Dear Professor

Thank you for your support during the recent student engagement session. This is only the beginning. I need a single point of contact[SPOC] moving forward. They will be owning the process and represent the interest of the college and manage all communication between the stake holders. All subsequent communication from NI and associate companies will be directed to SPOC. Thus ensuring that the process we have initiated does not fizzle out without delays and we can also make course corrections as necessary.

NI will be in Cc for all future correspondence between the stake holders. The process will track the students who will be either moving to CLD stream and placement/ internship.

Here is the list of students selected for subsequent process for CLD
