

SARANATHAN COLLEGE OF ENGINEERING
DEPARTMENT OF INSTRUMENTATION AND CONTROL ENGINEERING
TIRUCHIRAPALLI - 620 012.

Date: 12-08-2019

Circular

To improve English-speaking skills, the department has advised the students to speak in English during class sessions. Also, students are informed to prepare well in advance for practical classes and individual student have to explain the aim and procedure of the experiment in English.

Subject handling faculty members are informed to encourage the students to communicate in English language inside the laboratory premises.
