action (please kindly tick your choice)**

- a. Do you have any current job offer? YES | ☒ NO
- b. Are you going to become an Entrepreneur? YES | ☒ NO
- c. Have you planned for higher studies? YES | ☒ NO
- d. Have you appeared in Competitive Examination? YES | ☒ NO

If YES, please specify the name of the examination, along with score and rank

- e. Have you got any admission for higher studies at abroad or any? YES | NO

If, YES, please specify the university/college

**[5] Do you have any suggestions for the quality improvement of EEE dept.?**

## DEPARTMENT OF INSTRUMENTATION AND CONTROL ENGINEERING (Accredited by NBA)

### ALUMNI SURVEY

This alumni survey is an indirect assessment tool prepared to evaluate the outcomes of Electrical and Electronics Engineering students who have graduated from the Instrumentation and Control Engineering (ICE) program at Saranathan College of Engineering, Tiruchirappalli.

#### [1] Personal Information

Name of the Graduate : Sharan.R  
Batch No. : 235017.  
Register No. : 813820112017.  
Year of Graduation : 2024.  
Batch year : 2020 - 2024.  
Contact Number :  
Email ID :

#### [2] Outcome Achieved after Completing the ICE Program

(Please rate your achievement) (Please kindly encircle your choice)

Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) – 2; Strongly Agree (SA) – 3;

a) An ability to apply knowledge of differential and integral calculus, matrices, transforms techniques and Numerical techniques. (PO-1)

0                      1                      2                      3

b) An ability to identify problems on Electrical Machines, Analog and Digital Circuits. (PO-2)

0                      1                      2                      3

c) An ability to design system like controller circuits, components or process to meet the industrial needs. (PO-3)

0                      1                      2                      3

d) An ability to identify, formulate and solve problems of Electrical and Electronics Engineering. (PO-4)

0 1 2 3  
e) An ability to apply the knowledge of the modern electrical engineering tools such as MATLAB / ETAP / PSCAD / PSIM / PSPICE simulator. (PO-5)

0 1 2 3

f) An ability to apply knowledge to access societal, health, safety and cultural issues relevant to the professional Engineering practice. (PO-6)

0 1 2 3

g) An ability to demonstrate the knowledge of professional Engineering solutions in societal and environmental context for sustainable development. (PO-7)

0 1 2 3

h) An ability to apply ethical principles and commend to professional ethics and responsibilities. (PO-8)

0 1 2 3

i) An ability to function as a team and to co-ordinate the project activities. (PO-9)

0 1 2 3

j) An ability to communicate effectively among the team members and working environment. (PO-10)

0 1 2 3

k) An ability to demonstrate the knowledge of Engineering and Management principles to manage projects. (PO-11)

0 1 2 3

l) An ability to engage in independent and lifelong learning in the context of Electrical and Electronics Engineering and allied areas. (PO-12)

0 1 2 3

m) An ability to provide solution for Energy Security and Environmental Concern in the area of Renewable Energy to meet out the Country's Energy demand. (PSO-1)

0 1 2 3

n) An ability to apply the knowledge of academic learning's to solve real life Engineering problems and find solutions for contemporary issues faced by society at large. (PSO-2)

0 1 2 3

[3] Education Experience (please kindly encircle your choice)  
Disagree (DA) - 0; Partially Agree (PA) - 1; Agree (A) - 2; Strongly Agree (SA) - 3;

a. Does the Department of ICE satisfy your expectations?

0                      1                      2                      3

b. Do you think that the department of ICE prepared you for employment in your core area?

0                      1                      2                      3

c. Does the curriculum of ICE satisfy your academic requirements to compete with other graduates of the same program in other institutions?

0                      1                      2                      3

d. Are you satisfied with the use of modern engineering tools and engineering codes of practice related ICE during your course of study?

0                      1                      2                      3

e. Are you satisfied with the teaching methodology and content delivery of ICE program?

0                      1                      2                      3

f. Do you think that the ICE program have given you an exposure to R & D activities?

0                      1                      2                      3

g. Are you confident enough that the ICE program has prepared you to practice as a professional Electrical and Electronics Engineer after 3 years from now?

0                      1                      2                      3

h. Are you satisfied with the faculty competency?

0                      1                      2                      3

i. Do you recommend the ICE program of SCE to others?

0                      1                      2                      3

Future Plan of Action (please kindly tick your choice)

- a. Do you have any current job offer? YES | NO
- b. Are you going to become an Entrepreneur? YES | NO
- c. Have you planned for higher studies? YES | NO
- d. Have you appeared in Competitive Examination? YES | NO
- If YES, please specify the name of the examination, along with score and rank

- e. Have you got any admission for higher studies at abroad or any? YES | NO
- If, YES, please specify the university/college

[5] Do you have any suggestions for the quality improvement of ICE dept.?

Our ICE department has improved gradually.  
I like to further improve our department.

## Faculty Feedback on Syllabus

### [1] Personal Information

Name of the Faculty : A. GOMKRISHNAN  
Designation : AP Department : ICE  
Course Code and Name : 1C3451 <sup>Automatic</sup> Control System  
Year / Semester / Branch : II / IV / ICE  
AU - Regulation : R2021  
Academic year / ODD or EVEN : 2023-24 / EVEN

### [2] Choose appropriate option against each question

(Please rate your preference) (Please kindly encircle your choice)

Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) – 2; Strongly Agree (SA) – 3;

- a) The syllabus is designed to bridge the gap between academics and industry  
0                      1                      2                      (3)
- b) The syllabus is designed to bridge the gap between Theory and Practical  
0                      1                      (2)                      3
- c) The syllabus can be completed within the prescribed times limits

## DEPARTMENT OF INFORMATION TECHNOLOGY

### ALUMNI SURVEY

This alumni survey is an indirect assessment tool prepared to evaluate the outcomes of Information Technology students who have graduated from the Information Technology (IT) program at Saranathan College of Engineering, Tiruchirappalli.

#### [1] Personal Information

Name of the Graduate : MALOLAN. B. A  
Batch No. : 224036  
Register No. : 813819205034  
Year of Graduation : 2023  
Batch year : 2019 - 2023  
Contact Number : 8220777319  
Email ID : jd@vecert.org

#### [2] Outcome Achieved after Completing the IT Program

(Please rate your achievement) (Please kindly encircle your choice)

Partially Agree (PA) – 1; Agree (A) -2; Strongly Agree (SA) – 3;

a) An ability to apply knowledge of mathematics and basic programming. (PO-1)

1                      2                      3

b) An ability to identify problems on Data Structures, Computer architecture, Database management systems (PO-2)

1                      2                      3

c) An ability to design algorithms for problems of different domains to meet the industrial needs. (PO-3)

1                      2                      3

d) An ability to identify, formulate and solve various problems of Information Technology. (PO-4)

1                      2                      3

e) An ability to apply the knowledge of the modern tools such as Network simulators/ Data Mining tools/ Security tools/ Grid and Cloud Computing tools (PO-5)

1      2      3  
f) An ability to apply knowledge to access societal, health, safety and cultural issues relevant to the professional Engineering practice. (PO-6)

1      2      3  
g) An ability to demonstrate the knowledge of professional Engineering solutions in societal and environmental context for sustainable development. (PO-7)

1      2      3  
h) An ability to apply ethical principles and commend to professional ethics and responsibilities. (PO-8)

1      2      3  
i) An ability to function as a team and to co-ordinate the project activities. (PO-9)

1      2      3  
j) An ability to communicate effectively among the team members and working environment. (PO-10)

1      2      3  
k) An ability to demonstrate the knowledge of Engineering and Management principles to manage projects. (PO-11)

1      2      3  
l) An ability to engage in independent and lifelong learning in the context of Information Technology and allied areas. (PO-12)

1      2      3  
m) An ability to design, develop, test and maintain software systems with the latest tools in the fields of IT. (PSO-1)

1      2      3  
n) An ability to apply the knowledge of academic learning to solve real life Engineering problems and find solutions for contemporary issues faced by society at large. (PSO-2)

1      2      3

**[3] Education Experience (please kindly encircle your choice)**

**Partially Agree (PA) – 1; Agree (A) – 2; Strongly Agree (SA) – 3;**

a. Does the Department of IT satisfy your expectations?

1      2      3

b. Do you think that the department of IT prepared you for employment in your core area?

1      2      3

c. Does the curriculum of IT satisfy your academic requirements to compete with other graduates of the same program in other institutions?

1      2      3

d. Are you satisfied with the use of modern engineering tools and engineering codes of practice related IT during your course of study?

1      2      3

e. Are you satisfied with the teaching methodology and content delivery of IT program?

1      2      3

f. Do you think that the IT program have given you an exposure to R &D activities?

1      2      3

g. Are you confident enough that the IT program has prepared you to practice as an IT professional after 3 years from now?

1      2      3

h. Are you satisfied with the faculty competency?

1      2      3

i. Do you recommend the IT program of SCE to others?

1      2      3

**[4] Future Plan of Action (please kindly tick your choice)**

a. Do you have any current job offer?

YES | NO

b. Are you going to become an Entrepreneur?

YES | NO

c. Have you planned for higher studies?

YES | NO

d. Have you appeared in Competitive Examination?

YES | NO

If YES, please specify the name of the examination, along with score and rank

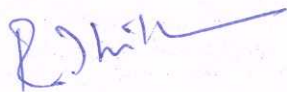

e. Have you got any admission for higher studies at abroad or any?

YES | NO ☒

If, YES, please specify the university/college

[5] Do you have any suggestions for the quality improvement of IT dept.?

## **Department of Mechanical Engineering**

### **Program Advisory Committee Meeting – IX**

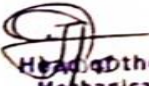

#### **AGENDA**

**Venue:** ME 203, Research lab/ Mech

**Date:** 10/07/2023

**Time:** 11:00 am

<b>Serial Number</b>	<b>Proposed Events</b>
1	Welcome address by Principal
2	Congratulatory speech/ note by Dr. N. Baskar
3	Strengthening CO-PO & CO-PSO attainment
4	Any other points
5	Vote of thanks

  
Head of the Department  
Mechanical Engineering  
Saranathan College of Engineering  
Tiruchirappalli - 620 012.

## Department of Mechanical Engineering

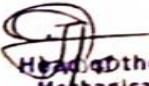

### Program Advisory Committee Meeting – IX

Academic Year: 2023-2024

Date: 10/07/2023

#### List of PAC members

Serial Number	Type of Stakeholder	Stakeholder	Name and Designation
1	Internal Stakeholder	Management Representative	Dr.D.Valavan, Principal
2		Department Representative	Dr.G.Jayaprakash Prof. & HOD/Mech
3		Program Coordinator	Dr.N.Baskar Prof., Mech
4		Placement coordinator	Dr.S.M.Giriraj Head, T&P
5		Faculty members	Dr.A.Mercyvasan AP/Mech
6			Mr.R.SureshBabu AP/Mech
7			Dr.MGaesan AP/Mech
8	External Stakeholder	Eminent Academician	Dr.S.Suresh Associate Professor, Department of Mechanical Engg, NIT-Trichy
9		Research Organization	Dr.I.Balasundar Scientist – F, Near net shape group, Aeronautical material division Defence Metallurgical Research Lab Hyderabad – 500 058
10		Research - Industry	Mr.M.Vivekanandan Manager, R&D, Uttam Industries, Tiruchirappalli

  
Head of the Department  
Mechanical Engineering  
Saranathan College of Engineering  
Tiruchirappalli - 620 012.

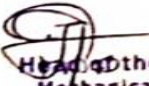

Principal

11		Industry	Dr.K.Devakumaran Sr. Engineer, WRI, BHEL, Trichy – 620 014, Tamilnadu.
12			Mr.G.Ajitha Prabhu Director, Kriatec Services (P) ltd Chennai.
13		Alumni	Mr.N.Sathyanarayanan (2008 – 2012)
14		Parents	Mr.C.Selvaraj No:18, Vincent Colony Williams Road, Cantonment, Trichy – 620 001.

### Minutes of Meeting

- ❖ Our Principal Dr.D.Valavan, welcomed the members for the sixth PAC meeting
- ❖ The PAC members were briefed by our HOD on the different actions that were conducted to promote CO-PO accomplishment during the previous academic year.
- ❖ Our program coordinator emphasized on focus area as well as plan for the AY 2023-24.
- ❖ Dr.I.Balasundar appreciated the department's efforts in encouraging the faculty members to participate in faculty development programs. He wants to include similar training programs for students in the current academic year also.
- ❖ Dr.R.Sureshbabu insisted on students exposure to latest cutting edge technologies and software in the field of Mechanical Engineering.
- ❖ Mr.AjithaPrabhu suggested conducting various guest lectures on the emerging areas in Mechanical Engineering.
- ❖ Mr.M.Vivekanadhan was impressed about initiatives taken by faculty members to teach students in the blended mode including presentations and videos along with traditional chalk and talk ensuring the attainment of the various outcomes which is really a challenging task.

  
 Head of the Department  
 Mechanical Engineering  
 Saranathan College of Engineering  
 Tiruchirappalli - 620 012.

**SARANATHAN COLLEGE OF ENGINEERING**

(Approved by AICTE, New Delhi, Affiliated to Anna University, Chennai-25)

**DEPARTMENT OF MECHANICAL ENGINEERING**

**Date : 15-12-2023**

**Ref No : SCE/MECH/2023-2024/ODD Sem/Second Class Committee Meeting/Circular/02**

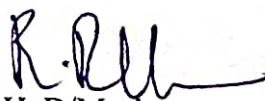

The First class committee meeting for II year MECH -A section will be held on 16-12-2023 at Mechanical Seminar hall between 3.30 PM and 3.45 PM. All the committee members are requested to attend the meeting.

**Agenda for discussion:**

- (i) Vision, Mission, Pos, PEOs and PSOs of the department
- (ii) COs of each subject
- (iii) Syllabus Completion status and IAT-2 Test analysis
- (iv) Attendance performance
- (v) Discipline

**Committee members:**

S.No	Faculty Name	Subjects Handled
1	Dr.R.Buveneswari (Maths)	MA3351 - Transforms and Partial Differential Equations
2	Dr.A.Mercyvasan	CE3391 - Fluid Mechanics and Machinery
3	Mr.P.Vigneshwar	ME3351 - Engineering Mechanics
4	Mr.K.Amarnath	ME3391 - Engineering Thermodynamics
5.	Mr.S.Vinoth Kumar	ME3392 - Engineering Materials and Metallurgy
6	Dr.M.R.Anandapadmanaban	ME3393 - Manufacturing Processes
7	Mr.K.Amarnath	ME3381 – Computer Aided Machine Drawing Laboratory
8	Dr.N.Baskar	ME3382 – Manufacturing Technology Laboratory I
9	Mr.S.Vinoth Kumar & Mr.P.Vigneshwar	Class Coordinators
10	Dr.R.Rekha	Chairperson

  
HoD/Mech

**Saranathan College of Engineering**  
**Trichy-12**  
**Department of Mechanical Engineering**  
**Class Committee Meeting - I**

**Class : II-A**

**Sem : III**

**Venue : Mechanical Seminar Hall**

**Chair Person : Dr.Rekha (Head/Mechanical)**

**Date : 28/11/2023**

**Time: 03:30 pm**

**Staff Members:**

Sub Code	Subject Name	Staff Name	Signature
MA3351	Transforms and Partial Differential Equations	Dr.R.Buvaneswari	
CE3391	Fluid Mechanics and Machinery	Dr.A.Mercyvasan	
ME3351	Engineering Mechanics	Mr.P.Vigneshwar	
ME3391	Engineering Thermodynamics	Mr.K.Amarnath	
ME3392	Engineering Materials and Metallurgy	Mr.S.Vinoth Kumar	
ME3393	Manufacturing Processes	Dr.M.R.Anandapadmanaban	
ME3381	Computer Aided Machine Drawing Laboratory	Mr.K.Amarnath	
ME3382	Manufacturing Technology Laboratory-I	Dr.N.Baskar	

**Student Members:**

Class Coordinator

Chair Person

HOD/Mech

## Action Taken:

The concerned staff members are asked to post the materials, question bank for the subjects. As per the request from the students, the faculty are asked to follow a blended method of teaching in order to give a better understanding. The faculty should give more attention towards slow learners and ensure their improvement.

**Action Taken based on Feedback Report:**

- Faculty members are asked to create a healthy learning environment in the classroom.
- Staff is requested to ensure good reachability of topics taught to all students in the classroom.
- Staff is requested to give a brief recap of topics taught in the previous class before starting the new session.
- Staff is requested to ensure good flow in the teaching pattern to enable easy understanding to students.
- Faculty members are instructed to be a facilitator to the students.
- Faculty members are asked to give valuable additional information in the class.
- Faculty members are asked to take relevant steps to bridge the industry- institution gap.
- Staff members are instructed to add content beyond syllabus for the subjects they teach.
- Staff members are asked to create a friendly atmosphere inside the classroom.
- Elimination of partiality to students was emphasized to the staff.

**Action Taken based on Feedback Report:**

- Staff members are asked to explain the students the areas in which they are lacking.
- Staff members are asked to nurture the students according to their needs.
- Faculty is asked to keep themselves updated in subjects whom they teach.
- Faculty members are asked to change their teaching pattern according to the requirement of the students.
- Staff members are asked to give regular feedback to students about their academic performance.
- Staff is requested to ensure understanding of each and every student in the classroom.
- Staff members are asked to evaluate the answer scripts fairly by taking time read all the answers.
- Faculty members are instructed to ensure improvement in performance of all students.
- Staff members are asked not to teach in the exam point of view alone.
- Staff members are instructed to improve the quality of question papers set for the Internal Assessment tests.

Ref No. SCE/MECH/2023-24/ODD SEM/Faculty Feedback –reg

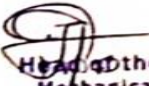

**Hod remarks about student's feedback about the Faculty:**

This message was personally communicated by the HoD to the faculty members. It was observed that the following faculty Dr. M R. Ananthapadmanaban (Professional Ethics In Engineering-73.22%), Mr.S.Vinoth Kumar (E3392/Engineering Materials and Metallurgy-67.64%) and Dr.R.Rekha (G8591/Principles Of Management-74.31%) were having less feedback. The feedback from the students was taken during 2023-24 ODD Semester.

Faculty members were asked to stick to timelines in correcting and distributing answer scripts. Staff members were asked to make themselves approachable to students. Staff members were asked to make use of e resources in teaching. Faculty members were directed to treat each student individually based on his/her capacity. Staff members were strictly advised to remove mediocrity in teaching/learning process. Staff members were asked to follow arm twisting techniques in teaching to create interest in students. Staff members were asked to give additional information apart from the facts given in text books. Faculty was asked to have individual concern and care for each and every student. Staff members were instructed to have questionnaire session to clear the doubts of students. Staff members were asked to complete the syllabus well in advance before the exam dates.

Ref No. SCE/MECH/2023-24/EVEN SEM/Faculty Feedback –reg

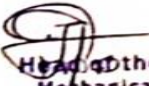

**Hod remarks about student's feedback about the Faculty:**

This message was personally communicated by the HoD to the faculty members. It was observed that the following faculty Mr. Ravindran(GE3251/Engineering Graphics-69.54%), Dr. Rekha(CE3491/Strength Of Materials-73.05%) and Dr. M. R. Ananthapadmanaban (ME3493/Manufacturing Technology-74.32%) were having less feedback. The feedback from the students was taken during 2023-24 ODD Semester.

Staff members were asked to follow a steady pace in covering topics of the syllabus. Staff members were advised to counsel the students regularly and give them advises. Staffs were asked to be student friendly and create friendly atmosphere in the classroom. Staffs were asked to speak loudly and clearly to improve their audibility inside the classroom. Staff members were instructed to correct the answer scripts and not to value it. Faculty members are advised to have good subject clarity. Staff members were insisted to update their knowledge level. Staff members were asked to give real time examples for topics taught in the class. Importance of impartiality was told to the faculty.

#### ALUMNI SURVEY

This alumni survey is an indirect assessment tool prepared to evaluate the outcomes of MBA students who have graduated from the Department of Management Studies program at Saranathan College of Engineering, Tiruchirappalli.

#### [1] Personal Information

Name of the Graduate : Kaviya .K  
Batch No. : 197519  
Register No. : 813816631018  
Year of Graduation : 2018  
Batch year : 2016 - 2018 .  
Contact Number : 8508262041  
Email ID : -

#### [2] Outcome Achieved after Completing the MBA Program

(Please rate your achievement) (Please kindly encircle your choice)

Disagree (DA) – 0; Partially Agree (PA) – 1; Agree (A) -2; Strongly Agree (SA) – 3;

a) An ability to apply knowledge of the different aspects of the human behavior to the individual, group and organizational perspectives of the workplace.

0            1            2            ③

b) An ability to identify core concepts in Marketing and the role of marketing in society.

0            1            2            ③

c) An ability to understand fundamentals of communication and be able to use Concept in day to day world.

0            1            2            ③

d) An ability to demonstrate necessary skills to handle day to day managerial responsibilities such as – making speeches, controlling one to one communication, enriching group activities and processes, giving effective presentations, writing letters.

0            1            2            ③

e) An ability to familiarize with basic to intermediate skills for use Excel in the classroom vis à-vis business Applications.

0            1            2            ③

f) An ability to adapt business etiquettes practices for different business scenarios.

0            1            2            ③

g) An ability to learn the etiquette requirements for meetings, entertaining, telephone and Internet business interaction scenarios.

0            1            2            ③

h) An ability to learn basic aspects of an Enterprise.

0            1            ②            3

i) An ability to adapt quantitative techniques in managerial decision making.

0            1            2            ③

j) An ability to understand the basics of Banking and the emergence of Banking in India.

0            1            2            ③

k) An ability to Experience with CRM and role of IT in managing service operations.

(3) Education Experience (please kindly encircle your choice)

Disagree (DA) - 0; Partially Agree (PA)-1; Agree (A) -2; Strongly Agree (SA) - 3

a. Does the Department of MBA satisfy your expectations?

0            1            2            ③

b. Do you think that the department of MBA prepared you for employment in your core area?

0            1            2            ③

c. Does the curriculum of MBA satisfy your academic requirements to compete with other graduates of the same program in other institutions?

0            1            2            ③

d. Are you satisfied with the use of modern engineering tools and engineering codes of practice related MBA during your course of study?

0                      1                      2                      (3)

e. Are you satisfied with the teaching methodology and content delivery of MBA program?

0                      1                      (2)                      3

f. Do you think that the MBA program have given you an exposure to R &D activities?

0                      1                      2                      (3)

g. Are you confident enough that the MBA program has prepared you to practice as a professional MBA after 3 years from now?

0                      1                      (2)                      3

h. Are you satisfied with the faculty competency?

0                      1                      (2)                      3

i. Do you recommend the MBA program of SCE to others?

0                      1                      2                      (3)

**[4] Future Plan of Action (please kindly tick your choice)**

a. Do you have any current job offer?

YES | NO

b. Are you going to become an Entrepreneur?

YES | NO

c. Have you planned for higher studies?
