DEPARTMENT OF INSTRUMENTATION AND CONTROL ENGINEERING

Venkateshwara Nagar, Panjappur, Tiruchirappalli - 620 012, Tamil Nadu, India

1.4 State the process for defining the Vision and Mission of the Department, and PEOs of the program

a. Process for defining the Vision and Mission of the department

The process of determining the vision and mission of the department as in Figure 1 started with the aim of attaining the Institute's Vision and Mission. At first, a team comprising Director, Principal, Head of the department, Training and Placement – Head, Department faculty and an Industrial expert was formed. Initially the team analyzed the Institute's Vision and Mission and foreseen the department's requirement in par with the Industrial needs, Academics, Employable skills, Societal cause etc. A Formulated draft copy of vision and mission were discussed in the Programme advisory committee (PAC). A brainstorming session on debate of the pros and cons of their perspectives and finally came out with Department's Vision and Mission. Then Vision and Mission was documented for further Head of the institution and approval. These documents were disseminated to the stake holders.
