

Title: Soft Skill Training for 2022 batch

Content:

In order to ensure that our students are starting their professional career in a reputed organization, we have planned to conduct special training for soft skill development. Soft skills are attributes that enables students to engage in meaningful interactions with others. Since most jobs require teamwork, it's important for the students to possess soft skills to enhance their employability and achieve their dream job

The following are the steps taken towards improving the soft skills

- Training you in soft skills (Aptitude, Verbal, logical reasoning) for 72 hours, of which the first 54 hours is scheduled from 03-05-21 , with 3 hours per day
- The slot timings will be from 9:00 am to 10:30am - session 1., 11:00 am to 12:30 pm , session 2 This training session will be through online mode
- Students are grouped into streams based on your knowledge in this domain
- This grouping is done by an assessment test that will be conducted on 28/04/21 from 11:30 am to 12:30 pm
- They also have access to a professional platform where thousands of practice tests are available to hone their skills.
