

SARANATHAN COLLEGE OF ENGINEERING

(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai)
Venkateswara Nagar, Panjappur, Tiruchirappalli-620012, Tamil Nadu.

INDEX

CRITERION: 1.4.2

Feedback process of the Institution

2023-2024

S.No.	Department	Page No.
1	Artificial Intelligence and Data Science	1-13
2	Civil Engineering	14-33
3	Computer Science and Business Systems	34-83
4	Computer Science and Engineering	84-115
5	Computer Science and Engineering (AIML)	116-136
6	Electronics and Communication Engineering	137-140
7	Electrical and Electronics Engineering	141-157
8	Instrumentation and Control Engineering	158-208
9	Information Technology	209-235
10	Mechanical Engineering	236-247
11	Master of Business Administration	248-273

5. Students were advised not to take leave.
6. Students were advised to take care of their health.
7. Students were asked to follow the dress code seriously.
8. Students were advised to take the IA exam seriously.
9. Students were advised to be present in the class 10 minutes before starting the session.
10. Students should not use their mobile phones from 9:15 Am to 4:45 pm; if they use then the phone can be confiscated.

CLASS COMMITTEE MEETING CIRCULAR (AY: 2023-2024 EVEN)

The class committee meeting for III Year AI & DS (VI SEM) will be held on **15.04.2024 at 12.30P.M.** The Staff members and Student representatives are requested to attend the class committee meeting without fail and give your suggestions for the improvement of the students.

Venue: JS Block Lab 4

Staff Members:

1. Dr.S.RAVIMARAN
2. Mrs.A.SRIDEVI
3. Mr. P DINESHKUMAR
4. Mrs.T.ANITA DOROTHY
5. Mrs.A.Kayal

Class Committee Meeting Report for II Year (IV SEM-'A') AI & DS

ACADEMIC YEAR (2023-2024)

The Class Committee Meeting for II Year AI & DS (IV SEM A) was held on **15.04.2024 at 11.30A.M** at **JS Block Lab 4** with the following Staff Members and Student representatives and points discussed in the session are mentioned below.

S. No	Subject Code	Subject Title	Staff Name	Staff Signature
1.	MA3391	Probability & Statistics	Dr.P.K.Lakshmi Devi	
2.	AL3452	Operating System	Ms. G.Nithyalakshmi	
3.	AL3451	Machine Learning	Mr.P.Dineshkumar	
4.	AD3491	Fundamental of Data Science & Analytics	Ms. A.Sridevi	
5.	CS3591	Computer Networks	Ms.T.Anita Dorothy	
6.	GE3451	Environmental Science & Sustainability	Dr.V.Balamurugan	

The following points were discussed by the HOD:

1. Subject wise issues is been discussed.
2. Environmental Science & Sustainability subject handling faculty member are requested to raise voice slightly during lecture hours.
3. Operating System subject handling faculty member are requested to explain the concept in detail. Need more explanation for all the concepts for better understanding.
4. Operating System laboratory handling faculty member are requested to give more explanation for the lab exercises.

Class Committee Meeting Report for III Year (VI SEM) AI & DS

ACADEMIC YEAR (2023-2024)

The Class Committee Meeting for III Year AI & DS (VI SEM) was held on **15.04.2024 at 12.30P.M** at **JS Block Lab 4** with the following Staff Members and Student representatives and points discussed in the session are mentioned below.

S. No	Subject Code	Subject Title	Staff Name	Staff Signature
1.	CCW332	Digital Marketing	Mr.P.Dineshkumar	
2.	CCS365	Software Defined Network	Mrs.A.Sridevi	
3.	CCS336	Cloud Service Management	Mrs.A.Kayal	
4.	CCS372	Virtualization	Ms.T.Anita Dorothy	
5.	CS3691	Embedded System and IoT	Dr.K.Malaisamy	

The following points were discussed by the HOD:

1. Subject wise issues is been discussed.
2. All the faculty members completed 4 Units.
3. Embedded System and IoT subject handling faculty member are requested to explain the concept in detail. Need more explanation for all the exercises for better understanding.
4. Students were advised not to take leave.
5. Students were advised to take care of their health.
6. Students were asked to follow the dress code seriously.
7. Students were advised to take the IA exam seriously.

8. Students were advised to be present in the class 10 minutes before starting the session.
9. Students should not use their mobile phones from 9:15 Am to 4:45 pm; if they use then the phone can be confiscated.

Minutes of Class Committee meeting with adopted students – II YEAR CIVIL Engineering

The meeting was conducted on 09.10.2023 in HOD's Cabin during Interval break.

The following points were discussed in the meeting:

1. Instructions on Dress Code (Formal Dress, ID), Class Discipline and mobile Phones usage were discussed and students were insisted to follow the rules and regulations.
2. Portion completion status, understanding of the subjects and recommended text books were discussed. It was found that all the Faculty members are going on as per the planner.
3. ME3351 - Engineering Mechanics – (Ms.P.Vaishali)
Students requested to explain concepts before solving numerical Problems.
4. CE3302 - Construction Materials and Technology - (Mr.G.Venkatesan) & CE3304 Surveying - (Mr.S.Kannan).
Students are requested for Picture & Video oriented PPT's.
5. Remaining Theory subjects no issues.
6. Regarding CE3311 - Water and Waste water Analysis Laboratory (7 Experiments were completed) & CE3351- Surveying Laboratory (6 Experiments were completed)
7. Students were motivated to participate in Extra and Co-Curricular activities to improve their personality. All the students were instructed to maintain their Class Notes regularly which will be useful during exam time.

CIRCULAR

Dear Sir / Madam,

The meeting of the Program Advisory Committee (PAC) of Department of Civil, Saranathan College of Engineering, Trichy is scheduled on 13 th May 2024, at 10 AM in JS Block Seminar hall. The agenda of the meeting is detailed herewith. You are therefore requested to kindly make it convenient to attend the meeting.

Agenda for PAC meeting

1. Compliance status and confirmation of the minutes of program advisory committee Meeting.
2. Review CO, PO, and PSO assessment and recommend actions based upon the findings of Anna University Regulation 2021 syllabus.
3. The safety measures to be adopted by the academic institution.
4. How to enhance student's knowledge through online mode.
5. What kind of change can be adopted in teaching methodology?
6. Preparing students as industry ready engineers.
7. Identifying the gap in curriculum addressing industry needs and ways to bridge the same.
8. Recommendation of equipment, supplies or the development of simulated work environments
9. Review of existing equipment, facilities, resources and its utilization.
10. Review of courses of study and standards of proficiency in the areas which are essential to march in a successful career path. To encourage Civil department faculty to submit funded research proposals
11. To review the status of internal resource generation.
12. To review the alumni engagements and enhancement of alumni interaction.
13. Any other item with the permission of the Chair.

Thanks & Regards,

Dr. A. Belin Jude,

3		Supporting Staff	Mr.S.Kubera Sampath, Laboratory Assistant.
4		Students	1. Mr.R.Gowtham IV Civil 2. Ms.E.Harinee. III Civil
5	External stake holder	Expert from Academician	Dr. S.T. Ramesh, Professor, National Institute of Technology, Tiruchirappalli-620015.
6		Parent	Er.S.Sakthivel Arul Jothi Constructions (Proprietor) Trichy
7		Expert from Industry	Er. V. ILANCHEZHIAN, M.E., P.E., F.I.V., M.I.Struc., C. Engg.(I), M.I.E. M.Sc., (Real Estate & Valuation) I.B.B.I. (Insolvency and Bankruptcy Board of India) V.I. CONSTRUCTIONS Senior Professional Engineer Chartered Structural Engineer, Registered Valuer Class – I- A Engineer, Panel Valuer I.O.B., P.N.B., Canara Bank, Indian Bank, Bank of Maharashtra, Syndicate Bank. J.V.R. Apartments, Big Sowrastra Street, Woraiyur, Trichy – 3.

Dr. A.Belin Jude HoD/Civil welcomed the PAC Members for the ninth meeting and greeted, and shared his happiness in achieving NBA accreditation for the Department of Civil Engineering for next three years. He thanked the members of the PAC for their support. Further, he recollected the POs, PSOs, PEOs of the department and also elaborately mentioned the progress attained by the department.

Dr. D.Valavan, Principal, greeted the members PAC and shared his happiness in achieving **A+ grade** in the recent **NAAC assessment** by scoring 3.27 points on a scale of 4. A three-member peer team including a chairman, member secretary and a member for qualitative assessment visited the college on **April 8-9, 2021**. The assessment of the peer team constitutes 30% of the total assessment process of NAAC. Rest of the 70% depends on the 110-page detailed self-study report submitted by the institution followed by peer team visit for qualitative assessment. While the institution is evaluated on seven major parameters, SCE secured well in terms of curricular aspects besides infrastructure and learning resources. The whole accreditation process was challenging considering the high standards of the assessment process. We are satisfied with the outcome even though we believe that we are capable of getting an even higher score. The NAAC accreditation will help the institution to get autonomous status besides research grants from various central agencies. He also said the college already has NBA accreditation for six undergraduate branches of engineering out of total seven. As per planning Institution has started three computing branches in the year 2021, he added.

1. The minutes of the ninth meeting of PAC were confirmed.

Minutes of the discussion on the agenda items of the seventh meeting of the PAC are:

2. Review CO- PO - PSO assessment and recommend actions based upon the findings.

- The CO, PO and PSO attainment for the 2019-2023 batch graduates were projected with the process of evaluating the CO, PO, and PSO attainment.
- Since the student's mind is getting diverted due to excess usage of electronic gadgets and social media, it was recommended to change the teaching methodology to enhance the level of learning and hence the target of CO, PO, and PSO can be achieved.

3. How grow institution academically through online mode.

Er. V. ILANCHEZHIAN, Industrial Expert expressed his views on online mode of classes, In this Covid pandemic situation the students attending physical mode class are restricted by the government as the safety measure to stop the spreading, these times the ICT teaching tools plays a vital role in handling class. Hence use all the possible ways and means to use ICT teaching tools available. The institute can spare some amount in purchase of license if required. He also said that the specialized trainings given to the faculty members may also help them to understand the need of industries

4. Need of change in teaching methodology

The teachers has to change the mode of teaching, the traditional chalk and talk

method miserably fails due to the covid situation, hence all the teaching fraternity should learn new ICT teaching methodology and convey the technical knowledge as much as possible to the students. The faculty members are advised to attend few FDP/Workshop to get knowledge on the possible ICT tools so that they can reach students easily.

5. Identifying the gap in curriculum addressing industry needs and ways to bridge the same

- Further, Ms.R. Gowtham IV Civil, Internal stakeholder, requested the department to organize some eye-opening events such as workshops, seminars, and hands on training or talks by experts from industry.
- Ms. E .Harinee III Civil, Internal stakeholder, asked to include a doubt clearing session for every course apart from the tutorial classes which are mainly focusing on problem solving only.

6. Recommendation of equipment, supplies or the development of simulated work environments

- The PAC requested to provide a spacious library in which all available study material must be displayed with a proper/specific label in the department library for clear visibility and also suggested to provide some seating arrangements to the students to take notes.

7. Review existing equipment, facilities, resources and its utilization.

- Members of PAC happily recollected the protection switch gear lab utilized for experimental learning for the protection switch gear course for all final year students and asked to continue this experimental learning. Further the PAC asked to conduct switch gear training sessions for nearby institutions at reasonable fee so that it can generate some revenue. Happy to know that the department has received fund from Modernization and Removal of Obsolescence (MODROBS) to upgrade the laboratories to advanced research activities.

8. Review courses of study and standards of proficiency in areas which are essential to becoming successfully employed in a career path.

- Er.S.Sakthivel, Proprietor of Arul Jothi Constructions suggested to offer some important professional courses in addition to the regular technical courses. He added further to conduct professional workshops to develop the skills required to improve employability.

9. To review the status of Research Projects sponsored by Government / Non-Government Agencies and suggest steps for enhancement of grants.

- Expert from NIT Trichy, Dr. S.T.Ramesh insisted the faculties who have completed their Doctoral degree to apply for guide ship and to approach the funding agencies which may be either Government or Non-Government Agencies for funded research and grants for STTP, FDP, Workshop etc.

- Further he added, to increase faculty research publication numbers at least one per semester.

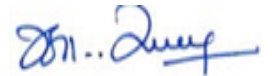

10. To review the status of Internal Resource Generation.

PAC recommended the Department of Civil Engineering may make necessary arrangements to conduct faculty development programmes (FDP) and Short-Term Training Programmes (STTP). It is also suggested that the department may offer consultancy services, like, energy auditing, testing commissioning, etc..

11. To review the Alumni Engagements and enhancement of alumni interaction.

- The report to be submitted to the PAC members for approval to conduct the alumni meeting and suggestions on the same. It is shared that the alumni meeting may help to debate and discussion over the existing problems in the department and to reach the possible solutions to eradicate the identified.

As there was no other item placed before the Chair. The meeting ended with a vote of thanks.

Dr.A.Belin Jude

DEPARTMENT OF CIVIL ENGINEERING

Ref: SCE / CIVIL / PAC/ Compliancereport/ 2024

16.05.2024

Compliance report for the academic year 2023-2024 are listed below

Events conducted by the Department of Civil in the academic year 2023-2024.

- ✓ Engineers Day was celebrated on 15/9/23 with various intra departmental activities.
- ✓ World water day was celebrated with special guest lecture.
- ✓ All Department faculty members attended AICTE sponsored online FDP organised by various colleges
- ✓ Faculty members have published articles of their student project works in various reputed research journals.
- ✓ The faculty members have attended various workshops seminar or Faculty Development Programmes especially ATAL, AICTE sponsored and many others in online mode besides normal academic work.
- ✓ The faculty members were aware of the latest ICT tools to connect students in better way so that the learning made easy, simple and interesting.

A handwritten signature in blue ink, appearing to read 'S. S. Suresh', is written over the printed name 'HoD'.

**Date: 18/04/2024****Circular - Class Committee Meeting 1****II Year/III Sem CSBS – ‘A’ Section**

The First Class Committee Meeting for II year CSBS - ‘A’ Section was planned on **22.04.2024 MONDAY** at **2.30 P.M** in BD LAB 2 (BD Block). All the subject handling Staff Members and Student representatives are requested to attend meeting without fail.

S. No	Subject Code	Subject Title	Staff Name
1.	MA3391	Probability and Statistics	Dr. S. Sivamani (Maths)
2.	AL3452	Operating Systems	Ms. A. Mohanadevi (CSBS)
3.	CW3401	Introduction to Business Systems	Mr .S. Saravanan (MBA)
4.	CS3492	Database Management Systems	Ms. A. Thenmozhi (CSBS)
5.	AL3451	Machine Learning	Mr. R. Kannan (CSBS)
6.	GE3451	Environmental Sciences and Sustainability	Mr. A. Lakshmanan (Chemistry)

Student Members:

1. Bhavadharani D	259008
2. Dhivya J	259013
3. Mahati S	259031
4. Stephy Bless S	259047
5. Pragatheesh A	259038
6. Tharun S	259051
7. Uday R	259052
8. Yagale E	259056
9. Avinash M	259057

Meeting Agenda:

1. Discipline, Punctuality and Dress code.
2. About 75% Attendance.
3. Importance of IA test marks.
4. Syllabus Completion, Subject wise issues.

First Class Committee Meeting Report

II Year/IV Sem CSBS – ‘A’ Section

The first-Class Committee Meeting for II year CSBS - ‘A’ Section was held on 22.04.2024 at 2.30 P.M in BD LAB 1 (BD Block) with the following Staff Members and Student representatives and points discussed in the session are mentioned below.

S. No	Subject Code	Subject Title	Staff Name	Signature
1.	MA3391	Probability and Statistics	Dr. S. Sivamani Assistant Professor/Maths	
2.	AL3452	Operating Systems	Ms. A. Mohanadevi Assistant Professor/CSBS	
3.	CW3401	Introduction to Business Systems	Mr.S. Saravanan Assistant Professor/MBA	
4.	CS3492	Database Management Systems	Ms. A. Thenmozhi Assistant Professor /CSBS	
5.	AL3451	Machine Learning	Mr. R. KANNAN Assistant Professor/CSBS	
6.	5. GE3451	Environmental Sciences and Sustainability	Mr. A. Lakshmanan Assistant Professor /Chemistry	

The following points were discussed by the HOD:

1. Students and Faculties Should Punctual to the class.
2. Dress code should strictly have adhered to the college rules.
3. Number of absentees every getting increased and must be reduced.
4. Syllabus completion status were collected from students.
5. Issues in all the subjects were discussed and resolved.
6. All the students should have a hard copy study material and should not study from Mobile.
7. Students should submit Assignments given by the respective subject faculties on or before the date given.
8. Students expecting more clear content in the unit wise notes.
9. Finally, Hod insisted the students to involve and improve their coding skills.

The requisitions made by the students:

1. Need to highlight the important questions for every unit.
2. Requested for Notes and question banks.
3. Requested to explain with more clear examples.

Student Members:

1. Bhavadharani D	259008
2. Dhivya J	259013
3. Mahati S	259031
4. Stephy Bless S	259047
5. Pragatheesh A	259038
6. Tharun S	259051
7. Uday R	259052

First Class Committee Meeting Report

Ist Year/ IInd Sem CSBS-‘A’ Section

The first Class Committee Meeting for I – year CSBS-‘A’ Section was held on **23.04.2024 TUESDAY** at **11.15 A.M** in Physics Lab (RV Block) with the following Staff Members and Student representatives and points discussed in the session are mentioned below.

S. No	Subject Code	Subject Title	Staff Name
1	MA3251	Statistics And Numerical Methods	Dr.D.Geetha
2	PH3256	Physics For Information Science	Dr.R.Mariappan
3	AD3251	Data Structure Design	Ms.J.Sangeetha Priya
4	HS3252	Professional English	Ms.S.Sandra
5	BE3251	Basic Electrical And Electronics Engineering	Ms.C.Pearline Kamalini
6	GE3252	Tamils and Technology	Dr.M.Thangam
7	GE3251	Engineering Graphics	Dr.S.Karthikeyan Dr.R.Rekha Mr.A.Ravindran
8	GE3271	Engineering Practices Laboratory	Mr.R.Suresh Babu
9	AD3271	Data Structure Design Lab	Mr.R.Kannan Ms.S.Angel Sweety Sheeba
10	GE3272	Communication Laboratory	Ms.S.Sandra

The following points were discussed by the HOD:

1. Students should study in home every day class which taught by the staffs.
2. Students advised to complete their assignments in time.
3. Students should follow the class room decorum while class is going on.
4. Students advised to analyze and apply the brain power in solving Engineering Graphics Designs.
5. Students strictly informed to avoid take leave.
6. Improve to pass all the subjects and all students in IA tests.

The requisitions made by the students:

1. Need to provide the notes before taking the respective topics for physics.
2. Additional hours needed for Engineering Graphics.
3. Need more grammar exercise for English subject.
4. Requested to teach slowly to understand mathematical concepts for Statistics and Numerical Methods subject
5. Requested to teach same teacher for both theory and lab in Data Structures and Design Subject.

6. Students suggested explaining individual concepts in a topic then explain it combine together for basic Electrical and Electronics subject and slow teaching speed is expected.
7. Requested to repair the benches and desks in class room (RV 407) because some of the benches are with rust.
8. One tube light requested to replace in the class room (RV407) and some fans running slow. It is requested to repair.

Action Taken

1. Requested to Dr.R.Mariappan sir and other subject handling staffs to provide notes before taking the relevant subject topic.
2. HOD sir assured to provide additional hours for Engineering Graphics
3. Informed to Ms.S.Sandra madam to give more grammar exercise.
4. Requested Dr.D.Geetha madam to teach slowly for the Statistics and Numerical Methods subject
5. HOD sir assured to take same faculty both for theory and lab in further semester.
6. Requested Ms.C.Pearline Kamalini madam to explain individual concept in a topic and explain it by combining together also teach slowly.

Student Members:

4.	CS3391	Object Oriented Programming	Ms. A. Thenmozhi Assistant Professor/CSBS
5.	AD3351	Design and Analysis of Algorithms	Ms.P. Kaviya Assistant Professor /CSE

The following points were discussed by the HOD:

1. Students should co-operate with faculty to get good marks.
2. Syllabus completion status was collected from students.
3. Previous year University question papers should be discussed in the class.
4. All the students should have a hard copy study material and should not study from Mobile.
5. Students should complete the Lab records on time.
6. Students should get prepared for the university exam as earlier as possible.
7. Students should submit Assignments given by the respective subject faculties on or before the date given.
8. Faculties should give the question bank for each Unit.

The requisitions made by the students:

1. Need to highlight the important questions for every unit.
2. Requested for Notes and question banks.

Faculty Feedback 2 Action taken report (MAR 2023) based Counselling report

II year: The staff members Prof. Venkatasubramanian, HOD., and Mr.Mohankumar were received the faculty feedback score above 80%. They are appreciated for the feedback they received. Mrs. Mohanadevi received the faculty feedback 71% for AD3251 Data Structures Design and 74% for Operating systems. She asked to handle classes interactively with more real time examples.

All the staff members are encouraged to give their best to the students to improve their skills by attending FDP and workshops on recent topics.

First Class Committee Meeting Report for III Year CSE A

21-09-2023

The First Class Committee Meeting for III Year CSE-A section will be held on **21-09-2023 in CSE Seminar hall at 01.00 pm** with the following Staff Members and Student Representatives and points discussed in the session as mentioned below.

The Vision and Mission (Department and College) PEOs and PSOs of the department are disseminated to the students in every Class Committee Meeting.

S.No.	Subject Code	Subject Title	Meeting Minutes	Staff Signature
1	CS3591	Computer Networks	The students mentioned that they understand the concept and have no issues.	A.T.R.
2	CS3501	Compiler Design	The students mentioned that they understand the concept and have no issues.	[Signature]
3	CB3491	Cryptography and Network Security	The students mentioned that they understand the concept and have no issues. Continuity of the syllabus discussed.	[Signature]
4	CS3551	Distributed Computing	The students are able to understand the subject. Need Continuity in the classes, board interaction and additional materials.	J. Subashini
5	CCS360	Recommender Systems	The students understand the subject well. Need additional materials.	[Signature]
6	CCS375	Web Technologies	The students mentioned that they understand the concept.	[Signature]

The points discussed in the meeting are given as follows:

- Students were advised not to take leave and follow the dress code properly.
- Students were advised to maintain the attendance in each and every subject.
- Students were advised to take the internal tests seriously and sincerely and perform well.
- The students requested one additional table desk and for the windows to be covered with a black sheet to improve projector visibility.

- The students requested that T&P (Training and Placement) hour be continuous for two hours to effectively work on and cover the modules.
- The students requested for additional Practical hours for Inlustro and more content for the class.

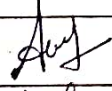

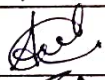

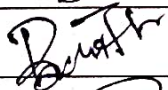

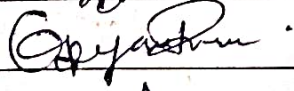

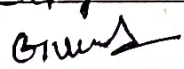

The following points were discussed by the Chair Person:

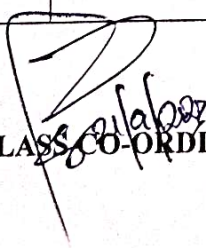

- The Class room desks should be arranged in proper manner as per the instructions given by the Principal.
- The students should be motivated to maintain discipline in Class room as well as inside the College premises.
- The students should be instructed to avoid the late presence, by the Staff members.
- The students are motivated to participate in the T&P (Training and Placement) test sincerely and complete all the modules without any excuses, and they would like this to be considered for placement.
- The students were motivated to obtain University ranks and active participation towards the events conducted in the department and participation in Intra College Hackathon's.
- The Staff members should insist the students to maintain their attendance percentage above 90 Percent by avoiding, taking leave and in unavoidable conditions, they should inform their Class coordinator as well as HOD, in advance.

The requisitions made by the students:

- The Students requested to arrange Industrial Visit in order to enrich their knowledge with industrial background.

Student Members:

Saranathan College of Engineering
Tiruchirappalli - 12

Department of Computer Science and Engineering

Action Taken Report

SEMESTER: ODD

ACADEMIC YEAR: 2023-2024

The Students feedback about the feedback for the subjects handled by them during this semester is attached above. Based on the above, The following faculty members [Below 60%] were called for a meeting with the principal on 25-09-2023 at 5.10pm at the Principal's Chamber.

S.no	staffcode	branch /Sem	No. of Students	Subject	Total Out of 100
1	barani-cse	CSE-A/5	68	Computer Networks	68.08
2	elankathir-cse	ECE B/3	58	C Programming and Data Structures	65.01

These teachers were communicated about their feedback and were advised to take more efforts to improve their performance by the Principal. The Principal and Senior Faculty members suggested some ideas to improve their performance in the next semester.

SEMESTER: EVEN

ACADEMIC YEAR: 2023-2024

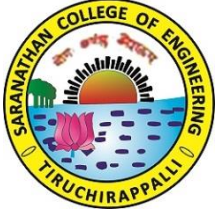

The Students feedback about the feedback for the subjects handled by them during this semester is attached above. Based on the above, The following faculty members [Below 65%] were called for a meeting with the principal on 25-03-2024 at 5.10pm at the Principal's Chamber.

S.no	staffcode	branch /Sem	No. of Students	Subject	Total Out of 100
1	banupriya-cse	CSE(AIML)-A/4	48	Machine Learning	63.37
2	Rajalakshmi7103-cse	CSBS A/4	55	Database Management Systems	57.90
3	barani-cse	CSE A/6	31	Cloud Service Management	55.76

These teachers were communicated about their feedback and were advised to take more efforts to improve their performance by the Principal. The Principal and Senior Faculty members suggested some ideas to improve their performance in the next semester.

16	Mr. S. Arif	

SARANATHAN COLLEGE OF ENGINEERING

TIRUCHIRAPALLI - 620 012.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The meeting commenced at 10:00 a.m. with a warm welcome and introduction of the Program Advisory Committee (PAC) members by the Head of the Department (HoD) of CSE. The Principal shared the Institution's Vision and Mission with all the stakeholders, emphasizing the broader goals and aspirations guiding the institution. The HoD presented the Vision, Mission, Program Educational Objectives (PEOs), Program Outcomes (POs), and Program Specific Outcomes (PSOs) of the CSE program, providing a detailed overview of its academic framework.

An in-depth discussion followed on the curriculum and syllabus under Regulation 2021. Committee members stressed the importance of integrating components like value-added courses, mandatory courses, verticals, specializations, and open electives, recognizing their role in fostering holistic development and equipping students with relevant skills.

The PAC members reviewed the attainment of Course Outcomes (COs) mapped to Program Outcomes (POs) and Program Specific Outcomes (PSOs) for the previous academic year. Improved achievement levels across several subjects were highlighted, demonstrating progress in student performance.

Stakeholders shared constructive feedback to enhance the attainment of POs and PSOs through innovative initiatives.

- **Mr. M. N. Karthikeyan** highlighted the importance of comprehensive training in both technical and soft skills to prepare students for careers in the corporate sector. He also provided insights into the latest IT industry trends. He emphasized the importance of training students in Artificial Intelligence and Machine Learning concepts and also pointed out career opportunities.
- **Dr. V. R. Raghuveer** emphasized the need for students to build a strong foundation in core subject concepts. He highlighted the necessity to train the students in emerging technologies such as the Internet of Things (IoT), Cloud computing and Cybersecurity. Additionally, he encouraged faculty members to submit research proposals and organize co-curricular activities, including Faculty Development Programs/seminars/workshops/conferences.

SARANATHAN COLLEGE OF ENGINEERING

TIRUCHIRAPALLI - 620 012.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

- **Mr. Rathna Prasad** shared the expectations of the IT industry, emphasizing the importance of aligning academic preparation with industry needs. He urged faculty members to motivate students to pursue technical certification courses, enabling them to enhance their knowledge and skill sets.

The meeting concluded with a commitment to implement these recommendations, ensuring the continued growth and success of the program.

- Dr. Nisha Jebaseeli and Mr. Ananthasayanam, parents of students, commended the institution for its notable advancements and contributions to student development. They suggested increasing the frequency of campus recruitment drives to provide students with better career opportunities. They also emphasized the need for comprehensive training programs focusing on advanced technical skills and essential soft skills to help students excel in placement processes.

The achievements of students during the academic year 2022-2023 were presented, highlighting their efforts and milestones. The Program Advisory Committee (PAC) members reviewed and approved strategic initiatives aimed at bridging curriculum gaps and improving learning outcomes for the academic year 2023-2024.

Co Curricular Activities (CCA) plan for the Academic Year 2023-2024

Proposed Guidelines to Plan the co-curricular activities (CCA)

1. Guest lectures and seminars focusing on recent technological trends may be organized to provide students with exposure to cutting-edge developments and to enhance their technical skills, bridging the gap between theory and practice.
2. Conduct coding, debugging, paper presentation, and project presentation contests to foster creativity, problem-solving, and teamwork.
3. Plan and execute workshops that provide hands-on experience to students on various technical topics. These workshops should be scheduled throughout the semester to help students reinforce theoretical concepts and acquire practical technical skills in real-world scenarios.
4. Encourage students to undertake internships during vacations which will provide valuable industry exposure and practical experience.

SARANATHAN COLLEGE OF ENGINEERING

TIRUCHIRAPALLI - 620 012.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Curriculum Gaps Identified

Artificial Intelligence and Machine Learning courses are not provided in the curriculum of Regulation 2017. Emerging technologies such as Internet of things are not included in the syllabus of Regulation 2017. Lack of Personality development skills courses.

Activities to bridge the gaps identified will enable the Students to Strengthen their coding skills, expose them to latest trends and will aid them to apply effective communication skills and management principles for work place success.

Plan of activities for the Academic year 2022-23:

S. No.	Activity	Methodology	Consequence
1	Certification courses with Inlustrro Ltd and NPTEL	Training and Test	Application of Concept learnt
2	Introduction to Latest Trends in IT - Artificial Intelligence, Machine Learning, and IoT	Guest Lecture & Webinar	Application of Concept learnt
3	Hands on training on Latest Tools	Workshop	Exposure to modern Tools
4	Coding Contest and other Technical contests	Contest	Strengthen the Coding & Technical skills

The meeting came to an end at 11.30 a.m. with vote of thanks.

SARANATHAN COLLEGE OF ENGINEERING

TIRUCHIRAPALLI - 620 012.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

The Program Advisory Committee (PAC) meeting for the Academic year 2023-2024 was conducted on 24.07.2022 to strengthen the CO-PO and CO-PSO attainment. The following Programs were organized by the Department based on the suggestions given by the Committee. Events conducted during 2023-24:

S. No.	Name of the Event	Date
1	Software Project Management –Tools and Methodology used	31.08.2023
2	Guest Lecture on Generative AI	04.09.2023
3	Seminar on Software Automation and Testing Tools	15.09.2023
4	It's me AI ka ku kum	16.10.2023
5	Codeywood	17.10.2023
6	Project Expo 2k3	18.10.2023
8	Seminar on Flutter Framework	08.02.2024
9	Seminar on Back-end Development	09.02.2024
10	Workshop on React Native	19.03.2024

- **Participation in Hackathons:**

Students from the II, III, and IV year students actively participated in various hackathons conducted by reputed organizations, showcasing their innovative ideas and technical skills. Many students achieved notable success and won prizes, bringing recognition to the institution.

- **Certification Course Enrollments:**

Students across II, III, and IV years registered for a variety of certification courses offered by Inlustro Ltd. on emerging and in-demand subjects. After successfully completing online assessments, they were awarded certificates, adding significant value to their academic and professional profiles.

- **Content Beyond the Syllabus:**

Faculty members have identified and integrated topics beyond the prescribed syllabus for both theoretical and practical courses. These additional topics focus on emerging technological trends and industry requirements. Faculty members further guided students through these trends, enriching their understanding of how these developments relate to the subjects they are studying.

First Class Committee Meeting Minutes for II Year/III Semester CSE (AI&ML)

DATE: 13-10-2023

The First Class Committee Meeting for II Year CSE(AI&ML) was conducted on **12-10-2023** in **CSE Seminar hall at 01.00 pm** with the following Staff Members and Student Representatives and points discussed in the session as mentioned below.

The Vision and Mission (Department and Institution) PEOs and PSOs of the department are disseminated to the students in the Class Committee Meeting.

S. No.	Subject Code	Subject Title	Meeting Minutes	Staff Signature
1	MA3354	Discrete Mathematics	The students mentioned that the teaching pace is fast. 1.5 units of portion has been covered.	
2	CS3351	Digital Principles and Computer Organization	The students mentioned that they understand the concepts. Need additional materials. 1.5 units of portion has been covered.	
3	CS3352	Foundations of Data Science	The students mentioned that they understand the concept and have no issues. One more topic to complete for 1.5 units of portion coverage.	
4	CD3291	Data Structures and Algorithms	The students are able to understand the subject. 1.5 units of portion has been covered.	
5	CS3391	Object Oriented Programming	The students understand the subject well. 1.5 units of portion has been covered.	

- Students were instructed to remain attentive during class hours to ensure effective learning.
- Students were reminded to maintain an attendance percentage of 90% or above.
- In unavoidable circumstances, students must inform their Class Coordinator and Head of the Department (HOD) in advance if they need to take leave.
- Students were instructed to adhere to the prescribed dress code of the institution at all times.

The meeting was concluded with a collective commitment to uphold academic and disciplinary standards.

First Class Committee Meeting Report for II Year/IV Semester CSE(AI&ML)

28-03-2024

The First Class Committee Meeting for II Year/IV Semester CSE(AI&ML) section was conducted on **27-03-2024 in CSE Seminar hall at 1.00 pm** with the following Staff Members and student representatives.

The Vision and Mission (Department and Institution) PEOs and PSOs of the department are disseminated to the students in the Class Committee Meeting.

S. No.	Subject Code	Subject Title	Meeting Minutes	Staff Name	Staff Signature
1	CS3452	Theory of Computation	The students mentioned that they understand the concept They requested that more problems be solved.	Ms. V. Ranjani	
2	AL3452	Operating Systems	The students mentioned that they understand the concept and have no issues.	Ms. M. Padmapriya	
3	CS3492	Database Design and Management	The students mentioned that they understand the concept and have no issues.	Mr. K. Chandrasekaran	
4	AL3391	Artificial Intelligence	The students are able to understand the subject and asked for additional materials.	Ms. M. Banupriya	
5	AL3451	Machine Learning	The students understand the subject well. Need additional materials.	Ms. K. Gomathy	
6	GE3451	Environmental Sciences and Sustainability	The students mentioned that they understand the concept.	Dr. S. Priyarega	

The students said 1.5 units of syllabus have been covered in all the subjects.

The points discussed in the meeting are:

- The students requested one additional table desk.
- The students suggested that the windows be darkened for enhanced visibility of projected content.
- Students were advised not to take leave unnecessarily and were instructed to follow proper dress code.
- Students were advised to take the internal tests seriously and perform well.
- The students were motivated to actively participate in the events conducted in the department and in Inter Collegiate technical events and hackathons.

SARANATHAN COLLEGE OF ENGINEERING

TIRUCHIRAPALLI - 620 012.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

(Artificial Intelligence and Machine Learning)

The meeting commenced at 10:00 a.m. with a warm welcome and introduction of the Program Advisory Committee (PAC) members by the Head of the Department (HoD) of CSE. The Principal shared the Institution's Vision and Mission with all the stakeholders, emphasizing the broader goals and aspirations guiding the institution. The HoD presented the Vision, Mission, Program Educational Objectives (PEOs), Program Outcomes (POs), and Program Specific Outcomes (PSOs) of the CSE program, providing a detailed overview of its academic framework.

An in-depth discussion followed on the curriculum and syllabus under Regulation 2021. Committee members stressed the importance of integrating components like value-added courses, mandatory courses, verticals, specializations, and open electives, recognizing their role in fostering holistic development and equipping students with relevant skills.

The PAC members reviewed the attainment of Course Outcomes (COs) mapped to Program Outcomes (POs) and Program Specific Outcomes (PSOs) for the previous academic year. Improved achievement levels across several subjects were highlighted, demonstrating progress in student performance.

Stakeholders shared constructive feedback to enhance the attainment of POs and PSOs through innovative initiatives.

- **Mr. M. N. Karthikeyan** highlighted the importance of comprehensive training in both technical and soft skills to prepare students for careers in the corporate sector. He also provided insights into the latest IT industry trends. He emphasized the importance of training students in Artificial Intelligence and Machine Learning concepts and also pointed out career opportunities.
- **Dr. V. R. Raghuvier** emphasized the need for students to build a strong foundation in core subject concepts. He highlighted the necessity to train the students in emerging technologies such as the Internet of Things (IoT), Cloud computing and Cybersecurity. Additionally, he encouraged faculty members to submit research proposals and organize co-curricular activities, including Faculty Development Programs/seminars/workshops/conferences.

SARANATHAN COLLEGE OF ENGINEERING

TIRUCHIRAPALLI - 620 012.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

(Artificial Intelligence and Machine Learning)

- **Mr. Rathna Prasad** shared the expectations of the IT industry, emphasizing the importance of aligning academic preparation with industry needs. He urged faculty members to motivate students to pursue technical certification courses, enabling them to enhance their knowledge and skill sets.

The meeting concluded with a commitment to implement these recommendations, ensuring the continued growth and success of the program.

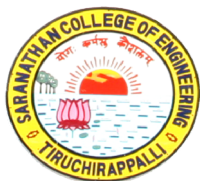

- Dr. Nisha Jebaseeli and Mr. Ananthasayanam, parents of students, commended the institution for its notable advancements and contributions to student development. They suggested increasing the frequency of campus recruitment drives to provide students with better career opportunities. They also emphasized the need for comprehensive training programs focusing on advanced technical skills and essential soft skills to help students excel in placement processes.

The achievements of students during the academic year 2022-2023 were presented, highlighting their efforts and milestones. The Program Advisory Committee (PAC) members reviewed and approved strategic initiatives aimed at bridging curriculum gaps and improving learning outcomes for the academic year 2023-2024.

Co Curricular Activities (CCA) plan for the Academic Year 2023-2024

Proposed Guidelines to Plan the co-curricular activities (CCA)

1. Guest lectures and seminars focusing on recent technological trends may be organized to provide students with exposure to cutting-edge developments and to enhance their technical skills, bridging the gap between theory and practice.
2. Conduct coding, debugging, paper presentation, and project presentation contests to foster creativity, problem-solving, and teamwork.
3. Plan and execute workshops that provide hands-on experience to students on various technical topics. These workshops should be scheduled throughout the semester to help students reinforce theoretical concepts and acquire practical technical skills in real-world scenarios.
4. Encourage students to undertake internships during vacations which will provide valuable industry exposure and practical experience.

SARANATHAN COLLEGE OF ENGINEERING

TIRUCHIRAPALLI - 620 012.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

(Artificial Intelligence and Machine Learning)

Curriculum Gaps Identified

Artificial Intelligence and Machine Learning courses are not provided in the curriculum of Regulation 2017. Emerging technologies such as Internet of things are not included in the syllabus of Regulation 2017. Lack of Personality development skills courses.

Activities to bridge the gaps identified will enable the Students to Strengthen their coding skills, expose them to latest trends and will aid them to apply effective communication skills and management principles for work place success.

Plan of activities for the Academic year 2022-23:

S. No.	Activity	Methodology	Consequence
1	Certification courses with Inlustrro Ltd and NPTEL	Training and Test	Application of Concept learnt
2	Introduction to Latest Trends in IT - Artificial Intelligence, Machine Learning, and IoT	Guest Lecture & Webinar	Application of Concept learnt
3	Hands on training on Latest Tools	Workshop	Exposure to modern Tools
4	Coding Contest and other Technical contests	Contest	Strengthen the Coding & Technical skills

The meeting came to an end at 11.30 a.m. with vote of thanks.

SARANATHAN COLLEGE OF ENGINEERING
TIRUCHIRAPALLI - 620 012.
DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
(Artificial Intelligence and Machine Learning)

Date: 07.06.2024

Submitted to the Principal:

The Program Advisory Committee (PAC) meeting for the Academic year 2023-2024 was conducted on 24.07.2022 to strengthen the CO-PO and CO-PSO attainment. The following Programs were organized by the Department based on the suggestions given by the Committee. Events conducted during 2023-24:

S. No.	Name of the Event	Date
1	Software Project Management –Tools and Methodology used	31.08.2023
2	Guest Lecture on Generative AI	04.09.2023
3	Seminar on Software Automation and Testing Tools	15.09.2023
4	It's me AI ka ku kum	16.10.2023
5	Codeywood	17.10.2023
6	Project Expo 2k3	18.10.2023

• **Participation in Hackathons:**

Students from the II, III, and IV year students actively participated in various hackathons conducted by reputed organizations, showcasing their innovative ideas and technical skills. Many students achieved notable success and won prizes, bringing recognition to the institution.

• **Certification Course Enrollments:**

Students across II, III, and IV years registered for a variety of certification courses offered by Inlustro Ltd. on emerging and in-demand subjects. After successfully completing online assessments, they were awarded certificates, adding significant value to their academic and professional profiles.

• **Content Beyond the Syllabus:**

Faculty members have identified and integrated topics beyond the prescribed syllabus for both theoretical and practical courses. These additional topics focus on emerging technological trends and industry requirements. Faculty members further guided students through these trends, enriching their understanding of how these developments relate to the subjects they are studying.

The PAC members suggested and approved the following measures to strengthen the attainment of POs and PSOs for the upcoming academic year of the ECE program:

Specialized Lectures: Organize expert sessions on high-performance CPUs, chip design and verification, embedded systems and IoT, and artificial intelligence and machine learning. These lectures aim to enhance students' knowledge of recent technologies and inspire them to pursue core areas within their specialization.

Guest Lectures: Invite industry experts to deliver lectures on opportunities in core companies for ECE engineers. These sessions will highlight the significance of emerging technologies and their future potential, fostering industry awareness among students.

Seminars on Higher Education: Plan seminars focused on GATE exam preparation and the scope of management studies to increase awareness about higher education pathways and career opportunities.

First class committee meeting for III EEE class was conducted on 15/03/2024.

The minutes of the class committee meeting is recorded below.

- 1) The students felt comfortable in their subjects and class room facilities.
- 2) It is insisted that students should keep their class room and laboratory clean.
- 3) Staff expressed concern over the murmuring in the class and comments by the students.
- 4) Staff complained that students are not doing the manual calculation in the observation and submitting the record in the stipulated time.
- 5) Students are advised to maintain discipline and be interactive in theory classes and in Lab.
- 6) Students requested for more number of kits in the IoT Concepts and Applications laboratory.
- 7) Staff handling T&P class told that syllabus is too dense and extensive.

DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Ref: SCE/EEE/PAC Meeting/Circular/ 2023

Date: 12. 06. 2023

CIRCULAR

The 8th Meeting of the Program Advisory Committee on 14.06.2023

Dear Sir / Madam,

The eighth meeting of the Program Advisory Committee of Department of EEE, Saranathan College of Engineering, Trichy is scheduled on 14th June 2023, at 10 AM in EEE seminar hall. The agenda of the meeting is detailed herewith. You are therefore requested to kindly make it convenient to attend the meeting.

Agenda for PAC meeting

1. Compliance status and confirmation of the minutes of 7th program advisory committee Meeting
2. Review CO, PO, and PSO assessment and recommend actions based upon the findings.
3. Process to be adopted for preparation of students meeting the future (industrial demand) job market.
4. Identification of the professional elective courses as six verticals, minor degree or B.E (Honours) in the new regulation 2021.
5. Identifying the gap in curriculum addressing industry needs and ways to bridge the same.
6. Improve the instructor's (teacher's) competencies to industry standards
7. Recommendation of equipment, supplies or the development of simulated work environments
8. Work-based learning.
9. Review of existing equipment, facilities, resources and its utilization.
10. Review of courses of study and standards of proficiency in the areas which are essential to march in a successful career path.
11. To review the status of research projects sponsored by Government or Non-Government Agencies
12. To review the status of internal resource generation.
13. To review the alumni engagements and enhancement of alumni interaction.
14. Any other item with the permission of the Chair.

Thanks & Regards,

Dr. C. Krishnakumar,

HoD/EEE

MINUTES OF THE 8th PAC MEETING

Date: 14th June 2023

Time: 10.00 AM

Venue: EEE Seminar Hall-KS Block, SCE

Facilitator: Dr. C. Krishnakumar, HoD/EEE

Subject/Theme: Eighth Meeting of the PAC.

List of PAC Members

S.No.	Type of stakeholder	Stakeholder	Name and Designation
1	Internal stakeholder	Management Representative	Dr.D.Valavan, Principal.
2		Faculty	1. Dr.C.Krishnakumar, Professor & HoD/EEE, 2. All Faculty Members.
3		Supporting Staff	Mr.T.Sesu Selvaraj, Laboratory Assistant.
4		Students	1. Ms.S.Priyadharshni- III Year 2. Mr. R.Paul Roger- III Year
5	External stakeholder	Industry	Er.R.Murali, Managing Director, Madras Switch Gears Private Limited, 1/40, Post Office Building, M.K.Garden, Dhanam Nagar Rd, Sabari Nagar, Mugalivakkam, Chennai, Tamil Nadu - 600125.
6		Research Organization	Er.V.Kaviraj, Assistant Manager, Research & Development, Brakes India Private Limited, Padi, Chennai - 600050.
7		Alumni	1. Er.A.G.Balaji Ponnambalam, Systems Engineer, Infosys, Bangalore. 2. Er.R.Shantha Devi, Hardware Project Engineer E-con Systems India Pvt Ltd., Chennai.
8		Professional Bodies	Dr.S.Venkatarayanan, IEEE Senior member, Professor/EEE, K.L.N. College of Engineering, Pottapalayam, Sivagangai Tamil Nadu - 630612.
9		Parents	1. Mr. K. Sadiq Basha No 56 Samaspiran Street, Trichy- 7803. 2. Mr. Muruganadam R No. 17 a, Micheal Pillai Street, Palakarai, Trichy-62001.
		Eminent Academician	Dr.M.Premalatha, Assistant Professor, Energy and Environment (CEESAT) NIT Trichy, Tamil Nadu - 620015.

Dr.C.KrishnakumarHoD/EEE, greeted and welcomed the PAC Members for the eighth meeting, and shared his happiness in obtaining the provisional grant of NBA accreditation for another three years for the Department of EEE. He thanked the members of the PAC for their support. Further, he recollected the POs, PSOs, PEOs of the department and also elaborately mentioned the progress attained by the department.

Dr.D.Valavan, Principal, SCE shared his views in getting the provisional grant of NBA for all six eligible under graduate programmes. He also expressed that the institution has applied for obtaining the autonomous status for the institution and waiting for approval. The PAC members are requested to consider all aspects of the departmental activities and achievements and to guide the department to march towards its next level. Additionally, PAC may fix some targets for the department to achieve within the next meet.

1. The minutes of the seventh meeting of PAC were confirmed.

Minutes of the discussion on the agenda items of the seventh meeting of the PAC are:

2. Review CO- PO - PSO assessment and recommend actions based upon the findings.

- The CO, PO and PSO attainment for the 2019-2023 batch graduates were projected with the process of evaluating the CO, PO, and PSO attainment.
- Since excessive use of electronic devices and social media is distracting students, it was suggested that the teaching style be changed to raise learning levels and meet the CO, PO, and PSO goals.

3. Process to be adopted for preparation of students meeting the future (industrial demand) job market.

- Er.R.Murali, (Industry Expert, Managing Director, Madras Switch Gears Private Limited,) proposed that teachers must be aware of the labour market in order to prepare their students for the workforce. He also said that the specialized training provided to faculty members may also aid in their comprehension of industry needs. He asked the department to offer some career guidance sessions to make the students aware of job market.

4. Review of the professional elective courses introduced as six verticals in the new regulations 2021

- The professional elective courses grouped as six verticals that represent a particular area of specialization was projected.
- The procedure for the registration of courses for B.E./B.Tech (Honours) or Minor degree in semester V to VIII were explained as per regulation 2021, clause 4.10. (Amendments)
- PAC members gave their suggestions about the courses to be offered in the different verticals for third year students.

5. Identifying the gap in curriculum addressing industry needs and ways to bridge the same

- i. Er.A.G.Balaji Ponnambalam, (Alumni) Systems Engineer, Infosys, Bangalore expressed that the curriculum covers only the basics of the engineering. So he recommended holding an enlightening workshop on the most recent developments in technology across all topic areas.
- ii. Further, Ms S. Priyadharshni, Internal stakeholder, requested the department to organize some eye opening events such as workshops, seminars, and hands on training or talks by experts from industry.

- iii. Mr. S. Karthikeyan, Internal stakeholder, requested that all courses, with the exception of tutorial classes, which primarily concentrate on problem solving, include a period for clearing up any doubts.
- 6. Improve the instructors (teachers) competencies to industry standards**
 - A teacher's professional development is an ongoing, lifetime learning process. Teacher's learning is nothing but imparting and implementing the acquired knowledge.
 - The PAC members recommended that faculty members take part in a variety of faculty development programs in order to improve their technical proficiency with modern technology. The PAC also asserted to share the newly learned topics/software among their colleagues and their students.
- 7. Recommendation of equipment, supplies or the development of simulated work environments**
 - The PAC proposed a large library where all of the available study materials should be clearly visible with appropriate labels in the department library. They also recommended that students be given sitting configurations so they could take notes.
- 8. Work-based learning.**
 - Er.R.Shantha Devi, (Alumni) Hardware Project Engineer, discussed about the implementation of simulated work-based learning (WBL) through which the students are able to obtain realistic workplace experiences by applying their academic and technical skills.
 - Dr.S.Venkatanarayanan, IEEE Senior member, included that the work based learning include sites utilizing simulation tools to teach specific skills or tasks associated with a given job; simulated workplaces to replicate a range of workplace expectations and behaviours; or college-based enterprises that offer students holistic experience in running an actual business in a given industry.
 - Dr.M.Premalatha, Assistant Professor, Eminent Academician, also joined with the above two to reemphasise that the WBL facilitates an opportunity for experiential learning to the students to learn and practice their skills within a protected environment.
- 9. Review of existing equipment, facilities, resources and its utilization.**
 - PAC members gladly recalled the protection switch gear lab that was used for experimental learning for all final-year students in the protection switch gear course and requested that this experimental learning be continued. Further the PAC enquired about the implementation of conduction of switch gear training sessions for nearby institutions at reasonable fee so that it can generate some revenue. The PAC also appreciated the effort to apply for Modernisation and Removal of Obsolescence (MODROBS) to upgrade the laboratories to advanced research activities.
- 10. Review courses of study and standards of proficiency in areas which are essential to becoming successfully employed in a career path.**
 - Er.R.Murali, Managing Director, Madras Switch Gears Private Limited, suggested to offer some important professional courses in addition to the regular technical courses. He added further to conduct professional workshops to develop the skills required to improve employability. He also suggested to start a dedicated career guidance cell in the department to strengthen and enhance placement training sessions.

11. To review the status of Research Projects sponsored by Government / Non-Government Agencies and suggest steps for enhancement of grants.

- Research Organization member of PAC, Er.V.Kaviraj, Assistant Manager, Research & Development, Brakes India Private Limited, Chennai insisted the faculty who have completed their Doctoral degree to apply for guideship and to approach the funding agencies which may be either Government or Non-Government Agencies for funded research and grants for STTP, FDP, Workshop etc.
- Further he added, to increase faculty research publication numbers atleast one per semester.

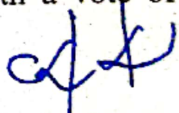

12. To review the status of Internal Resource Generation.

- PAC recommended the Department of Electrical and Electronics Engineering may make necessary arrangements to conduct faculty development programmes (FDP) and Short Term Training Programmes (STTP). It is also suggested that the department may offer consultancy services, like, energy auditing, testing commissioning, etc..The planning and route map to flourish towards 'Corporate Trainings' and 'Consultancy services' are to be prepared and submitted to the PAC for consideration in its next meetings.

13. To review the Alumni Engagements and enhancement of alumni interaction.

- The report to be submitted to the PAC members for approval to conduct the alumni meeting and suggestions on the same. It is shared that the alumni meeting may help to debate and discussion over the existing problems in the department and to reach the possible solutions to eradicate the identified.

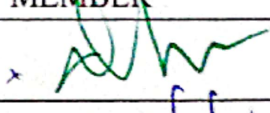

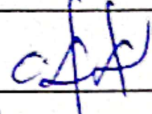

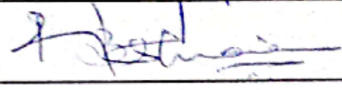

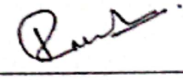

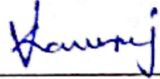

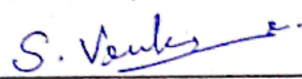

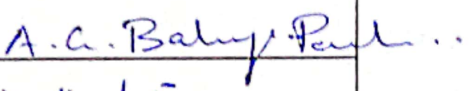

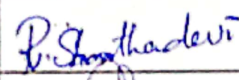

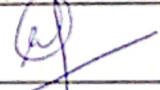

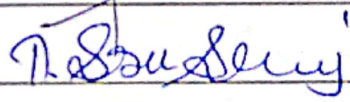

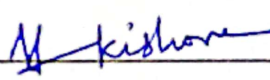

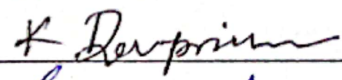

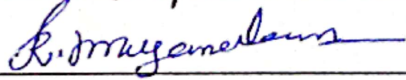

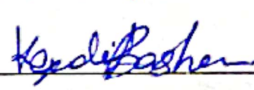

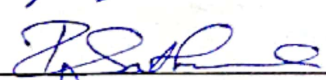

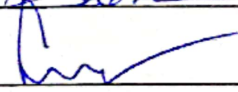

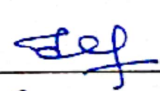

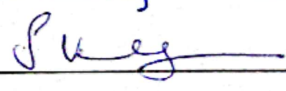

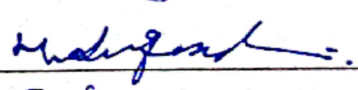

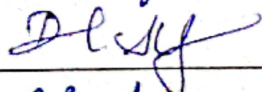

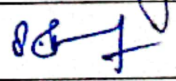

As there was no other item placed before the Chair. The meeting ended with a vote of Thanks.

Dr.C Krishnakumar

ACTION TAKEN REPORT

Submitted to the Principal:

The Program Advisory Committee (PAC) meeting was conducted on 14-06-2023 to strengthen the CO-PO and CO-PSO attainment. Based on the suggestions given by the committee, actions taken by the department are summarised as follows.

1. Events organised during 2023-24:

S.No	Name of the Programme	Duration
1	Guest lecture on Engineer's day by Dr.V.Mohan, ECE department, Saranathan college of engineering	15-09-2023
2	All India Workshop by IET student chapter on "Artificial Intelligence and Machine learning Applications in Electrical Engineering"	20 & 21-09-2023
3	One day workshop on "Solar Power Plant Design using PVSYST" by Mr.S.Selvakumar, Business Head, M/S Power Project	22-04-2024
4	Workshop on "Industrial Practices & Learning of State-of-the art LV and HV Switchgear" for final year students	18 & 19-04-2024
5	"Making machine contest" conducted for second year students	27-11-2023

2. Dr.K.Rajkumar of our department has been duly recognised as Supervisors by the Anna University under the faculty of electrical engineering during the academic year 2023-24.
3. The recent trends and technological improvements in the fields related to the corresponding courses are explained to the students by the faculty members for one or two hours.

Any Other Comments / Need From the Department/ Other Comments	
01.	Topics are easy to understand and the video based on the topic is very useful to understand it.
02.	Interesting and productive, I have no issues.
03.	The concepts are very easy to understand with relatable videos and pictorial representation.

Review Team & Action Taken Details			
S. No	Name of the Staff	Comments	Signature
01	Subject Staff	Unit - 4 consists of lot of sub topics. So, students have to spend more time for preparation. Content deliberation in IA should be improved.	<i>[Signature]</i>
02	Class Coordinator	Students need to concentrate on EV problems & draw the diagram neatly for IA.	<i>A. Suresh</i>
03	Chair Person Nominated	New subjects of domain, is towards Electrical. Additional effort & care, would be helpful to fulfill objectives	<i>[Signature]</i>

CIRCULAR

Dear Sir/ Madam,

The meeting of the Program Advisory Committee is scheduled on 23th August 2023, at 10 AM in Virtual Instrumental Lab. Saranathan College of Engineering, Trichy-620012. The agenda of the meeting is detailed herewith. Members of PAC are therefore requested to kindly make it convenient to attend the meeting.

Agenda for PAC meeting

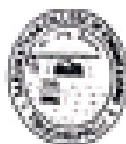

1. Review CO, PO, and PSO assessment and recommend actions based upon the findings.
2. Process to be adopted for preparation of students meeting the future (industrial demand) job market.
3. Review of the professional elective courses as six verticals in the new regulation 2021.
4. The attainment of the program educational objectives, program specific outcomes and program outcome for the department.
5. Identifying the gap in curriculum addressing industry needs and ways to bridge the same.
6. Improve the instructor's (teacher's) competencies to industry standards
7. Recommendation of equipment, supplies or the development of simulated work environments
8. It is also inferred that overall attainment can still be developed through the projects, mini project expo and paper presentations.
9. Review of existing equipment, facilities, resources and its utilization.
10. Review of courses of study and standards of proficiency in the areas which are essential to march in a successful career path.
11. To review the alumni engagements and enhancement of alumni interaction.
12. Any other item with the permission of the Chair.

Thanks & regards,

HOD/ICE

Minutes of Program Advisory Committee Meeting

SUB: Minutes of Program Advisory Committee (PAC) meeting - review of attainment of Program Educational Objectives, Program Outcomes and Program specific Outcomes through projects

The Program Advisory Committee was held on 23-08-2023 at 10.00A.M in Virtual Instrumentation Lab of our Department

Stakeholder	Designation	Sign
Dr. D. Valavan	Principal	
Dr. S. M.Girirajkumar	Head-Department of Instrumentation and Control Engineering	
Dr. M. Shanmugavalli	Professor-Department of Instrumentation and Control Engineering	
Dr. A. GopiKrishnan	Program Coordinator, Assistant Professor, Department of Instrumentation and Control Engineering	
Mr. P. Ganesa	Managing Director- KEYSTONE Automation solutions.	
Ms. T. Shuprajhaa	ICAR-National Research Centre for Banana, Trichy.	

The following points were discussed

1. HoD, welcomed the members of the committee who had assembled for, reviewing the attainment of program educational objectives, Program specific outcomes and Program Outcome for the department.
2. The attainment for the batch 2021-2022 and 2022-2023 was analyzed in detail. After reviewing, the committee suggested the following points to be implemented for improving the performance of the students through various activities
3. It is also inferred that overall attainment can still be developed through students participation in outside colleges, projects and paper presentations.
4. Dr. S. M.Girirajkumar said that Motivational counseling may be given to average students so that their interest towards Project and outcome based attainment can be increased and hence their performance.
5. Ms.T.Shuprajhaa shared her point that Faculty should help the students to know how to present papers for a inter college competitions and motivating them to participate in project events

SARANATHAN COLLEGE OF ENGINEERING
DEPARTMENT OF INSTRUMENTATION AND CONTROL ENGINEERING
TIRUCHIRAPALLI - 620 012.

Date: 23-08-2023

6. Mr.P.Ganesa also insisted that project based learning will give practical exposure to the students and clear understanding of basics.
7. HOD accepted and explained to the members about the co-curricular activities in the department in the form of quiz competition, mini projects, code debugging, workshops, project expo, guest lectures.
8. Dr. M. Shanmugavalli also shared that students are motivated to do research and mini project competitions conducted every year to make projects based upon the need for the society so that students can understand and know real time application based projects.
9. HOD also shared Lab facilities have been utilized by students for their project work and intimated that MyRio Kit module, dSPACE can be taken and used by students for the project work
10. Slow learners adopted should be given counseling frequently for doing project works
11. Dr. S. M. Girirajkumar also explained that students' progression and their results should be intimated to parents and their feedback can be got regarding the same.
12. Members also discussed the conversion of projects to papers in refereed journals, conferences and participation in competitions and project expos.
13. Principal also insisted that Students are also provided with a lot of awareness with government Funding agencies like TNSCST, DST, IEL, etc., and motivating them to apply for all funding agencies.
14. HOD, thanked the members of the committee who had assembled for giving their views and suggestions for the improvement of students project

The following points were mentioned in the meeting:

- Logbook should be signed with lesson plan within 07/02/24.
- Class alterations entry should be done in Register as done in previous Semester.
- Sticking on to the Department academic planner and it should be target based.
- Discussion about the Roles and responsibilities of all staffs in this Semester.
- HoD insisted on effective conduction of CCMs and Mentor-Mentee meetings.
- Discussion about Lab requirements/Records. No requirements are there for III Year. Lab in charges were asked to submit Requirements for I and II year labs as early as possible.
- Status quo. of Lab Manual readiness and dispatch was discussed. For III year, it's submitted for approval.
- AG was informed to take care about Last Semester Course files completion status and to report through a Audit.
- All the Faculties are insisted to be inside the Department before 9.05 am.
- MSV Mam was informed to take care about Academic Audit aspects.
- Attendance should be taken care by the CCs. Proper Intimation should be there and should be systematic (Leave form).
- NMS faculty Allocation for II year. Recommendation has to be given by KG and allocated for Follow ups.
- HoD insisted to do all Final Year projects by utilizing the resources available in the Department.
- Project roaming around should be avoided and proper engagement is expected.
- Regularity in OD system and Routine practice has to be taken care.
- HoD insisted about the Understanding form and its implementation in this Semester if the loop is not closed (Assumption/Forgetting) in any aspects to avoid lengthier conversations.
- Documentation for accreditation aspects once a sem, AG's plan for a month and Audit - last year left outs
- Proper dispatch of Documents in the out folder is expected.
- Finance note book should be maintained properly.
- SPP was insisted to assist AG in all Documentations needed for Department.
- For III Years, 1 hour is in excess for 4 Subjects. So, plan is asked for effective utilization.
- All Faculties were insisted to take care about Autonomous aspects too.

The meeting is conducted with the main agenda of Principal – HoD's meeting regarding

The following points were mentioned in the meeting:

- Final year's status of Projects/ODs etc as a form to be submitted.
- Final years to come to college only on Day 1 and Day 2 and not for Mondays and Tuesdays.
- Project diary, is to be ready at anytime, and the same could be verified, anytime -hence to updated.
- Project review, only by Professor/Assoc Prof, and with the presence of Guide.
- Any bus requirements, other than normal requirements to be made at least 2 days in advance. So AKR is informed to make it completed before 14/2/24 for Final years.
- Regarding III years,
 - Log book/lesson plan/Notes of lesson , to be verified any time by outside experts from 19/02/24 onwards.
 - Number of days, less, and no compromise in quality of class, nor, syllabus completions.
 - No compromise in IA test syllabus coverage.
- The same is applicable for II and IV Sem, and, readiness expected before 29/02/24.
- Follow up for record note books to be done properly. So, with deadline as 15/02/24, AKR is insisted to complete and update on status quo, after discussing with Mr.Murthy/Office.
- Bonafide of records as part of Academic planner to be included.
- AU portal, to be cross checked, and both entry and verifying staff to sign in the document.
- Fees payment status quo, and complete all payments with last week of February.
- Teachers are requested, not, to have any compromise in Teaching nor lab classes and no other works during labs.
- It is strongly insisted that there should not be any decline in teaching quality, as per the management wish.
- Accountability of Faculty is expected in all aspects.
- HoD insisted about the implementation of Flowchart and Google sheet updation (KG – status column, AG – Documentation column) .

Minutes of First Class committee meeting for I year IT Date:11/4/2024

The first class committee meeting for II year IT was held on 10/4/2024 at 4.00PM.

with the following staff members and student representatives .

Venue : Lab 6

Staff Members:

1. Dr. M. Thangam

2. Dr. G. Sriram

3. Dr. S. Dinesh

4. Dr. M. Nidya

5. Mr. S. Vigneswaran

6. Mr. K. Amarnath

7. Ms. S. Angel Sweety Sheeba

Student Members:

1. R. Arun Prasaath (264007)
2. G. Bagampriyal (264008)
3. G. Ranjith (264041)
4. A. Vimal (264058)
5. S. Swathi (264054)
6. J. Salvina (264047)

The points discussed in the meeting are given as follows:

- Students were advised to maintain at least 80% of attendance in each and every subject.
- The performance of students in IA test 1 were discussed. They were encouraged to perform well in the coming IA tests to get good internal marks.
- Students are asked to follow the dress code seriously.
- Students are advised to switch off the mobile phones during college working hours.

SARANATHAN COLLEGE OF ENGINEERING
DEPARTMENT OF INFORMATION TECHNOLOGY
TIRUCHIRAPALLI - 620 012.

Minutes of First Class committee meeting for I year IT Date:11/4/2024

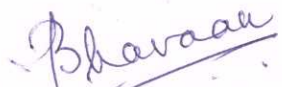

- The faculty members were asked to instruct the students to take print outs on completion of the exercises and to write and submit the records regularly.
- The students were asked feedback about the inlusto classes.
- The syllabus completion status for all the subjects were collected from class committee student members. Almost 1.5 units have been completed in each subject.
- The students were motivated to work hard and score better grades in the Semester exams to attain university ranks.
- The students were advised to clear their doubts then and there.
- The students are instructed to submit their laboratory record to concern staff regularly.
- The students requested for more explanation and programs in C Programming. They were satisfied with availability of Textbooks and materials shared thro' google classroom for all subjects.
- The students requested the staff not to give more writing works during IA tests.
- The students were motivated to do certification courses provided by NPTEL, Coursera, Udemy and also from different industries.

The co-operation of all concerned is kindly expected in successful implementation of the suggestions.

Faculty Feedback Report (2023-2024 odd) based Counseling Report

15.11.2023

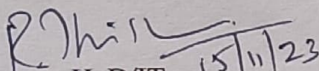

IV year: Feedback for all the staff members was satisfactory, and they have been appreciated for their effort.

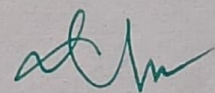

III year: Feedback for all the staff members was satisfactory, and they have been appreciated for their effort. They were advised to make the classes lively with interesting analogies.

II year: In the third semester, feedback scores of three staff members out of four are good, and they scored above 85%. Ms. J. Sangeetha Priya has been appreciated for her good feedback score of above 90%. Ms. G. Sathya has scored 75%, and she was advised to solve more problems in the class.

I year: Ms. Angel Sweety Sheeba has got below 70% of the feedback score, and she was advised to be friendly with students and motivate the students to show interest in coding.

Feedback on Ms. A. Sheelavathi, who has handled Data Structures for the EEE department, was also good, and she was motivated to continue her effort. Feedback from Mr. Senthil Balaji, who has handled C Programming and Data Structures for the ICE department, was also good. All the staff members were appreciated for their effort in improving the students' skills.

CIRCULAR

The Program Advisory Committee (PAC) meeting for the Academic year 2023-2024 will be held on 14.07.2023 at IT seminar Hall at 10.00 a.m. The Vision, Mission statements of the department will be inspected and subsequently the Program Educational Objectives (PEOs), Program Outcomes (POs) and Program Specific Outcomes (PSOs) will be scrutinized during the meeting. The curriculum gaps and the academic activities for the Academic year 2023-24 will be discussed.

Hereby all the PAC members are invited to attend the meeting.

A handwritten signature in blue ink, appearing to read "R. J. Hill", is written over the printed name.

HOD, Dept of IT

SARANATHAN COLLEGE OF ENGINEERING

TIRUCHIRAPALLI - 620 012.

DEPARTMENT OF INFORMATION TECHNOLOGY

AGENDA OF THE MEETING:

1. Welcome Address by HoD/IT
2. Presidential Address by Principal, SCE
3. Introduction of PAC members by HoD/IT
4. Minutes of previous meeting
5. Vision, Mission, PEOs dissemination
6. Discussion of CO-PO & CO-PSO attainment during the previous year
7. Review of previous and current academic activities
 - ❖ Discussion of Regulation 2021 curriculum and syllabus
 - ❖ Identification of curricular gaps and content beyond syllabus
 - ❖ Action plan to be taken to attain PO PSO and to fill the curricular gaps through value additions and getting approved.
8. General Discussion
9. Vote of Thanks

12	Ms.J.Sangeetha Priya, Asst. Professor/IT	
13	Mr. V.Senthil Balaji, Asst. Professor/IT	
14	Mr.P.Anand, Asst. Professor/IT	

- ❖ The meeting started at 10.00 a.m. HoD/IT welcomed the gathering and introduced the PAC members
- ❖ Principal publicized the Vision and Mission of the Institution to the stakeholders.
- ❖ The Vision, Mission of the department, PEOs, POs & PSOs of the IT program were publicized by HOD/IT
- ❖ The curriculum and syllabus of Regulation 2021 was discussed. The importance of Naan Mudhalvan (value added course), mandatory courses, verticals, special and open electives in the syllabus was highlighted.
- ❖ The CO-PO and CO-PSO attainment for the year 23-24 were projected to the PAC members.
- ❖ The attainment level of various subjects was presented.

Attainment of POs and PSOs for CS8791 Cloud Computing:

- ❖ The Internal Assessment Question Paper Pattern, QP setting according to blooms Taxonomy, Questions mapping with a corresponding Course Outcome and procedure for calculation of CO-PO/PSO were discussed.

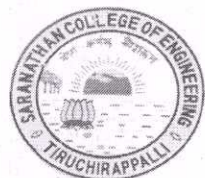

SARANATHAN COLLEGE OF ENGINEERING

TIRUCHIRAPALLI - 620 012.

DEPARTMENT OF INFORMATION TECHNOLOGY

-
- ❖ The following views were congregated from the stakeholders regarding the action plan for the forth coming batches for the attainment of POs & PSOs through value additions.
- Dr.E.George Dharma Prakash Raj emphasized the need for research committee and advised to categorize the faculty based on expertise. He also encouraged the staff members to submit proposals for AICTE AQIS schemes such as RPS and MODROBS and to apply to various professional chapters for conduct of co-curricular activities such as FDP/Seminar/Workshop/Conferences. He suggested establishing Center of Excellence laboratory in collaboration with various industries.
 - Dr.Renugadevi encouraged the staff members to submit research papers in reputed technical journals and conferences. She also suggested the students to undergo technical certification courses to enhance their knowledge and skills.
 - Dr.S.M.Giriraj Kumar gave a brief summary about the training (Technical & Soft skills) for the students to be conducted for the students by the T&P department. He also briefed about the procedures for participation of students in recruitments and internships. He highlighted some of the core and IT industries invited for recruitment during the previous year.
 - Mr.Manikandan specified the expectations of the Industries and the opportunities available for the Engineers in Corporate. He insisted the students to have exposure to Generative AI, the latest trend in IT Industry. He explained the importance of product development.
 - Mr.Vinoth insisted the students to have strong foundation in the fundamental concepts of core subjects. He also suggested that the students may be given hands on training on modern tools and motivate them to implement mini projects on different domains.
 - Our Alumni Ms. Suvitha suggested that internships can be arranged for both III & final year students to create awareness about Industry expectations. HoD/IT explained her about the inclusion of summer internship in the curriculum & syllabus. Ms. Suvitha also recommended conducting value added programs to increase the employability of the students in Industry.
 - Mrs.Sasirekha cherished the development of the Institution and suggested on arranging more campus recruitments to enhance the students' career. She also insisted for arranging extensive training on both technical and soft skills for the students to aim for jobs with higher packages.

SARANATHAN COLLEGE OF ENGINEERING

TIRUCHIRAPALLI - 620 012.

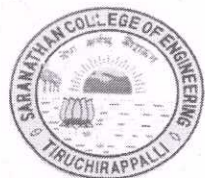

DEPARTMENT OF INFORMATION TECHNOLOGY

- The faculty members were asked to motivate the students to participate on all national technical contests like Smart India Hackathon.
- HOD/IT briefed the details of Naan Mudhalvan scheme, internships and achievements by the students in co curricular, Extracurricular and sport activities during the year 22-23.
- ❖ The curriculum gaps and the plan of actions for the academic year 23-24 were suggested and approved by the PAC members to strengthen the attainment of CO- PO.& CO-PSO for the forth coming batches of IT program.

Co Curricular Activities (CCA) plan for the Academic Year 2023-2024

Proposed Guidelines for the charting the co-curricular activities (CCA)

- 1. All the activities shall be focused on addressing the below :**
 - Impart strong foundation in basics
 - Enhance application of academic learning's to solve real time engineering problems
- 2. There shall be three categories**
 - Contest during the course of semester
 - Workshops / Guest Lectures during the course of semester
 - Workshops during the vacation
- 3. There shall be maximum of three activity in the form of contest per semester**
 - All these activity shall not be mandatory for the students; rather students shall participate based on their interest.
 - One contest shall be relevant to the curriculum of the current semester
 - Two contest shall be relevant to the curriculum of previous semesters
 - The contest shall be formulated in such a way that the students will be able to apply the learning's of their curriculum in solving the problem statements, so that they shall establish a relation between what they read
 - The contest shall be a analytical problem solving contest/coding contest/debugging contest/ Technical Quiz/ Paper Presentation/ Mini project contest.
 - Each contest should be well defined and shall have a detailed methodology in conducting as well as evaluating procedure
- 4. There shall be one or max of two activity in the form of workshops during the course of the semester, which shall be absolutely relevant to the subjects of the current semester, that will help strengthen the understanding of the subject**

SARANATHAN COLLEGE OF ENGINEERING

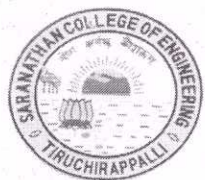

TIRUCHIRAPALLI - 620 012.

DEPARTMENT OF INFORMATION TECHNOLOGY

- All the workshops should be formulated in such a way that predominant duration of the workshop, the students work by him/herself based on some minimum instructions received from the faculty
- 5. Special / Guest Lectures may be organized for the students to gain knowledge on latest trends in the IT field.
- 6. Activities during the vacation shall be decided based on feasibility.
- 7. The students of VI semester have to undergo Summer internship during their vacation and submit the intern report.

List of curriculum Gaps identified

Curriculum Gaps Identified	Students will be able to
Fundamentals of Python Programming are available in first semester. C++ programming & Implementation of Data Structures in C are not provided in the curriculum of Regulation 2021.	Strengthen their coding skills and Participate in contests /mini projects using latest technologies
Exposure to hardware technologies and installation of OS is inadequate	Have a better understanding of computer architecture and OS installation
For Regulation 2017, lack of exposure to the modern tools in the following subjects: 1. Graphics & Multimedia is specified in syllabus for theory. Multimedia tools are not specified. 2. Software Testing Tools are not specified in the syllabus.	Work with all kind of modern tools
Inadequate practical exposure to latest technologies	Improve their knowledge in latest trends
Lack of Personality development skills courses	Apply effectual communication skills and management principles for work place success

SARANATHAN COLLEGE OF ENGINEERING

TIRUCHIRAPALLI - 620 012.

DEPARTMENT OF INFORMATION TECHNOLOGY

Plan for activities for the Academic year 2023-24:

S.No	Activity	Methodology	Consequence
1	Certification courses with Inlustro Ltd and NPTEL	Training and Test	Application of Learning's
2	Introduction to Latest Trends in IT - Deep Learning, Cyber Security, Virtual Reality	Guest Lecture & Seminar	Application of Learning's
3	Hands on training on Latest Tools	Workshop	Exposure to modern Tools
4	Hardware assembly and OS installation	Workshop	Better understanding of hardware components and OS
5	Coding Contest, Technical Quiz	Contest	Strengthen the Coding & Technical skills
6	Paper Presentation	Contest	Innovation to learn new and latest concepts and improve communication skills
7	Mini Project Contest	Contest	Application of Learning's

The meeting came to an end at 12.30 p.m with vote of thanks.

DEPARTMENT OF INFORMATION TECHNOLOGY

Date:09.08.2024

Submitted to the Principal:

The Program Advisory Committee (PAC) meeting for the Academic year 2023-2024 has been conducted on 14.07.2023 to strengthen the CO-PO and CO-PSO attainment. The following Programs were organized by the Department based on the suggestions given by the Committee.

1. Events conducted during 2022-23:

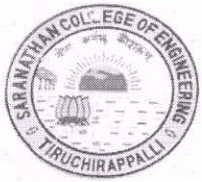

S.No	Name of the Event	Date
1	Webinar on Introduction to GOLANG and Repository Industry Standards by Mr.Srinivasan, TechnicalLeader,Infosys ltd, Chennai	15-09-2023
2	Web designing Contest	17-10-2023
3	Technical Quiz (Technozova'23)	18-10-2023
4	BUG -HUNT (Code debugging contest)	16-10-2023
5	Seminar on Importance of Higher Education in Abroad- Motivation speech by Manya Technologies	22-02-2024
6	Seminar on Data security in cloud by Dr.E.Silambarasan, Associate Profesora, Dept of Computer Science and Enginnering- Cyber Security, IIT Kottayam	20-12-2023

2. A batch of 6 students of III IT participated in the Grand Finale of **Smart India Hackathon (SIH 23)** at Mysore conducted by MHRD. A Batch of 4 students of III Year IT presented their project in **Dark Patterns Buster Hackathon 2023** conducted by **Ministry of Consumer Affairs & IIT Varanasi**. The students of II, III & IV year participated in Smart Hackathon conducted by various organizations and won prizes.

3. A batch of IV year students have been awarded with Rs.7500 by TNSTC for their project on Low-cost Myoelectric Prosthetic arm

4. Our students registered for NPTEL certification course on Cloud Computing and obtained certificate.

5. 59 students from II year and 64 students from III year registered for certification courses on various subjects conducted by Inlusto Ltd. They have undergone both theory and practical tests and obtained certificates.

SARANATHAN COLLEGE OF ENGINEERING

TIRUCHIRAPALLI - 620 012.

DEPARTMENT OF INFORMATION TECHNOLOGY

-
6. Students of II, III & IV year have undergone training conducted by Corporate under the Naan Mudhalvan scheme and obtained certificates.
 7. The Content beyond syllabus for both Theory and Practical courses has been added. The latest trends and technological improvements in IT related to the corresponding course are explained by the concerned staff member to the students.

HOD, Dept of IT

DEPARTMENT OF MECHANICAL ENGINEERING

Date : 15-12-2023

Ref No : SCE/MECH/2023-2024/ODD Sem/Second Class Committee Meeting/Circular/02

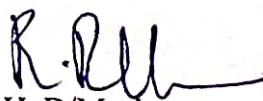

The First class committee meeting for II year MECH -A section will be held on 16-12-2023 at Mechanical Seminar hall between 3.30 PM and 3.45 PM. All the committee members are requested to attend the meeting.

Agenda for discussion:

- (i) Vision, Mission, Pos, PEOs and PSOs of the department
- (ii) COs of each subject
- (iii) Syllabus Completion status and IAT-2 Test analysis
- (iv) Attendance performance
- (v) Discipline

Committee members:

S.No	Faculty Name	Subjects Handled
1	Dr.R.Buveneswari (Maths)	MA3351 - Transforms and Partial Differential Equations
2	Dr.A.Mercyvasan	CE3391 - Fluid Mechanics and Machinery
3	Mr.P.Vigneshwar	ME3351 - Engineering Mechanics
4	Mr.K.Amarnath	ME3391 - Engineering Thermodynamics
5.	Mr.S.Vinoth Kumar	ME3392 - Engineering Materials and Metallurgy
6	Dr.M.R.Anandapadmanaban	ME3393 - Manufacturing Processes
7	Mr.K.Amarnath	ME3381 – Computer Aided Machine Drawing Laboratory
8	Dr.N.Baskar	ME3382 – Manufacturing Technology Laboratory I
9	Mr.S.Vinoth Kumar & Mr.P.Vigneshwar	Class Coordinators

Action Taken:

The concerned staff members are asked to post the materials, question bank for the subjects. As per the request from the students, the faculty are asked to follow a blended method of teaching in order to give a better understanding. The faculty should give more attention towards slow learners and ensure their improvement.

Action Taken based on Feedback Report:

- Faculty members are asked to create a healthy learning environment in the classroom.
- Staff is requested to ensure good reachability of topics taught to all students in the classroom.
- Staff is requested to give a brief recap of topics taught in the previous class before starting the new session.
- Staff is requested to ensure good flow in the teaching pattern to enable easy understanding to students.
- Faculty members are instructed to be a facilitator to the students.
- Faculty members are asked to give valuable additional information in the class.
- Faculty members are asked to take relevant steps to bridge the industry- institution gap.
- Staff members are instructed to add content beyond syllabus for the subjects they teach.
- Staff members are asked to create a friendly atmosphere inside the classroom.
- Elimination of partiality to students was emphasized to the staff.

Action Taken based on Feedback Report:

- Staff members are asked to explain the students the areas in which they are lacking.
- Staff members are asked to nurture the students according to their needs.
- Faculty is asked to keep themselves updated in subjects whom they teach.
- Faculty members are asked to change their teaching pattern according to the requirement of the students.
- Staff members are asked to give regular feedback to students about their academic performance.
- Staff is requested to ensure understanding of each and every student in the classroom.
- Staff members are asked to evaluate the answer scripts fairly by taking time read all the answers.
- Faculty members are instructed to ensure improvement in performance of all students.
- Staff members are asked not to teach in the exam point of view alone.
- Staff members are instructed to improve the quality of question papers set for the Internal Assessment tests.

Hod remarks about student's feedback about the Faculty:

This message was personally communicated by the HoD to the faculty members. It was observed that the following faculty Dr. M R. Ananthapadmanaban (Professional Ethics In Engineering-73.22%), Mr.S.Vinoth Kumar (E3392/Engineering Materials and Metallurgy-67.64%) and Dr.R.Rekha (G8591/Principles Of Management-74.31%) were having less feedback. The feedback from the students was taken during 2023-24 ODD Semester.

Faculty members were asked to stick to timelines in correcting and distributing answer scripts. Staff members were asked to make themselves approachable to students. Staff members were asked to make use of e resources in teaching. Faculty members were directed to treat each student individually based on his/her capacity. Staff members were strictly advised to remove mediocrity in teaching/learning process. Staff members were asked to follow arm twisting techniques in teaching to create interest in students. Staff members were asked to give additional information apart from the facts given in text books. Faculty was asked to have individual concern and care for each and every student. Staff members were instructed to have questionnaire session to clear the doubts of students. Staff members were asked to complete the syllabus well in advance before the exam dates.

Ref No. SCE/MECH/2023-24/EVEN SEM/Faculty Feedback –reg

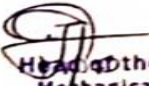

Hod remarks about student's feedback about the Faculty:

This message was personally communicated by the HoD to the faculty members. It was observed that the following faculty Mr. Ravindran(GE3251/Engineering Graphics-69.54%), Dr. Rekha(CE3491/Strength Of Materials-73.05%) and Dr. M. R. Ananthapadmanaban (ME3493/Manufacturing Technology-74.32%) were having less feedback. The feedback from the students was taken during 2023-24 ODD Semester.

Staff members were asked to follow a steady pace in covering topics of the syllabus. Staff members were advised to counsel the students regularly and give them advises. Staffs were asked to be student friendly and create friendly atmosphere in the classroom. Staffs were asked to speak loudly and clearly to improve their audibility inside the classroom. Staff members were instructed to correct the answer scripts and not to value it. Faculty members are advised to have good subject clarity. Staff members were insisted to update their knowledge level. Staff members were asked to give real time examples for topics taught in the class. Importance of impartiality was told to the faculty.

CLASS COMMITTEE MEETING

I YEAR / I SEMESTER (BATCH 2023 – 2025)

CC/MBA/2023/01

Dated 02/12/2023

Class Committee Meeting for I M.B.A Students was held on **02/12/2023** at **01.00** pm in the chamber of HOD/MBA.

1. Informed the students about the regulations of the M.B.A Programme and details of rules therein.

2. Informed the students about the details of regulations regarding the weightage used for each assessment. (i.e)

Theory Course:

Assessment – 1 (100 marks)

✓ (Assignment – 40, written test – 60)

Assessment – 2 (100 marks)

✓ (Assignment – 40, written test – 60)

Practical Course:

75 marks for successful completion of prescribed experiment done in lab and 25 marks for the test.

3. Informed the students about the academic schedule

- Dates of assessment
- Syllabus to be covered for each assessment.

4. Internship:

- Duration of Internship – 4 weeks
- Credit – 2

5. Project work:-

Project work has to be pursued for a period of 16 weeks during the final semester

In case the students is undertaking the project work in the department the students has to report every day to the supervisor either in physical mode or online mode.

Evaluation of the project work

Internal Assessment (40 Marks)

- Review – I (10)
- Review – II (15)
- Review – III (15)

End Semester Examination (60 Marks)

- Project Report Submission (15 Marks)
- Viva Voce (45 Marks)
 - Internal Examiner – 15
 - External Examiner – 15
 - Supervisor Examiner – 15.

6. Attendance:-

Every Student shall secure not less than 75 % of overall attendance in that semester.

7. Passing Requirement:

Students should secure not less than 50% of total marks prescribed for the course (Internal Assessment + End Semester University Examination) with a minimum of 45% of the marks prescribed for the end-semester university examination.

Submitted to Principal for Approval

Sir,

Sub:-Class Committee for I.MBA (Batch 2023 – 25) – Reg.

Based on the Class committee held with the I MBA Students today (02.12.2023), I am submitting the following points for your kind perusal and approval..

1. It is planned to devote one half day's class every week for student driven activities such as ad-zap, management games, quiz, group discussion etc. which will be monitored and moderated by faculty.
2. Assignments in each subject on relevant topics which require lots of research and creativity need to be given to student so that they get involved in learning and develop an enthusiasm for the subject.
3. Student seminars which form part of the curriculum need to be organized for two hours every week wherein students need to make a presentation on topics related to business, ethics, Corporate Social Responsibility etc.

I kindly request you to approve the same

Sincerely,

SARANATHAN COLLEGE OF ENGINEERING

15/10/2023

Ref. No: MBA/09/2022

Submitted to Principal for Approval

Sir,

Sub:-Class Committee for II MBA (Batch 2022 – 24) – Reg.

Based on the Class committee held with the II MBA Students today (15/10/2023), I am submitting the following points for your kind perusal and approval.

1. The final year students, those who have taken Quality Management and Project Management electives require practical exposure for which guest lectures are planned to be conducted inviting experts from the industry.
2. The students have evinced keen interest in learning more about stock markets and have been guided suitably in pursuing courses which will enhance their knowledge and make them adept in understanding the world of capital markets and investing.
3. While the students are convinced about their skills to clear the written tests in placement selection process of companies, they feel the need to improve their performance in interviews for which mock interviews are planned to be organized.

I kindly request you to approve the same.

Sincerely,

SARANATHAN COLLEGE OF ENGINEERING

DEPARTMENT OF MANAGEMENT STUDIES

Date: 18-03-2024

Ref No: SCE/MBA/2023-2024/EVEN Sem./Faculty feedback – reg.

Students' feedback about teachers regarding the efficacy of their teaching styles is collected every semester. The various parameters based on which the students assess the faculty are preparation of the faculty for the classes, subject knowledge and clarity of the faculty, impartiality and fairness of the faculty, student-faculty interaction, valuable/extra information given the faculty, enthusiasm for teaching, display of care and concern, punctuality in evaluation of assignments and test papers, steady completion of syllabus, ability to speak loudly and clearly etc. The total composite faculty feedback score is 100 and it is the summation of faculty scores on the specified parameters.

As is evident from the faculty feedback scores on various parameters, all faculty members have got good scores on the given parameters.

Programme Advisory Committee - Minutes of Meeting

VISION

To mould the college in to a Top class national/international centre of advanced learning, technology and research and enhance national human resource and its power.

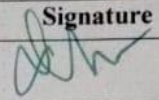

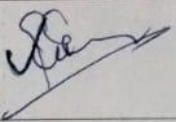

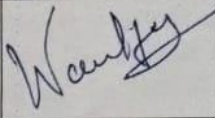

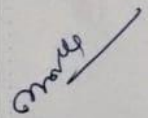

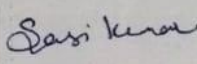

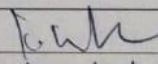

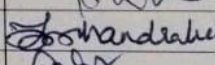

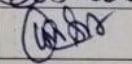

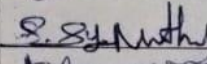

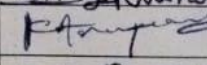

Mission

To achieve excellence in business education, by adapting to the needs and challenges of dynamic and globally competitive business environment.

The PAC meeting of MBA Department was held on **08.09.2023 (Friday)** and the following points were discussed.

- 1 Syllabus for Training and Placement classes was discussed.
- 2 More number of campus placements need to be arranged.
- 3 Content beyond the syllabus for each subject was discussed in detail. Innovative teaching methods should be included in regular classes.
- 4 Students should be encouraged to present and publish their projects as paper in international conferences and journals.
- 5 Reputed companies should be identified and officials from those companies may be brought to the department for delivering lectures.
- 6 Students should be asked to enrol in online courses offered by IIT's NPTEL towards augmenting their knowledge. Students need to enrich their profile by upskilling themselves.
- 7 Students should be given opportunity to make power point presentations on topics of relevance to MBA students.

The following are the members who attended the meeting.

24-05-2023

Submitted to the Principal,

The Programme Advisory Committee (PAC) meeting of MBA Department was held on 08.09.2023 (Friday) to improve the quality of offering provided by the Department of Management Studies. Based on the suggestions given by the committee, the following programmes were organised by the Department.

Events conducted till May 2023:

- 1) Guest lectures on entrepreneurship, stock market investing have been organized.
- 2) Content beyond the syllabus in theory subjects has been added and the recent trends in the happenings of business are discussed among the students in the class. Students also are encouraged to share their learning of new management jargons and concepts in class.
- 3) Students were trained in facing interviews, group discussions. Practice was given to students to successfully clear aptitude tests conducted by companies and banks.
- 4) Faculty members have motivated students to present research papers in international conferences. Students have been motivated to take part in management meets organized by premier educational institutions.
- 5) Faculty members have presented research papers in international conferences.
- 6) Faculty members have published research papers in reputed journals.

HOD-MBA
